2.14 Intellectual Property.

(a) Schedule 2.14 hereto is a complete and accurate list of all Intellectual Property used or held for use in the Business by the Seller. To the extent indicated on such schedule, the Intellectual Property listed on Schedule 2.14 hereto has been duly registered in, filed in or issued by the United States Patent and Trademark Office, United States Copyright Office, a duly accredited domain name registrar, the appropriate offices in the various states of the United States and the appropriate offices of other jurisdictions (foreign and domestic), and each such registration, filing and issuance remains in full force and effect as of the Closing Date. Except as set forth in Schedule 2.14 hereto, the Seller is not a party to any license or Contract, whether as licensor, licensee, or otherwise with respect to any Intellectual Property. To the extent any Intellectual Property is used under license in the Business by the Seller, no written notice of a material default has been sent or received by the Seller under any such license which remains uncured and the execution, delivery or performance of the Seller's obligations hereunder will not result in such a default. Each such license agreement is a legal, valid and binding obligation of the Seller.

(b) Except as set forth in Schedule 2.14 hereto, the Seller exclusively owns or is exclusively licensed to use all of the Intellectual Property (other than "off the shelf" software) used or held for use in the Business, free and clear of any Liens, Orders and other adverse Claims, without obligation to pay any further royalty or any other fees with respect thereto. To the Knowledge of the Seller, the Seller's use of such Intellectual Property (including, without limitation, the manufacturing, marketing, licensing, sale or distribution of products and the general conduct and operations of the Business) does not violate, infringe, misappropriate or misuse any Intellectual Property rights of any third party. No Intellectual Property owned by the Seller has been cancelled, abandoned or otherwise terminated within the last 180 days and all renewal and maintenance fees in respect thereof have been duly paid.

(c) Except as set forth in Schedule 2.14 hereto, the Seller has not received any written notice or Claim from any third party challenging the right of the Seller to use any of the Intellectual Property used by the Seller. The Intellectual Property used by the Seller and listed on Schedule 2.14 hereto constitutes all the Intellectual Property necessary to operate the Business as of the Closing Date and thereafter, in the manner in which it is presently operated. Except as set forth in Schedule 2.14 hereto, the Seller has not made any Claim in writing of a violation, infringement, misuse or misappropriation by any third party (including, without limitation, any employee or former employee of the Seller) of its rights to, or in connection with any Intellectual Property on Schedule 2.14, which Claim is still pending. To the Knowledge of the Seller, there is no pending or threatened Claims by any Person or Authority of a violation, infringement, misuse or misappropriation by the Seller of any Intellectual Property owned by any third party, or of the invalidity of any patent or registration of a copyright, trademark, service mark, domain name, or trade name included in the Intellectual Property owned by the Seller.
