TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement") is entered into as of February 6, 2009 by and between THE ANTIOCH COMPANY, LLC, a Delaware limited liability company (the "Grantor") and BANK OF AMERICA, N.A., in its capacity as note agent (the "Note Agent") for the benefit of the Holders of Secured Obligations under the Note Issuance Agreement described below.

WITNESSETH:

WHEREAS, the Grantor, the Noteholders (as defined in the Note Issuance Agreement), and the Note Agent are parties to that certain Note Issuance Agreement dated as of the date hereof (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Note Issuance Agreement"), which Note Issuance Agreement provides, subject to the terms and conditions thereof, for the issuance of the Notes by the Grantor to the Noteholders;

WHEREAS, the Grantor and the Note Agent are parties to that certain Pledge and Security Agreement dated as of the date hereof (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "Pledge and Security Agreement"), pursuant to which the Grantor has granted a security interest in substantially all of its assets to the Note Agent for the benefit of the Holders of Secured Obligations; and

WHEREAS, the Noteholders have required the Grantor to execute and deliver this Agreement (i) in order to secure the prompt and complete payment, observance and performance of all of the Obligations and (ii) as a condition precedent to the issuance of the Notes under the Note Issuance Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

1. Defined Terms.

(a) Unless otherwise defined herein, each capitalized term used herein that is defined in the Note Issuance Agreement shall have the meaning specified for such term in the Note Issuance Agreement. Unless otherwise defined herein or in the Note Issuance Agreement, each capitalized term used herein that is defined in the Pledge and Security Agreement shall have the meaning specified for such term in the Pledge and Security Agreement.

(b) The words "hereof," "herein" and "hereunder" and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section references are to this Agreement unless otherwise specified.

(c) All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and vice versa, unless otherwise specified.

2. Incorporation of Premises. The premises set forth above are incorporated into this Agreement by this reference thereto and are made a part hereof.

3. Security Interest in Trademarks. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, the Grantor hereby grants to the Note Agent, for the benefit of the Holders of Secured Obligations, a security interest in, as and by way of a first mortgage and security interest, subject to the Note Agent's perfection of the security interest, having priority over all other security interests (except that of the Administrative Agent in connection with the Senior Credit Agreement Debt), with power of sale to the extent permitted by applicable law, all of the Grantor's now owned or existing and hereafter acquired or arising:

(i) trademarks, registered trademarks, trademark applications (except all "intent to use" trademark applications until such trademarks are registered), service marks, registered service marks and service mark applications (except all "intent to use" service mark applications until such service marks are registered), including, without limitation, the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications listed on Schedule A attached hereto and made a part hereof, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (c) the right to sue for past, present and future infringements and dilutions thereof, (d) the goodwill of the Grantor's business symbolized by the foregoing and connected therewith, and (e) all of the Grantor's rights corresponding thereto throughout the world (all of the foregoing trademarks, registered trademarks and trademark applications, and service marks, registered service marks and service mark applications, together with the items described in clauses (a)-(e) in this paragraph 3(i), are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); and

(ii) rights under or interests in any trademark license agreements or service mark license agreements with any other party, whether the Grantor is a licensee or licensor under any such license agreement, including, without limitation, those trademark license agreements and service mark license agreements identified, disclosed to and on file with the Note Agent, together with any goodwill connected with and symbolized by any such trademark license agreements or service mark license agreements, and the right to prepare for sale and sell any and all inventory now or hereafter owned by the Grantor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing or anything herein or in any other Note Document to the contrary, nothing hereunder or thereunder constitutes or shall be deemed to constitute the grant of a security interest in favor of the Note Agent or any Holder of Secured Obligations with respect to the Grantor's interest in any License, contract right, license agreement, or any other general intangible (each such License, contract right, license agreement and other general intangible being hereinafter referred to as "Excluded Property"), if the granting of a security interest therein by the Grantor to the Note Agent or any Holder of Secured Obligations is prohibited by the

terms and provisions of the agreement, document or instrument creating, evidencing or granting a security interest in such Excluded Property or rights related thereto; provided, however, that if and when the prohibition which prevents the granting by the Grantor to the Note Agent of a security interest in any Excluded Property is removed or otherwise terminated, the Note Agent will be deemed to have, and at all times to have had, a security interest in such Excluded Property.

4. Restrictions on Future Agreements. The Grantor shall not, without the Note Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement or the other Note Documents, and the Grantor further agrees that it will not take any action, and will use its commercially reasonable efforts not to permit any action to be taken by others, including, without limitation, licensees, or fail to take any action, which would in any respect affect the validity, value or enforcement of the rights transferred to the Note Agent under this Agreement or the rights associated with the Trademarks or Licenses.

5. New Trademarks and Licenses. The Grantor represents and warrants that, as of the Closing Date, (a) the Trademarks listed on Schedule A include all of the foreign and domestic registered trademarks, trademark applications, registered service marks and service mark applications owned or held by the Grantor, (b) the Licenses identified, disclosed to and on file with the Note Agent include all of the trademark license agreements and service mark license agreements under which the Grantor is the licensee or licensor and (c) no liens, claims or security interests in such Trademarks and Licenses have been granted by the Grantor to any Person other than the Note Agent. If, prior to the termination of this Agreement, the Grantor shall (i) obtain rights to any new trademarks, registered trademarks, trademark applications (except all "intent to use" trademark applications until such trademarks are registered), trademark licenses, trademark license renewals, service marks, registered service marks, service mark applications (except all "intent to use" service mark applications until such service marks are registered), service mark licenses or service mark license renewals whether as licensee or licensor, or (ii) enter into any new trademark license agreement or service mark license agreement, the provisions of paragraph 3 above shall automatically apply thereto. The Grantor shall give to the Note Agent written notice of events described in clauses (i) and (ii) of the preceding sentence promptly after the occurrence thereof, but in any event not less frequently than on an annual basis. The Grantor hereby authorizes the Note Agent to modify this Agreement unilaterally (i) by amending Schedule A to include any future trademarks, registered trademarks, material trademark applications (except all "intent to use" trademark applications until such trademarks are registered), material service marks, registered service marks and service mark applications (except all "intent to use" service mark applications until such service marks are registered) of the Grantor, which are Trademarks under paragraph 3 above or under this paragraph 5, and (ii) by filing in the United States Patent and Trademark Office, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule A, such future trademarks, registered trademarks, trademark applications, service marks and registered service marks and service mark applications.

6. Royalties. The Grantor hereby agrees that the use by the Note Agent of the Trademarks and Licenses as authorized hereunder in connection with the Note Agent's exercise of its rights and remedies to the extent expressly permitted under paragraph 14 or

pursuant to the Pledge and Security Agreement after the occurrence of a Default shall be coextensive with the Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Note Agent or any other Holder of Secured Obligations to the Grantor.

7. Further Assignments. The Grantor agrees (i) subject to Sections 7.3(b) and (c) of the Note Issuance Agreement, not to (a) sell or assign its respective interests in any Trademarks or the Licenses without the prior written consent of the Note Agent or (b) grant any license under the Trademarks without providing prompt written notice to the Note Agent and (ii) to maintain the quality of the products using such Trademarks or Licenses at a level sufficient to preserve such Trademarks and Licenses consistent with commercially reasonable business practices.

8. Nature and Continuation of the Note Agent's Security Interest; Termination of the Note Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations (other than contingent Obligations) have been paid in full and the Note Issuance Agreement and the other Note Documents have been terminated. When this Agreement has terminated, the Note Agent shall promptly execute and deliver to the Grantor, at the Grantor's expense, all termination statements and other instruments and take such other actions as may be necessary or proper to terminate the Note Agent's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by the Note Agent pursuant to this Agreement or the Pledge and Security Agreement.

9. Duties of the Grantor. The Grantor shall have the duty, to the extent necessary or otherwise desirable in the normal conduct of the Grantor's business, as determined in the reasonable discretion of the Grantor, to: (i) reasonably prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter until the termination of this Agreement, and (ii) apply for registration for trademarks or service marks. The Grantor further agrees (i) not to abandon any Trademark or License to the extent such Trademark or License is necessary or otherwise desirable in the normal conduct of the Grantor's business, as determined in the reasonable discretion of the Grantor, without the prior written consent of the Note Agent and (ii) to use commercially reasonable efforts to maintain in full force and effect the Trademarks and the Licenses that are or shall be necessary or otherwise desirable, as determined in the Grantor's reasonable discretion, in the operation of the Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by the Grantor. Neither the Note Agent nor any of the Holders of Secured Obligations shall have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, neither the Note Agent nor any of the Holders of Secured Obligations shall be under any obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but the Note Agent may do so at its option from and after the occurrence and during the continuance of a Default, and all reasonable expenses incurred in connection therewith shall be for the sole account of the Grantor and shall be added to the Obligations secured hereby.

10. The Note Agent's Right to Sue. Following the occurrence and during the continuance of a Default, the Note Agent shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if the Note Agent shall commence any such suit, the Grantor shall, at the request of the Note Agent, do any and all lawful acts and execute any and all proper documents reasonably required by the Note Agent in aid of such enforcement. The Grantor shall, upon demand, promptly reimburse the Note Agent for all reasonable costs and expenses incurred by the Note Agent in the exercise of its rights under this paragraph 10 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for the Note Agent).

11. Waivers. The Note Agent's failure, at any time or times hereafter, to require strict performance by the Grantor of any provision of this Agreement shall not waive, affect or diminish any right of the Note Agent thereafter to demand strict compliance and performance therewith nor shall any course of dealing between the Grantor and the Note Agent have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of the Grantor contained in this Agreement shall be deemed to have been suspended or waived by the Note Agent unless such suspension or waiver is in writing signed by an officer of the Note Agent and directed to the Grantor specifying such suspension or waiver.

12. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable. If any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part hereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 5 hereof or by a writing signed by the parties hereto.

14. Cumulative Remedies; Power of Attorney.

(a) Following the occurrence and during the continuance of a Default, the Grantor hereby irrevocably designates, constitutes and appoints the Note Agent (and all Persons designated by the Note Agent in its sole and absolute discretion) as the Grantor's true and lawful attorney-in-fact, and authorizes the Note Agent and any of the Note Agent's designees, in the Grantor's or the Note Agent's name, to take any action and execute any instrument which the Note Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, after the giving by the Note Agent of written notice to the Grantor of the Note Agent's intention to enforce its rights and claims against the Grantor, to (i) endorse the Grantor's name on all applications, documents, papers and instruments necessary or otherwise desirable for the Note Agent in the use of the Trademarks or the Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (iii) grant or issue any exclusive or nonexclusive

license under the Trademarks or, to the extent permitted, under the Licenses to anyone, on commercially reasonable terms, and (iv) take any other actions with respect to the Trademarks or the Licenses as the Note Agent deems in its own or the Holders of Secured Obligations' best interest. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations (other than contingent Obligations) shall have been paid in full and the Note Issuance Agreement and the other Note Documents shall have been terminated. The Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Note Agent or the other Holders of Secured Obligations under the Pledge and Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies.

(b) The Note Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence of a Default and the election by the Note Agent to exercise any of its remedies under the Uniform Commercial Code with respect to the Trademarks and Licenses, the Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to the Note Agent or any transferee of the Note Agent and to execute and deliver to the Note Agent or any such transferee all such agreements, documents and instruments as may be necessary, in the Note Agent's sole discretion, to effect such assignment, conveyance and transfer. All of the Note Agent's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Pledge and Security Agreement, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence and during the continuance of a Default, the Note Agent may exercise any of the rights and remedies provided in this Agreement, the Pledge and Security Agreement and any of the other Note Documents. The Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition. Notwithstanding anything herein to the contrary, in no event shall the rights and remedies of the Note Agent, any Holder of Secured Obligations or any of their respective designees or representatives, granted hereunder or any other Note Document, be construed to permit any such Person to take any action or fail to act in violation of any law or the terms and conditions of any License or other agreement or document covering any of the collateral granted to the Note Agent hereunder.

15. Successors and Assigns. This Agreement shall be binding upon the Grantor and its successors and assigns, and shall inure to the benefit of each of the Holders of Secured Obligations and their respective nominees, successors and assigns. The Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for the Grantor; provided, however, that the Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without the Note Agent's prior written consent.

16. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF

ILLINOIS BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

17. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Note Issuance Agreement.

18. Section Titles. The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

19. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

20. Merger. This Agreement represents the final agreement of the Grantor and the Note Agent with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between the Grantor and the Note Agent or any Holder of Secured Obligations.
