TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made as of December 23, 2008 by Neoporte Incorporated, a California corporation ("Assignor") and Equitable Transitions, Inc., a California corporation ("Assignee").

RECITALS

WHEREAS, pursuant to the General Assignment dated December 23, 2008 ("General Assignment"), Assignor assigned, transferred, sold and conveyed to Assignee all of Assignor's right, title, and interest in and to all of Assignor's assets, including all general intangibles and trademarks that are owned by Assignor, including without limitation the registrations and applications listed on Exhibit A attached hereto and incorporated herein, together with the goodwill of the business pertaining thereto (the "Trademarks"); and

WHEREAS, to effect such assignment of the Trademarks to Assignee, Assignor desires to assign to Assignee all of Assignor's right, title, and interest in and to all of the Trademarks.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements contained in the General Assignment, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and the covenants and agreements in this Assignment and to induce Assignee to consummate the transactions contemplated by the General Assignment, the Assignor hereby agrees as follows:

1. Grant. Effective as of December 23, 2008, Assignor does hereby sell, transfer, convey, assign and deliver to Assignee all of the Assignor's right, title, and interest in and to the Trademarks, together with the goodwill of the business pertaining thereto, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Trademarks, along with the right to sue for and collect such damages for the use and benefit of Assignee and Assignee's successors, assigns and other legal representatives.

2. Further Assurances. Each party will, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the above assignment, including any actions or documents required by the applicable registrar to document the transfer herein or as may be necessary to protect, secure and vest good, valid and marketable title to the Trademarks and related rights in Assignee.

3. Recording of Assignment. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue Trademarks, or other evidence or forms of intellectual property protection or applications as, to issue the same to Assignee and Assignee's successors, assigns and other legal representatives in accordance with the terms of this instrument.

4. Counterparts. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.
