**TRADEMARK SECURITY AGREEMENT**

TRADEMARK SECURITY AGREEMENT dated as of February 9, 2009 (as amended, restated, supplemented or otherwise modified, the "Trademark Security Agreement"), made by SkillSoft Ireland Limited, an Ireland Limited Company (the "Grantor"), in favor of CREDIT SUISSE, as collateral agent (in such capacity and together with its successors, the "Collateral Agent") for (i) the banks and other financial institutions or entities (the "Lenders") from time to time parties to the Credit Agreement dated as of May 14, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among SkillSoft Public Limited Company, Grantor, the Lenders party thereto, Credit Suisse Securities (USA) LLC, as sole bookrunner and sole lead arranger, Key Bank, as syndication agent, Credit Suisse, as administrative agent and Collateral Agent, and Silicon Valley Bank, as documentation agent, and (ii) the other Secured Parties.

WITNESSETH:

WHEREAS, the Grantor is a party to a Guarantee and Collateral Agreement dated as of May 14, 2007 (the "Guarantee and Collateral Agreement") among the Grantor and the other grantors party thereto and the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Collateral Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms have the meaning given to them in the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral.

(a) The Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties, a security interest in all the following property of Grantor, in each case, wherever located and whether now owned or at any time hereafter acquired by Grantor or in which Grantor has or at any time in the future may acquire any right, title and interest (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration, or otherwise) of Grantor's Obligations:

(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, designs and other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country, union of countries, or any political subdivision of any of the foregoing, or otherwise, and all common-law rights related thereto, including any of the foregoing listed on Schedule I hereto;

(ii) the right to, and to obtain, all renewals thereof;

(iii) the goodwill of the business connected with the use of and symbolized by the foregoing;

(iv) all proceeds of the foregoing, including, but not limited to, licenses, royalties, income, payments, claims and damages;

(v) general intangibles of a like nature; and

(vi) the right to sue for past, present and future infringements or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including royalties, income, payments, claims, damages and proceeds of suit;

provided that notwithstanding any other provision set forth in this Section 2, this Trademark Security Agreement shall not, at any time, constitute a grant of a security interest in any property that is, at such time, an Excluded Asset.

(b) Notwithstanding anything herein to the contrary, (i) Grantor shall remain liable for all obligations under and in respect of the Trademark Collateral and nothing contained herein is intended or shall be a delegation of duties to the Collateral Agent or any other Secured Party, (ii) Grantor shall remain liable under and each of the agreements included in the Trademark Collateral, and neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any of such agreements by reason of or arising out of this Trademark Security Agreement or any other document related hereto nor shall the Collateral Agent nor any other Secured Party have any obligation to make any inquiry as to the nature or sufficiency of any payment received by it or have any obligation to take any action to collect or enforce any rights under any agreement included in the Trademark Collateral, and (iii) the exercise by the Collateral Agent of any of its rights hereunder shall not release Grantor from any of its duties or obligations under the contracts and agreements included in the Trademark Collateral.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. Applicable Law. This Trademark Security Agreement shall be construed in accordance with and governed by, the laws of the State of New York.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed by one or more of the parties to this Trademark Security Agreement on any

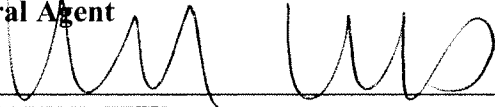

number of separate counterparts (including by facsimile) and all of said counterparts together shall be deemed to constitute one and the same instrument.
