EXHIBIT 1

ASSIGNMENT

This Assignment is made as of December 18, 2008 (the "Effective Date") by and between Titan Entertainment, L.L.C., a Missouri limited liability company with an address at 104 E. Franklin, Liberty, Missouri 64068 ("Assignor"), and ABS-CBN International, a California corporation with an address at 150 Shoreline Drive, Redwood City, California 94065 ("Assignee"), and is being entered into pursuant to the Settlement Agreement and Assignment, dated as of the Effective Date (the "Agreement") between the parties to this Assignment.

WHEREAS, in and pursuant to the Agreement, Assignor agreed to assign and transfer, and hereby assigns and transfers to ABS-CBN, effective as of the Effective Date, voluntarily, knowingly and irrevocably, all of its rights, title and interest in and to and arising from the mark "TFC", U.S. Application Serial No. 78/857,330, the domain "tfc.tv" and the registration of the domain "tfc.tv," and all goodwill generated by its use of the mark "TFC," and any and all rights, title, and interest that Assignor may have or acquire in the mark "tfc.tv," and any and all goodwill therein and thereto (collectively, the "Assigned Property and Rights");

NOW, THEREFORE, in consideration of the payment of ten U.S. Dollars (US\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, conveys, transfers and sets over to Assignee, and Assignee purchases, acquires, and receives from Assignor, all rights, title and interest in and to the Assigned Property and Rights, all of them to be held and enjoyed by Assignee, its successors, heirs and assigns on and as of the Effective Date as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor and Assignee agree that, as of the Effective Date, Assignee shall solely and exclusively own and hold all rights, title and interest in and to the Assigned Property and Rights, including, without limitation, the right to, directly or indirectly, exercise, exploit, license out, assign, transfer, convey, commercialize, or otherwise enjoy any and all rights and benefits encompassed by or resulting from any and all of the Assigned Property and Rights, all in Assignee's sole discretion, including, but not limited to, the exploitation, licensing out, assignment, transfer, conveyance, commercialization, enjoyment, and exercise of any economic and non-economic rights using, utilizing or based on the Assigned Property and Rights. Except for the rights enumerated in Section 1(a) of the Agreement, Assignor shall not retain, whether expressly, by implication, estoppel or otherwise, any right, title or interest in and to any or all of the Assigned Property and Rights. For the avoidance of doubt, Assignee shall solely and exclusively have the right and be entitled, in its sole discretion, in and/or under the laws of any country and jurisdiction, to (i) initiate and/or continue any action, litigation, arbitration or other proceeding, and seek, enforce, and benefit from any right, remedy and/or award, in connection with any or all of the Assigned Property and Rights, or any infringement, theft or violation thereof, whether such rights, remedies or infringement are based on any acts, omission or conduct prior to, on or after the Effective Date, and (ii) file, continue, discontinue, prosecute, or abandon any application for registration of any Assigned Property and Rights, and (iii) obtain, maintain, cancel, or let expire any registration of any Assigned Property and Rights.

If and to the extent requested by Assignee, Assignor shall cause, and hereby authorizes, the trademark office, domain name registrar, and similar or comparable agency, office, register, or registrar in any country or jurisdiction to record Assignee as the sole and exclusive owner of any application and/or registration covering the Assigned Property and Rights, and to issue any registration, certificate,

document or process in such country or jurisdiction, or issue process, presently pending or existing in the future, for any such application and/or registration in the name and for the benefit of Assignee only.

Upon Assignee's request, Assignor shall provide any reasonable assistance, including, without limitation, providing any information and documents, executing any documents and affidavits, providing any testimony, and/or rendering any other assistance, as is reasonably necessary or useful for Assignee to secure and perfect sole and exclusive ownership of, and obtain registrations in the name of solely Assignee or a third party designated by Assignee, for the Assigned Property and Rights, and to otherwise fully effect and implement the provisions in this Assignment.

Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful agent, with full power of substitution and resubstitution, in whole or in part, in the name and stead of Assignor but on behalf and for the benefit of Assignee and its successors and assigns, to demand, receive and collect any and all of the Assigned Property and Rights and to give receipts and releases for and in respect of the same, and from time to time to institute and prosecute in Assignor's name, or otherwise for the benefit of Assignee and its successors and assigns, any and all proceedings at law, in equity or otherwise, which Assignee or its successors or assigns may deem proper for the collection or recovery of any of the Assigned Property and Rights or for the collection and enforcement of any claim or right of any kind hereby sold, assigned, conveyed and transferred, or intended so to be. Assignor declares that the foregoing powers are coupled with an interest and are and will be irrevocable by Assignor by its dissolution or in any manner or for any reason whatsoever. Nothing in this paragraph will be deemed a waiver of any remedies otherwise available.

Should any section, or portion thereof, of this Assignment be held invalid by reason of any law existing now or in the future in any jurisdiction by any court of competent authority or by a legally enforceable directive of any governmental body, such section or portion thereof shall be validly reformed so as to approximate the intent of Assignor and Assignee as set forth herein as nearly as possible and, if unreformable, shall be deemed divisible and deleted with respect to such jurisdiction; this Assignment shall not otherwise be affected. This Assignment shall be binding upon Assignor and all of its successors, heirs and assigns, and shall be binding upon and inure to the benefit of Assignee and its successors, heirs and assigns. Except to the extent that U.S. federal law preempts state law with respect to the matters covered by this Assignment, this Assignment is governed by the laws of the State of California, United States of America, without regard to any conflict of laws provisions that may require the application of any other law.

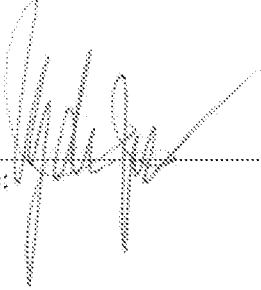

This Assignment shall not be deemed to limit, alter, impair, defeat, enhance or enlarge any right, obligation, claim or remedy created by the Agreement, including any and all of its schedules and exhibits, and in the event of any conflict between the Agreement and this Assignment, the Agreement shall prevail.
