## TRADEMARK ASSIGNMENT

This Assignment is made as of the 6th day of February, 2009, by and between Track My Kids LLC, a New York limited liability company ("Assignor"), on the one hand, and Telogis, Inc., a Delaware corporation ("Assignee"), on the other hand.

WHEREAS, Assignor owns the trademark and corresponding registration therefor listed on the attached Schedule A (the "Trademark");

WHEREAS, pursuant to an Asset Purchase Agreement, dated as of the date hereof, among Assignor, Assignee and certain other parties thereto (the "Purchase Agreement"), Assignee is acquiring the Trademark from Assignor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignor hereby irrevocably and unconditionally grants, transfers, conveys, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title and interest in and to the Trademark and all common law rights and registration therefor, together with the goodwill associated therewith and symbolized thereby, the same to be held by Assignee for Assignee's use and enjoyment and for the use and enjoyment of Assignee's successors, assigns and other legal representatives; together with all rights to claims for damages and all rights to sue and recover for past, present and future infringement, and all rights to income, royalties and license fees deriving from the Trademark.

2. Assignor agrees to execute all documents, perform all acts and assist in all proceedings as Assignee may deem appropriate to perfect, enforce, register, or record the rights of the Assignee to the Trademark. If Assignor does not, within five (5) days of presentment, return any executed documents requested by Assignee, then Assignee is hereby granted a limited power of attorney to execute all such documents on behalf of Assignor. This power of attorney is coupled with an interest and is irrevocable.

3. Nothing in this Assignment, express or implied, is intended or shall be construed to expand or defeat, impair or limit in any way the rights, obligations, claims or remedies of Assignor or Assignee as set forth in the Purchase Agreement. In the event of a conflict between the provisions of this Assignment and the provisions of the Purchase Agreement, the provisions of the Purchase Agreement shall govern and control.

4. This Assignment shall be binding on and inure to the benefit of and be enforceable by Assignor and Assignee and their respective successors and assigns.

Nothing in this instrument shall be deemed to create or imply any right or benefit in any Person other than Assignor, Assignee and their respective successors and assigns.

5. The parties hereto agree that any dispute arising from or relating to this Assignment or the subject matter hereof shall be resolved in accordance with, and subject to the provisions of, Section 8.3 of the Purchase Agreement.
