**U.S. TRADEMARK ASSIGNMENT**

This U.S. TRADEMARK ASSIGNMENT (this "U.S. Trademark Assignment") is made as of February 11, 2009 by GAB Robins North America, Inc. ("GAB Robins"), a Delaware corporation, having a principal place of business at 9 Campus Drive, Parsippany, NJ 07054 ("Assignor") and EFI Global, Inc. ("EFI"), a Delaware corporation, having a principal place of business at 2218 Northpark Drive, Kingwood, Texas 77339 ("Assignee").

WHEREAS, pursuant to the terms of the Equity Purchase Agreement, dated as of February 9, 2009, among Cunningham Lindsey Group Limited ("CLGL"), a Cayman Islands exempted limited company, Brera GAB International Holdings, LLC, a Delaware limited liability company and Assignor (the "Equity Purchase Agreement"), Assignor shall sell to CLGL, and CLGL shall acquire from Assignor, among other things, indirectly, all of the outstanding shares in Assignee (capitalized terms used herein without definition shall have the meanings set forth in the Equity Purchase Agreement);

WHEREAS, Assignor is the sole record and beneficial owner of the trademarks set forth on Schedule A hereto and incorporated by reference herein, which are registered in the United States Patent and Trademark Office (collectively, the "Assigned Marks");

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Assigned Marks and all of the goodwill associated therewith; and

WHEREAS, Assignee and Assignor are desirous of executing an instrument of assignment for recordation with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby irrevocably assign, transfer and deliver to Assignee all of Assignor's right, title and interest in and to the U.S. trademark registrations set forth on Schedule A, and all right, title, and interest in the Assigned Marks and the goodwill of the business connected with the use thereof and symbolized thereby; and all rights, interests, claims and demands recoverable in law or equity that Assignor has or may have in profits and damages for past, present and future infringements of the Assigned Marks, including without limitation the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives; provided, that, notwithstanding anything to the contrary herein, the Assigned Marks and the rights assigned to Assignee hereunder shall not include any rights in, or goodwill associated with, the Globe logo incorporated in any of the Assigned Marks.

From time to time after the date hereof, and for no further consideration, Assignor shall, and shall cause its respective Affiliates to, execute and deliver to Assignee such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary, or otherwise reasonably be requested by Assignee, to confirm and assure the rights and obligations provided for in this U.S. Trademark Assignment and render effective the consummation of the transactions contemplated hereby, or otherwise to carry out the intent and purpose of this U.S. Trademark Assignment, including, without limitation, all documents necessary to record, in the name of Assignee, title to the Assigned Marks with the United States Patent and Trademark Office.

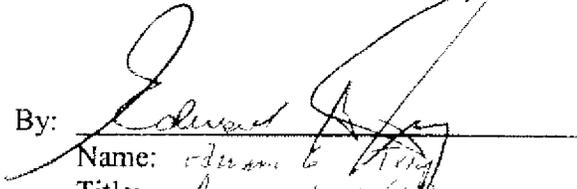

This U.S. Trademark Assignment may be executed and delivered (including by facsimile transmission or otherwise electronically) simultaneously in counterparts, each of which when executed will be deemed an original but all of which together will constitute one and the same instrument.

This U.S. Trademark Assignment shall be governed by, and construed in accordance with, the laws of the United States in respect to trademark issues, and in all other respects, including as to validity, interpretation and effect, by the internal laws of the State of New York applicable to agreements made and to be performed entirely within such State without giving effect to the principles of conflicts of law thereof or of any other jurisdiction.
