Assignment of Intellectual Property Rights

This Assignment of Intellectual Property Rights (the "Assignment") is entered into on February 19, 2009, by and between Safariland, LLC, a Delaware limited liability company ("Safariland"), and Bianchi International, a California corporation and wholly owned subsidiary of Safariland ("Bianchi").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Bianchi hereby contributes, assigns, transfers, conveys and delivers to Safariland, and Safariland hereby accepts and assumes, all of its right, title and interest in and to the patents and patent applications, registered trademarks and applications to register trademarks (the "Intellectual Property") listed on Schedule 1 attached hereto, together with all of the goodwill associated with such Intellectual Property and all rights to sue and recover for any past, present or future infringement, dilution, damage or injury (and including the right to take over and continue any and all existing suits) to any of the foregoing and collect profits or damages with respect to same, the same to be held and enjoyed hereinafter by Safariland for its own use and for the use of its successors and assigns.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed as of the date first written above.
