TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT is entered into as of March 5, 2009 (this "Assignment") by and between Sumter Utilities, LLC a Delaware corporation ("Assignor"), and Line Equipment Sales Company, Inc. a South Carolina corporation ("Assignee").

WHEREAS, Assignor is the owner of the Trademark (defined in Section 1 herein);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby grants, transfers and assigns unto Assignee: (i) all of Assignor's right, title and interest in and to the Trademark (defined herein), the same to be held and enjoyed by Assignee as fully and entirely as they would have been held by Assignor had the assignment not been made; (ii) all claims, demands and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any infringement of the Trademark prior to, on or after the date of this Assignment, together with the right to prosecute such claims, demands and rights of action in Assignee's own name; and (iii) any income, fees, royalties, damages and payments now or hereafter due and/or payable under and with respect to the Trademark, including without limitation, the right to recover for past, present or future infringements of the Trademark or unauthorized use of the same.

"Trademark" means the trademark set forth on Schedule 1 to this Assignment, and any and all renewals and extensions thereof, for the full term or terms for which the same may be granted, together with the goodwill of the businesses carried on in connection with such trademarks and service marks.

2. Miscellaneous. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective transferees, successors and assigns. If any term or provision of this Assignment is adjudged invalid or unenforceable, in whole or in part, or as applied to any circumstance, (i) the remaining terms and provisions hereof shall be unimpaired and shall remain in full force and effect, and (ii) the invalid or unenforceable provision or term shall be replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of such invalid or unenforceable term or provision. This Assignment may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute one and the same agreement.

IN WITNESS WHEREOF, each of Assignor and Assignee has caused this Assignment to be executed as of the date first written above.
