WHEREAS, pursuant to the terms and conditions of that certain Trademark Security Agreement by and between Grantor and Secured Party on or about October 2, 1986, Grantor assigned and pledged to Secured Party, and granted to Secured Party a continuing security interest in and to all of Grantor's right, title and interest in and to all trademarks, service marks, trade names, trade dress or other indicia of trade origin, trademark and service mark registrations, and applications for trademark or service mark registrations and any renewals thereof, whether owned by Grantor (collectively, the "Trademark Collateral") including, without limitation, the United States trademark registrations and applications set forth on Schedule A attached hereto (collectively, the "Trademarks");
