**THIS SECURITY AGREEMENT** is entered into between CISCOR ACQUISITIONS, LLC, an Oklahoma Limited Liability Company ("Borrower") and PEOPLES BANK ("Lender"). For valuable consideration, Borrower grants to Lender a security interest in the Collateral to secure the Indebtedness and agrees that Lender shall have the rights stated in this Agreement with respect to the Collateral, in addition to all other rights which Lender may have by law.

**RIGHT OF SETOFF.** Borrower hereby grants Lender a contractual possessory security interest in and hereby assigns, conveys, delivers, pledges, and transfers all of Borrower's right, title and interest in and to Borrower's accounts with Lender (whether checking, savings, or some other account), including all accounts held jointly with someone else and all accounts Borrower may open in the future, excluding however all IRA, Keogh, and trust accounts. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all Indebtedness against any and all such accounts.

**OBLIGATIONS OF BORROWER.** Borrower warrants and covenants to Lender as follows:

**Organization.** Borrower is a limited liability company, duly organized, validly existing, and in good standing under the laws of the State of Oklahoma.

**Authorization.** The execution, delivery, and performance of this Agreement by Borrower has been duly authorized by all necessary action by Borrower and do not conflict with, result in a violation of, or constitute a default under (a) any provision of its articles of organization, or any agreement or other instrument binding upon Borrower or (b) any law, governmental regulation, court decree, or order applicable to Borrower.

**Perfection of Security Interest.** Borrower agrees to execute such financing statements and to take whatever other actions are reasonably requested by Lender to perfect and continue Lender's security interest in the Collateral. Upon request of Lender, Borrower will deliver

to Lender any and all of the documents evidencing or constituting the Collateral, and Borrower will note Lender's interest upon any and all chattel paper if not delivered to Lender for possession by Lender. Borrower hereby appoints Lender as its irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect or to continue the security interest granted in this Agreement. Lender may at any time, and without further authorization from Borrower, file a carbon, photographic or other reproduction of any financing statement or of this Agreement for use as a financing statement. Borrower will reimburse Lender for all reasonable expenses for the perfection and the continuation of the perfection of Lender's security interest in the Collateral. Borrower promptly will notify Lender before any change in Borrower's name including any change to the assumed business names of Borrower.

**No Violation.** The execution and delivery of this Agreement will not violate any law or agreement governing Borrower or to which Borrower is a party, and its organizational and governing documents do not prohibit any term or condition of this Agreement.

**Enforceability of Collateral.** To the extent the Collateral consists of accounts, contract rights, chattel paper, or general intangibles, the Collateral is enforceable in accordance with its terms, is genuine, and complies with applicable laws concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or theretofore shipped or delivered pursuant to a contract of sale, or for services theretofore performed by Borrower with or for the account debtor; there shall be no setoffs or counterclaims against any such account; and no agreement under which any deductions or discounts may be claimed shall have been made with the account debtor except those disclosed to Lender in writing.

**Removal of Collateral.** Borrower shall keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts, the records concerning the Collateral) at Borrower's address shown above, or at such other locations as are acceptable to Lender. Except in the ordinary course of its business, including the sales of inventory, Borrower shall not remove the Collateral from its existing locations without the prior written consent of Lender. To the extent that the Collateral consists of vehicles, or other titled property, Borrower shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Texas, without the prior written consent of Lender.

**Transactions Involving Collateral.** Except for inventory sold or accounts collected in the ordinary course of Borrower's business, Borrower shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. Borrower shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the

security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Borrower shall immediately deliver any such proceeds to Lender.

**Title.** Borrower represents and warrants to Lender that it holds good title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement, or to which Lender has specifically consented. Borrower shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

**Collateral Schedules and Locations.** As often as Lender shall reasonably require, and insofar as the Collateral consists of accounts and general intangibles, Borrower shall deliver to Lender schedules of such Collateral, including such information as Lender may require, including without limitation names and addresses of account debtors and agings of accounts and general intangibles. Insofar as the Collateral consists of equipment, Borrower shall deliver to Lender, as often as Lender shall require, such lists, descriptions, and designations of such Collateral as Lender may require to identify the nature, extent, and location of such Collateral. Such information shall be submitted for Borrower and each of its subsidiaries or related companies.

**Maintenance and Inspection of Collateral.** Borrower shall maintain all tangible Collateral in good condition and repair. Borrower will not commit or permit damage to or destruction of the Collateral or any part of the Collateral. Lender and its designated representatives and agents shall have the right at all reasonable times to examine, inspect, and audit the Collateral wherever located. Borrower shall immediately notify Lender of all cases involving the return, rejection, repossession, loss or damage of or to any Collateral; of any request for credit or adjustment or of any other dispute arising with respect to the Collateral; and generally of all happenings and events affecting the Collateral or the value or the amount of the Collateral.

**Taxes, Assessments and Liens.** Borrower will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the Indebtedness, or upon any of the other Loan Documents. Borrower may withhold any such payment or may elect to contest any lien if Borrower is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Borrower shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorneys' fees or other charges that could accrue as a result of foreclosure or sale of the Collateral. In any contest Borrower shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Borrower shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

**Maintenance of Casualty Insurance.** To the extent an insurable interest exists, Borrower shall procure and maintain all risks insurance, including without limitation, fire, theft and liability coverage, together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender. In connection with all policies covering assets in which Lender holds or is offered a security interest, Borrower will provide Lender with such loss payable or other endorsements as Lender may require.

**Application of Insurance Proceeds.** Borrower shall promptly notify Lender of any loss or damage to the Collateral. Lender may make proof of loss if Borrower fails to do so within fifteen days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as a part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Borrower from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the Indebtedness, and shall pay the balance to Borrower. Any proceeds which have not been disbursed within six months after their receipt and which Borrower has not committed to the repair or restoration of the Collateral shall be used to prepay the Indebtedness.

**BORROWER'S RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS.** Until default and except as otherwise provided below with respect to accounts, Borrower may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Loan Documents, provided that Borrower's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Until otherwise notified by Lender, Borrower may collect any of the Collateral consisting of accounts. At any time and even though no Event of Default exists, Lender may exercise its rights to collect the accounts and to notify account debtors to make payments directly to Lender for application to the Indebtedness. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Borrower shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Borrower shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Collateral.

**EXPENDITURES BY LENDER.** If not discharged or paid when due, Lender may (but shall not be obligated to) discharge or pay any amounts required to be discharged or paid by Borrower under this Agreement, including without limitation all taxes, liens, security interests, encumbrances, and other claims, at any time levied or placed on the Collateral. Lender also may (but shall not be obligated to) pay all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the Note rate from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses shall become a part of the Indebtedness and, at Lender's option, will (a) be payable on demand, (b)

be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Note, or (c) be treated as a balloon payment which will be due and payable at the Note's maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of an Event of Default.

**EVENTS OF DEFAULT.** The occurrence of any of the following events, shall constitute an Event of Default under this Agreement (Borrower waives all requirements of presentment, demand for payment, protest, notice of dishonor, notice of intent to accelerate, and notice of acceleration):

**Default on Indebtedness.** Failure of Borrower to make any payment when due on the Indebtedness.

**Other Defaults.** Failure of Borrower to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Loan Documents or in any other agreement between Lender and Borrower.

**False Statements.** Any warranty, representation or statement made or furnished to Lender by or on behalf of Borrower under this Agreement is false or misleading in any material respect, either now or at the time made or furnished.

**Defective Collateralization.** This Agreement or any of the Loan Documents ceases to be in full force and effect (including failure of any collateral documents to create a valid and perfected security interest or lien) at any time and for any reason, other than Lender's failure to take any action required of Lender to maintain the validity and effectiveness of any security interest or lien granted herein.

**Insolvency.** The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against the Collateral or any other collateral securing the Indebtedness. This includes a garnishment of any of Borrower's deposit accounts with Lender.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or such Guarantor dies or becomes incompetent.

**Insecurity.** Lender, in good faith, deems itself insecure.

**RIGHTS AND REMEDIES ON DEFAULT.** If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Texas Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

**Accelerate Indebtedness.** Lender may declare the entire Indebtedness immediately due and payable, without notice.

**Assemble Collateral.** Lender may require Borrower to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Borrower to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter, provided Lender does so without a breach of the peace or a trespass, upon the property of Borrower to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Borrower agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Borrower after repossession.

**Sell the Collateral.** Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of Borrower. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Borrower reasonable notice of the time after which any private sale or any other intended disposition of the Collateral is to be made. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

**Appoint Receiver.** To the extent permitted by applicable law, Lender shall have the following rights and remedies regarding the appointment of a receiver: (a) Lender may have a receiver appointed as a matter of right, (b) the receiver may be an employee of Lender and may serve without bond, and (c) all fees of the receiver and his or her attorney shall become part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

**Collect Revenues, Apply Accounts.** Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in its discretion transfer any Collateral into its own name or that of its nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due.

For these purposes, Lender may, on behalf of and in the name of Borrower, receive and open mail addressed to Borrower; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

**Obtain Deficiency.** If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Borrower for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Borrower shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

**Other Rights and Remedies.** Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

**Cumulative Remedies.** All of Lender's rights and remedies, whether evidenced by this Agreement or the Loan Documents or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Agreement after Borrower's failure to perform, shall not affect Lender's right to declare a default and to exercise its remedies.

**MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Agreement:

**Amendments.** This Agreement, together with any Loan Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

**Applicable Law.** This Agreement has been delivered to Lender and accepted by Lender in the State of Texas. If there is a lawsuit, and if the transaction evidenced by this Agreement occurred in Lubbock County, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of LUBBOCK County, State of Texas. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas and applicable federal laws.

**Attorneys' Fees and Other Costs.** Lender may hire an attorney to help collect the Note if Borrower does not pay, and Borrower will pay Lender's reasonable attorneys' fees. Borrower also will pay Lender all other amounts actually incurred by Lender as court costs, lawful fees for filing, recording, or releasing to any public office any instrument securing the Note; the reasonable cost actually expended for repossessing, storing, preparing for sale, and selling any security.

**Caption Headings.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

**Multiple Parties.** All obligations of Borrower under this Agreement shall be joint and several, and all references to Borrower shall mean each and every Borrower. This means that each of the persons signing below is responsible for all obligations in this Agreement.

**Notices.** All notices required to be given under this Agreement shall be given in writing and shall be effective when actually delivered or when deposited with a nationally recognized overnight courier or deposited in the United States mail, first class, postage prepaid, addressed to the party to whom the notice is to be given at the address shown above. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. To the extent permitted by applicable law, if there is more than one Borrower, notice to any Borrower will constitute notice to all Borrowers. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address(es).

**Power of Attorney.** Borrower hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following: (a) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (b) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (c) to settle or compromise any and all claims arising under the Collateral, and, in the place and stead of Borrower, to execute and deliver its release and settlement for the claim; and (d) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Borrower, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

**Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

**Successor Interests.** Subject to the limitations set forth above on transfer of the Collateral, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns.

**Waiver.** Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver

of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, shall constitute a waiver of any of Lender's rights or of any of Borrower's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

**Duration of Security Interest.** The security interest granted to Lender by Borrower pursuant to this Agreement shall remain in effect as long as any part of the Indebtedness remains unpaid, and upon payment in full of the Indebtedness said security interest shall terminate.

**SBA Notices:** The Loan secured by this lien was made under a United States Small Business Administration ("SBA") nationwide program which uses tax dollars to assist small business owners. If the United States is seeking to enforce this document, then under SBA regulations:

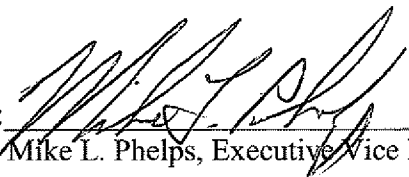

- a. When SBA is the holder of the Note, this document and all documents evidencing or securing this Loan will be construed in accord with federal law.
- b. Lender or SBA may use local or state procedures for purposes such as filing papers, recording documents, giving notice, foreclosing liens, and other purposes. By using these procedures, SBA does not waive any federal immunity from local or state control, penalty, tax or liability. No Borrower or Guarantor may claim or assert against SBA any local or state law to deny any obligation of Borrower, or to defeat any claims of SBA with respect to this Loan.

Any clause in this document requiring arbitration is not enforceable when SBA is the holder of the Note secured by this instrument.

DATED this 19th day of March, 2009.
