TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*") dated as of September 20, 2007 (the "*Effective Date*"), is made by and between Swagelok Company of 29500 Solon Road, Solon, Ohio 44139 ("*Assignee*"), and Airmo, Inc. of 9445 Evergreen Blvd, Minneapolis, MN 55433, ("*Assignor*").

WHEREAS, Assignor is the owner of the Application Serial No. 78/897141, for the mark "SWAGETEK," for goods in International Class 7 (the "*Trademark*").

NOW, THEREFORE, for good and valuable consideration (including the promises and covenants set forth in the Confidential Settlement Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Assignor hereby irrevocably sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in and to the Trademark, any foreign counterparts or equivalents thereto, existing now or in the future for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, along with any and all goodwill associated with the Trademark, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademark, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademark and issue any and all trademark registrations issued thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Assignor shall provide Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation) as may be reasonably required in the implementation or perfection of this Assignment.

This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be duly executed as of the date first above written.
