AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This Amended and Restated Trademark Security Agreement (the "Agreement"), dated as of March 30, 2009, is made by and between Ronson Corporation, a New Jersey Corporation ("Debtor"), having a business location at the address set forth below next to its signature, and Wells Fargo Bank, National Association ("Wells Fargo"), and having a business location at the address set forth below next to its signature.

Recitals

A. Debtor, together with certain of its Affiliates (collectively and individually, the "Company") and Wells Fargo are parties to a Credit and Security Agreement dated May 30, 2008 (as amended, supplemented or restated from time to time, the "Credit Agreement") setting forth the terms on which Wells Fargo may now or hereafter extend credit to or for the account of the Borrowers (as such term is defined in the Credit Agreement).

B. As a condition to extending credit to or for the account of Borrowers, Wells Fargo required that the Debtor execute and deliver that certain Trademark Security Agreement dated May 30, 2008 (the "Original Agreement") and recorded with the United States Patent and Trademark Office on July 18, 2008.

C. Debtor and Wells Fargo have determined to amend and restate the Original Agreement in its entirety on the terms and conditions set forth herein.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree that the Original Agreement is amended and restated as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Credit Agreement that are not otherwise defined herein shall have the meanings given to them in the Credit Agreement. In addition, the following terms have the meanings set forth below:

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of Debtor's right, title and interest in and to:

- (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each,
- (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, and (iv) licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit A.

2. Security Interest. Debtor hereby irrevocably pledges and assigns to, and grants Wells Fargo a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Trademarks to secure payment of the Indebtedness (as such term is defined in the Guaranty). As set forth in the Credit Agreement, the Security Interest is coupled

with a security interest in substantially all of the personal property of Debtor. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060. Debtor acknowledges that the Security Interest granted to Wells Fargo pursuant to this Section 2 is and continues to be a first lien upon the Trademarks. This Agreement is not intended to create a new relationship between Wells Fargo and Debtor, but rather to restate and supplement the terms, conditions, and provisions of an existing relationship. The provisions of this Section 2 shall be deemed to ratify the existing security interest of the Lender in the Trademarks to the extent such security interest existed prior to the date hereof, and to create a security interest to the extent that no security interest therein existed in favor of Wells Fargo.

3. Representations, Warranties and Agreements. Debtor represents, warrants and agrees as follows:

(a) **Existence; Authority.** Debtor is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation, and this Agreement has been duly and validly authorized by all necessary corporate action on the part of Debtor.

(b) **Trademarks.** Exhibit A accurately lists all Trademarks owned or controlled by Debtor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof, provided, however, that Exhibit A need not list common law marks (i.e., Trademarks for which there are no applications or registrations). If after the date hereof, Debtor owns or controls any Trademarks not listed on Exhibit A (other than common law marks), or if Exhibit A ceases to accurately reflect the existence of applications and registrations pertaining to the Trademarks, then Debtor shall promptly provide written notice to Wells Fargo with a replacement Exhibit A, which upon acceptance by Wells Fargo, which shall not be unreasonably withheld, shall become part of this Agreement.

(c) **Title.** Debtor has absolute title to each Trademark listed on Exhibit A, free and clear of all Liens except Permitted Liens. Debtor (i) will have, at the time Debtor acquires any rights in Trademarks hereafter arising, absolute title to each such Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Trademarks free and clear of all Liens except Permitted Liens.

(d) **No Sale.** Except as permitted in the Credit Agreement, Debtor will not assign, transfer, encumber or otherwise dispose of the Trademarks, or any interest therein, without Wells Fargo's prior written consent.

(e) **Defense.** Debtor will at its own expense and using commercially reasonable efforts, protect and defend the Trademarks against all claims or demands of all Persons other than those holding Permitted Liens.

(f) **Maintenance.** Debtor will at its own expense maintain the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain trademark registrations and all affidavits, maintenance fees, annuities, and renewals possible with respect to trademark registrations and applications therefor. Debtor covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Trademark, nor fail to file any required affidavit or renewal in support thereof, without first providing Wells Fargo: (i) sufficient written notice, of at least 30 days, to allow Wells Fargo to timely pay any such maintenance fees or annuities which may become due on any Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(g) **Wells Fargo's Right to Take Action.** If Debtor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after Wells Fargo gives Debtor written notice thereof (or, in the case of the agreements contained in subsection (f), immediately upon the occurrence of such failure, without notice or lapse of time), or if Debtor notifies Wells Fargo that it intends to abandon a Trademark, Wells Fargo may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of Debtor (or, at Wells Fargo's option, in Wells Fargo's own name) and may (but need not) take any and all other actions which Wells Fargo may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(h) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, Debtor shall pay Wells Fargo on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Wells Fargo in connection with or as a result of Wells Fargo's taking action under subsection (g) or exercising its rights under Section 6, together with interest thereon from the date expended or incurred by Wells Fargo at the Default Rate.

(i) **Power of Attorney.** To facilitate Wells Fargo's taking action under subsection (g) and exercising its rights under Section 6, Debtor hereby irrevocably appoints (which appointment is coupled with an interest) Wells Fargo, or its delegate, as the attorney-in-fact of Debtor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of Debtor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by Debtor under this Section 3, or, necessary for Wells Fargo, after an Event of Default, to enforce or use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Trademarks to any third party. Debtor hereby

ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein shall terminate upon the termination of the Credit Agreement as provided therein and the payment and performance of all Indebtedness.

4. Debtor's Use of the Trademarks. Debtor shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling items covered by the Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and remains uncured.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): (a) an Event of Default, as defined in the Credit Agreement, shall occur; or (b) Debtor shall fail promptly to observe or perform any covenant or agreement herein binding on it and such breach is not cured within five (5) Business Days of the date that the Debtor knew, or should have known, of such breach; or (c) any of the representations or warranties contained in Section 3 shall prove to have been incorrect in any material respect when made.

6. Remedies. Upon the occurrence of an Event of Default and at any time thereafter, Wells Fargo may, at its option, take any or all of the following actions:

(a) Wells Fargo may exercise any or all remedies available under the Credit Agreement and Guaranty.

(b) Wells Fargo may sell, assign, transfer, pledge, encumber or otherwise dispose of the Trademarks.

(c) Wells Fargo may enforce the Trademarks and any licenses thereunder, and if Wells Fargo shall commence any suit for such enforcement, Debtor shall, at the request of Wells Fargo, do any and all lawful acts and execute any and all proper documents required by Wells Fargo in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Wells Fargo. A waiver signed by Wells Fargo shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Wells Fargo's rights or remedies. All rights and remedies of Wells Fargo shall be cumulative and may be exercised singularly or concurrently, at Wells Fargo's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtor under this Agreement shall be given in the manner and with the effect provided in the Credit Agreement. Wells Fargo shall not be obligated to preserve any rights Debtor may have against prior parties, to realize on the Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Debtor and Wells Fargo and their respective participants,

successors and assigns and shall take effect when signed by Debtor and delivered to Wells Fargo, and Debtor waives notice of Wells Fargo's acceptance hereof. Wells Fargo may execute this Agreement if appropriate for the purpose of filing, but the failure of Wells Fargo to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by Debtor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of New York without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the indebtedness.
