ASSIGNMENT OF TRADEMARK APPLICATIONS

This ASSIGNMENT OF TRADEMARK APPLICATIONS ("Assignment"), entered into on March 20, 2009, by and between Strongbow, Inc., an Illinois corporation, having its principal place of business at 320 West 194th Street, Glenwood, Illinois 60425 ("Assignor"), and Nalco Crossbow Water, LLC, a Delaware limited liability company, having its principal place of business at 320 West 194th Street, Glenwood, Illinois 60425 ("Assignee").

WHEREAS, Assignor has used, adopted, or acquired rights to the United States trademark applications identified in Schedule A attached hereto and made a part of this Assignment, including all registrations and rights to sue and recover for past infringement; and

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to the trademark applications identified in Schedule A.

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer, and convey to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to:

the United States trademark applications identified in Schedule A and all common law rights that may exist therefor; together with the goodwill of the business in connection with which such trademarks are used, and with any and all renewals and extensions of the registrations for the trademarks that may be secured under the laws now or hereafter in effect in the United States and in other countries;

all income, royalties, damages, and payments hereafter due or payable to the Assignor with respect to the trademarks, including without limitation unpaid damages and payments for past, present, and future infringements; and

all rights to sue and recover damages and payments for past, present, and future infringements or dilution of any of the trademarks, including the right to fully and entirely replace the Assignor in all related matters.

This Assignment is delivered pursuant to and is subject to the terms and conditions of the Asset Purchase Agreement.
