RECITALS

WHEREAS, the Grantors, Diamlink Inc., a New York corporation, Diamlink Jewelry Inc., a New York corporation (collectively, the "Borrowers"), the Administrative Agent, the other Loan Parties thereto and the Lenders party thereto (the "Lenders") have entered into a Credit Agreement, dated as of date hereof (as it may be amended or modified from time to time, the "Credit Agreement").

WHEREAS, each of the Grantors, the other Borrowers, and the Administrative Agent have entered into a Security Agreement, dated as of date hereof (as it may be amended or modified from time to time, the "Security Agreement") in order to induce the Lenders to enter into and extend credit to the Grantors and the other Borrowers under the Credit Agreement and to secure the Obligations (as such term is defined in the Credit Agreement).

WHEREAS, each of the Grantors have entered into this Agreement in conjunction with the grant of its security interest under the Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lenders to enter into the Credit Agreement, the Grantors hereby agree with the Administrative Agent, on behalf of the Lenders, and for the ratable benefit of the Lenders, as follows:

SECTION 1. Definitions.

(a) Defined Terms in the Security Agreement. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meanings given to them in the Security Agreement.

(b) Definitions in this Agreement. The following terms, as used in this Agreement, have the following meanings:

"Goodwill" shall mean, collectively, with respect to each Grantor, the goodwill connected with such Grantor's business including all goodwill connected with (i) the use of and symbolized by any Trademark or Intellectual Property with respect to any Trademark in which such Grantor has any interest, (ii) all know-how, trade secrets, customer and supplier lists, proprietary information, inventions, methods, procedures, formulae, descriptions, compositions, technical data, drawings, specifications, name plates, catalogs, confidential information and the right to limit the use or disclosure thereof by any Person, pricing and cost information, business and marketing plans and proposals, consulting agreements, engineering contracts and such other assets which relate to such goodwill and (iii) all product lines of such Grantor's business.

"Proceeds" shall have the meaning set forth in Article 9 of the UCC.

“Trademarks” shall mean, collectively, with respect to each Grantor, all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locations (URL’s), domain names, corporate names and trade names, whether registered or unregistered, owned by or assigned to such Grantor and all registrations and applications for the foregoing (whether statutory or common law and whether established or registered in the United States or any other country or any political subdivision thereof), together with any and all (i) rights and privileges arising under applicable law with respect to such Grantor’s use of any trademarks, (ii) reissues, continuations, extensions and renewals thereof and amendments thereto, (iii) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present and future infringements thereof.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantors hereby pledge and grant to the Administrative Agent for the benefit of the Lenders, a lien on and security interest in and to all of such Grantor’s right, title and interest in, to and under all the following property, in each case wherever located and whether now owned or existing or hereafter owned, arising or acquired from time to time (collectively, the “Pledged Trademark Collateral”):

- (a) all Trademarks listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent, on behalf of and for the ratable benefit of the Lenders, pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent, on behalf of the Lenders, with respect to the security interest in the Pledged Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the commitments under the Credit Agreement and payment in full of the Obligations in cash, the Administrative Agent, on behalf of the Lenders, shall execute, acknowledge, and deliver to each of the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Pledged Trademark Collateral under this Agreement.

SECTION 5. Power of Attorney. Concurrently with the execution and delivery hereof, each Grantor shall execute and delivery to the Administrative Agent, for the ratable benefit of the Lenders, in the form of Exhibit A hereto, five (5) originals of a Special Power of Attorney for the implementation of the assignment, sale or other disposal of the Pledged Trademark Collateral pursuant to the Security Agreement. The Administrative Agent hereby agrees that it shall not exercise the rights granted in such Special Power of Attorney prior to an Event of Default. Each Assignor hereby releases the Administrative Agent from any claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Administrative Agent under the powers of

attorney granted therein, other than actions taken or omitted to be taken through the bad faith, willful misconduct or gross negligence of the Administrative Agent, as determined by a final, non-appealable order of a court of competent jurisdiction.
