GENERAL ASSIGNMENT AGREEMENT

THIS GENERAL ASSIGNMENT AGREEMENT (the "Assignment") is made as of March 24, 2009 by and between Indy Audio Labs, L.L.C. an Indiana limited liability company ("Indy Audio") and Kllpeck, L.L.C. an Indiana limited liability company ("LLC").

WHEREAS, LLC agreed to sell to Indy Audio certain assets, including Intellectual Property (hereinafter defined), together with the goodwill of the business symbolized thereby, pursuant to a certain Letter Agreement dated December 19, 2008, as amended ("Asset Agreement"); and

WHEREAS, LLC has this day transferred all of its right, title and interest in the Intellectual Property to Indy Audio; and

WHEREAS, Indy Audio, with its principal offices at 15561 Declaration Drive, Westfield, IN 46074 is desirous of acquiring such Intellectual Property and all rights thereto, together with the goodwill of the business symbolized by the Intellectual Property;

WHEREAS, among other reasons, the parties hereto are desirous of executing a document for purposes of recording with the United States Patent and Trademark Office recording title in and to the Intellectual Property consisting of U.S. trademarks in the name of IAL; and

WHEREAS, the parties desire to execute this Assignment to effectuate the transfer of the registered trademarks listed on Exhibit A (the "Intellectual Property");

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. **Transfer of Rights.** LLC hereby assigns to Indy Audio all right, title and interest in and to the Intellectual Property, together with the goodwill of the business as symbolized by said marks, and any registrations therefor.
2. **LLC Power of Attorney.** Pursuant to the transfer of the rights to the Intellectual Property in Section 1 above, LLC hereby appoints Indy Audio its attorney and agent for it and in its name, place and stead, with full power of substitution and revocation, to do any and all things and acts necessary in connection with asserting Indy Audio's ownership rights to the Intellectual Property, including, but not limited to, recording assignments, prosecuting applications, filing the necessary papers for a change in name of any registration or application and making the necessary renewal, maintenance and application payments.

TO: MARY JANE FRISBY COMPANY: 11 SOUTH MERIDIAN STREET

3. **LLC Assurances.** LLC agrees to execute any additional documents necessary for the transfer of ownership of the Intellectual Property to Indy Audio and for the protection of the Intellectual Property by Indy Audio, particularly in the event any of the countries in which the Intellectual Property is protectable deems the power of attorney in Section 2 above unacceptable for any reason. The preparation of any such additional documents will be the responsibility of Indy Audio.
4. **"As Is".** As reflected in the Asset Agreement, the transfer of the Intellectual Property is a transfer of whatever interest LLC may have in the Intellectual Property without warranty except as specifically reflected in Section 1 of the Asset Agreement. Any filing fees or other costs to transfer the Intellectual Property shall be the responsibility of Indy Audio.
5. **Notice.** Notices and written statements required under this Agreement shall be deemed to have been given upon mailing, postpaid, or by facsimile to the recipient party at the address specified earlier in the Asset Agreement or at such other address as may from time to time be designated in writing to the other party.
6. **Severability.** Should any provision of this Agreement in any way violate any law, such provision shall be deemed deleted but the remainder of the Agreement shall remain in full force and effect.
7. **Governing Law.** This Agreement shall be construed, interpreted and applied in accordance with the laws of the State of Indiana.
