## TRADEMARK ASSIGNMENT

TRADEMARK ASSIGNMENT, dated as of April 29, 2009 (this "Assignment"), by and between Neuberger Berman LLC, a Delaware limited liability company (the "Assignor"), and Lehman Brothers Asset Management, Inc., a Delaware corporation (the "Assignee").

### W I T N E S S E T H :

WHEREAS, Assignee, certain of its Affiliates and other parties have entered into a Transaction Agreement, dated as of April 23, 2009 ("Transaction Agreement"), providing for, among other things, the transfer of certain Transferred Assets by Assignee (the "LibertyView Transaction"), as more fully described in the Transaction Agreement and upon the terms and conditions set forth therein;

WHEREAS, in preparation for the consummation of the LibertyView Transaction, Assignor desires to convey and transfer to Assignee, and Assignee desires to acquire and assume from Assignor its rights to a trademark owned by Assignor;

WHEREAS, Assignor wishes to confirm Assignee's ownership of that trademark and assign to Assignee any right, title and interest that Assignor may have in and to the trademark registrations listed on the attached Schedule A (the "Assigned Trademark");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

1. Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee any and all worldwide right, title and interest Assignor holds, or may hold, in and to the Assigned Trademark and the goodwill of the business in connection with which said mark is used and which is symbolized by said mark, together with all rights derived therefrom, including statutory, common law and contractual rights, in, to and under the Assigned Trademark, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors and assigns to the end of the term for which the Assigned Trademark is granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, and in and to all income, royalties, damages and payments now or hereafter due or payable with respect to the Assigned Trademark, including in and under all causes of action (either in law or in equity), and the right to sue, counterclaim, and recover for past, present and future infringement of the rights assigned under this Assignment.
2. Each party will take any and all actions, including the execution of certificates, documents or instruments, necessary or appropriate to give effect to the terms and conditions set forth in this Assignment. Without limiting the foregoing, the Assignor will execute all documents and assist in all proceedings necessary to perfect, register, or record the rights of the Assignee to the Assigned Trademark with the relevant authority at the United States Patent and Trademark Office and/or the applicable foreign authorities. If Assignor does not, within 15 days of presentment, return the requested executed documents, then Assignee is hereby granted a limited power of attorney to execute such

documents on behalf of Assignor. This power of attorney is coupled with an interest and is irrevocable.

3. This Assignment and any of the provisions hereof may not be amended or modified except by a document in writing and signed by each party hereto.
4. This Assignment is binding upon and inures to the benefit of the parties hereto and their respective successors and assigns. This Assignment and the rights and obligations of the parties hereunder shall be governed by, and construed in accordance with the laws of the State of New York.
5. This Assignment (including any exhibits and schedules attached hereto) represents the entire understanding and agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings between the parties hereto with respect to such subject matter.
6. This Assignment may be executed (including by facsimile transmission) with counterpart signature pages or in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument and shall become effective when counterpart signature pages or counterparts have been signed by each party hereto and delivered to the other party hereto.
