INTELLECTUAL PROPERTY SECURITY AGREEMENT

This is an Intellectual Property Security Agreement dated as of March 19, 2009 (the "*IP Security Agreement*") between Intelliden, Inc., a Delaware corporation, having its principal place of business at 90 South Cascade Avenue, Colorado Springs, CO 80903 ("*Debtor*") and the parties listed on the Schedule of Secured Parties attached to this IP Security Agreement as Exhibit A, as the same may be supplemented in accordance with Section 5.9 of the Security Agreement made applicable by paragraph 3 below (individually a "*Secured Party*" and collectively the "*Secured Parties*").

RECITALS

A. The Secured Parties have advanced funds to the Company in exchange for the issuance to the Secured Parties of certain subordinated secured demand promissory notes evidencing the Company's obligation to repay the Secured Parties' loans of such advanced funds.

B. The parties have agreed that Company's obligations under such subordinated secured demand promissory notes will be secured by Company's grant to the Secured Parties of a security interest in and to certain collateral, pursuant to the terms and conditions of this IP Security Agreement.

C. Pursuant to the terms of the Security Agreement of even date herewith by and between the Debtor and the Secured Parties (the "*Security Agreement*"), Debtor has granted to the Secured Parties a security interest in all of Debtor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral, including without limitation the Intellectual Property Collateral (defined below).

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of all indebtedness (defined below), Debtor hereby represents, warrants, covenants, and agrees as follows:

AGREEMENT

1. As security for payment and performance of all indebtedness (as defined below) of the Company to each of the Secured Parties when and as due, the Company hereby grants to each of the Secured Parties a security interest in all of Debtor's right, title and interest in, to and under its now owned and hereafter acquired intellectual property, including without limitation all items listed on Schedule A and Schedule B hereto, together with all goodwill of the business symbolized by the trademarks, the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof, and all proceeds of each of the foregoing (including, without limitation, all license royalties and proceeds of infringement suits) (collectively the "*Intellectual Property Collateral*"). For purposes of this IP Security Agreement, "*Indebtedness*" means all loans, advances, principal, debts, interest, expenses, premiums, liabilities and obligations, howsoever arising, owed by Company to the Secured Parties of every kind and description (whether or not evidenced by any note or instrument and whether or not for the payment of money), now existing or hereafter arising under or pursuant to the terms of those certain subordinated secured convertible demand promissory notes issued to the Secured Parties on or within fifteen (15) days following hereof (the "*Bridge Notes*"), this IP Security Agreement, the Security Agreement, and the other documents executed in connection therewith, including without limitation all interest, fees, charges, expenses, attorneys' fees and costs and accountants' fees and costs chargeable to and payable by Company hereunder and thereunder, in each case, whether direct or indirect, absolute or contingent, due or to become due, and whether or not arising after the commencement of a proceeding under Title 11 of

the United States Code (11 U.S.C. Section 101 *et seq.*), as amended from time to time (including post-petition interest) and whether or not allowed or allowable as a claim in any such proceeding.

2. This security interest is granted in conjunction with, and not in replacement of, the security interest granted to the Secured Parties under the Security Agreement. The rights and remedies of the Secured Parties with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the Bridge Notes, and those which are now or hereafter available to the Secured Parties as a matter of law or equity. Each right, power and remedy of the Secured Parties provided herein or in the Security Agreement or any related documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Secured Party of any one or more of the rights, powers or remedies provided for in this IP Security Agreement, the Security Agreement, the Bridge Notes, or any of related documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Secured Party, of any or all other rights, powers or remedies.

3. The provisions of Sections 2.1, 4.1, 4.2, 4.3, 4.4, 4.5, 5.2, 5.3, 5.4, 5.5, 5.6, 5.7, 5.8, 5.9, and 5.10 of the Security Agreement shall also govern this IP Security Agreement, *mutatis mutandis*, and are incorporated herein by reference.

SCHEDULE "A" TO IP SECURITY AGREEMENT
INTELLECTUAL PROPERTY COLLATERAL

The Intellectual Property Collateral shall include, without limitation all of the following, whether now owned or hereafter acquired by the Debtor:

- (a) any and all copyrights, copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and deviation work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held;
- (b) any and all patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same;
- (c) any and all trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of the Debtor connected with or symbolized by such trademarks;
- (d) any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;
- (e) any and all design rights which may be available to the Debtor now or hereafter existing, created, acquired or held;
- (f) any and all claims for damages by any of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for or collect such damages for said use or infringement of the intellectual property rights identified above;
- (g) all licenses or other rights to use any of the intellectual property rights identified above, and all license fees and royalties arising from such use to the extent permitted by such license or rights;
- (h) all amendments, renewals and extensions of any of the intellectual property rights identified above; and
- (i) all proceeds and products of the foregoing, including, without limitation, all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.
