TRADEMARK ASSIGNMENT AGREEMENT

WHEREAS, Velcon Filters, Inc., a corporation organized and existing under the laws of the State of California (hereinafter referred to as "*Assignor*"), owns the trademark applications and registrations listed on **Exhibit A**, which is attached hereto (the "*Marks*"); and

WHEREAS, Velcon Filters, LLC, a limited liability company organized and existing under the laws of State of Delaware, with its principal place of business at 1210 Garden of the Gods Road, Colorado Springs CO 80907 (hereinafter referred to as "*Assignee*"), wishes to acquire Assignor's entire right, title and interest in and to the Marks, including the applications and registrations for the Marks set forth on **Exhibit A**.

NOW, THEREFORE, in consideration of the mutual covenants, agreements and understandings herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Assignor, the parties hereto agree as follows:

1. Assignor has sold, assigned and transferred, and does hereby sell, assign, transfer and sell unto Assignee, its successors and assigns, all of Assignor's right, title and interest, including common law rights in the United States of America and all other countries and jurisdictions of the world (to the extent such common law rights exist in such other countries and jurisdictions) in and to the Marks, together with the goodwill of the business symbolized by said Marks, the portion of the business of Assignor to which any intent-to-use application pertains, and the applications and registrations for the Marks set forth on **Exhibit A**, including all rights to seek and obtain injunctive relief and to recover damages for past, present and future infringement of the Marks.

2. Assignor hereby authorizes and requests the Commissioner for Trademarks of the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries and jurisdictions, to record Assignee as the assignee and owner of the Marks registered in the corresponding jurisdiction.

3. The parties agree (a) to use all commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective the transactions contemplated by this Agreement and (b) to execute any documents, instruments or conveyances of any kind which may be reasonably necessary or advisable to carry out any of the transactions contemplated hereunder.

4. This Agreement shall be effective as of the date set forth below and shall be binding on the successors and assigns of Assignor and shall inure to the benefit of the successors and assigns of Assignee.
