TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment"), is by and between **Goodrich Corporation**, a New York corporation (formerly The B.F. Goodrich Company) (the "Assignor"), and **Maverick Composites Company**, an Ohio corporation (the "Assignee").

Background Statement

Assignor is a party to that certain Asset Purchase Agreement between Assignor and Assignee dated as of October 20, 2006 (the "Purchase Agreement"), whereby Assignee has agreed to purchase, and Assignor has agreed to sell, certain assets used in the Business (as defined in the Purchase Agreement). In connection with the Purchase Agreement, Assignor and Assignee have agreed to enter into this Assignment.

Statement of Agreement

In consideration of the premises and for other good and valid consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

Assignor does hereby assign, convey, transfer and deliver to Assignee, Assignor's entire right, title and interest to United States Trademark Registration No. 2,246,759, SUPERIMIDE, together with the goodwill of the business symbolized by such trademark (the "Assigned Trademark").

Assignor further agrees that, upon Assignee's request, Assignor will, without charge to Assignee, but at Assignee's expense, sign all necessary papers, take all rightful oaths, and do all other acts that may be reasonably necessary to reflect the assignment of the Assigned Trademark to Assignee.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

This Assignment shall be governed by, and construed and interpreted in accordance with, the laws of the State of North Carolina without regard to the principles of conflicts of laws. This Assignment may be modified only in writing executed by authorized representatives of both parties.

If for any reason any of the provision, or portion thereof, of this Assignment is held by a court of competent jurisdiction to be invalid, illegal or unenforceable, such provision, or portion thereof, will be deemed modified to the minimum extent necessary to make such provision consistent with applicable law and the remaining portions of this Assignment will not be affected and will be valid and enforceable.

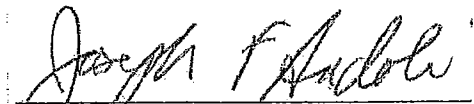

This Assignment and the Purchase Agreement constitute the entire agreement between the parties regarding the Assigned Trademark and supersedes all prior agreements and negotiations, either written or oral, expressed or implied regarding the subject matter hereof. Any representation, promise or condition relating to the Assigned Trademark not contained or incorporated herein or in the Purchase Agreement will not be binding upon either party.

[The remainder of this page is left blank intentionally.]

IN WITNESS WHEREOF, the parties have caused this Assignment to be executed by their duly authorized representatives as of the 20th day of October, 2006.
