**GRANT OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY**

THIS GRANT OF SECURITY INTEREST, dated as of May18, 2009, is executed by Digital Mandate, LLC, a New York limited liability company (together with its successors and assigns, "Debtor"), in favor of Renew Data Corporation ("Secured Party").

Recitals

- A. Reference is made to the Security Agreement, dated as of the date hereof (as amended from time to time, the "Security Agreement"), by and among Debtor, and Secured Party;
- B. Debtor owns the copyrights registered in the United States Copyright Office, more particularly described on Schedule A annexed hereto as part hereof (collectively, the "Copyrights");
- C. Debtor owns the letters patent, and/or applications for letters patent, of the United States, also more particularly described on Schedule A annexed hereto as part hereof (collectively, the "Patents");
- D. Debtor has adopted, used and is using the trademarks, also more particularly described on Schedule A annexed hereto as part hereof, which trademarks are registered or subject to an application for registration in the United States Patent and Trademark Office (collectively, the "Trademarks");
- E. Schedule A hereof constitutes a complete list, as of the date hereof, of registrations or applications for registrations of Copyrights, Patents and Trademarks in or to which Debtor has any right, title, interest, claim or demand. After the date of the Security Agreement, the terms and provisions of which are hereby incorporated herein as if fully set forth herein, Debtor shall provide written notice to Secured Party, in accordance with the provisions of the Security Agreement, of any addition or change which is necessary to be made to Schedule A, in order to maintain such schedules completeness or accuracy.

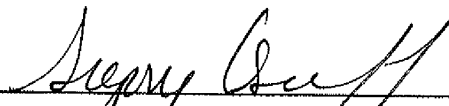

Agreement

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Debtor does hereby further grant to Secured Party a security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations, as defined in the Security Agreement.

1. Debtor hereby grants to Secured Party a security interest to secure the prompt payment, performance and observance of the Obligations in all right, title and interest of Debtor in and to the following property (collectively, the "Collateral");
- a. all Copyrights and the registrations thereof, together with any renewals or extensions thereof, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof for the full term of the Copyrights;
- b. all Patents, together with any reissue, continuation, continuation-in-part or extension thereof, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof for the full term of the Patents;

IN WITNESS WHEREOF, Debtor has caused this instrument to be executed as of the day and year first above written.
