TRADEMARK

REEL: 003990 FRAME: 0415

ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), effective as of December 15, 2008 is entered into by Amgen Inc., a Delaware corporation ("Assignor"), for the benefit of Biovitrum AB (publ), a corporation organized under the laws of Sweden (the "Assignee").

WHEREAS, Assignor and Assignee have entered into that certain Asset Purchase Agreement dated as of September 12, 2008 (the "Purchase Agreement");

WHEREAS, pursuant to the terms of said Purchase Agreement, Assignor desires to assign all of its respective right, title and interest in and to the trademarks STEMGEN and KEPIVANCE and their corresponding logos, and the trademarks KEPICENE, KEPICYTE and KEPIPRO, and the pending applications and registrations therefor, all of which are listed on the attached Schedule A (collectively the "Marks"), and in and to any renewals and extensions that may be granted thereon, along with the goodwill developed through the use of the Marks, and the parties have agreed that the foregoing shall be transferred by Assignor to Assignee; and

WHEREAS, Assignee desires to acquire all of Assignor's respective right, title, and interest in and to the Marks, and in and to any renewals and extensions that may be granted thereon and the goodwill developed through the use of the Marks, and Assignee accepts the assignment and transfer of the foregoing.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee, its successors or assigns, all of its respective right, title, and interest in and to the Marks, and in and to any renewals and extensions that may be granted thereon and the goodwill of the business symbolized by the Marks. All of Assignor's rights and privileges will be held and enjoyed by Assignee, its successors, assigns and other legal representatives.

ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents, trademarks or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment, and hereby grants the attorney of record the power to insert on this Assignment any further identification of the registered trademarks and the pending applications set forth on Schedule A that is necessary under the rules of the United States Patent and Trademark Office, and the office of any country or countries foreign to the United States, for recordation of this Assignment, and agrees, without further consideration, at Assignee's expense, to execute and deliver such other documents that Assignee, its successors and/or assigns may reasonably request that are necessary under the rules of the United States Patent and Trademark Office, and the office of any country or countries foreign to the United States, for recordation of this Assignment; provided that Assignee shall be solely responsible for performing all activities in connection with recordation of this Assignment with the United States Patent and Trademark Office, and the office of any country or countries foreign to the United States..

IN WITNESS WHEREOF, Assignor has caused this Assignment to be to be executed by its duly authorized representatives effective as of the date first written above.
