TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the "Agreement") is dated as of September 30, 2004, by SSL INTERNATIONAL PLC, a company organized under the laws of England, SSL PRODUCTS LIMITED, a company organized under the laws of England, and SSL AMERICAS, INC., a New Jersey corporation (collectively, the "Assignors") and SILIPOS, INC., a Delaware corporation ("Assignee"). Capitalized terms used and not otherwise defined herein have the meanings set forth in the Purchase Agreement (as defined herein).

WITNESSETH:

WHEREAS, pursuant to that certain Stock Purchase Agreement (the "Purchase Agreement") dated September 22, 2004 by and among the Assignee, LRC North America, Inc., a Delaware corporation, SSL Holdings, Inc., a Delaware corporation, and Langer, Inc., a Delaware corporation, each Assignor desires to transfer the United States and foreign trademarks, registrations therefor and applications for registration therefor listed on Schedule A attached hereto, (collectively, the "Trademarks"), to the Assignee to the extent that any Assignor has any right, title and interest in such Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Assignors and the Assignee hereby agree as follows:

1. Each Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Trademarks and the right to sue and recover any damages and profits and all other remedies for past and future infringements thereof;
2. Each of the Assignors and the Assignee by their execution of this Agreement each hereby acknowledge and agree that neither the representations and warranties nor the rights and remedies of any party under the Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by this Agreement. Any inconsistencies or ambiguities between this Agreement and the Purchase Agreement shall be resolved in favor of the Purchase Agreement.
3. Neither this Agreement nor any right, interest or obligation hereunder may be assigned (by operation of law or otherwise) by any party hereto without the prior written consent of the other parties hereto and any attempt to do so will be void. Subject to the preceding sentence, this Agreement is binding upon, inures to the benefit of and is enforceable by the parties hereto and their respective successors and assigns.
4. This Agreement shall be governed and construed as to its validity, interpretation and effect by the laws of the State of New York notwithstanding the choice of law rules of the State of New York or any other jurisdiction.

5. This Agreement and the Purchase Agreement supersede all prior discussions and agreements between the parties and their respective Affiliates with respect to the subject matter hereof and thereof and contain the sole and entire agreement between the parties hereto with respect to the subject matter hereof and thereof.

6. This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Any signature page delivered by a fax machine shall be binding to the same extent as an original signature page, with regard to any agreement subject to the terms hereof or any amendment thereto. Any party who delivers such a signature page agrees to later deliver an original counterpart to any party that requires it.
