(b) The Debtor shall notify the Collateral Agent within ten (10) business days if it knows, or has reason to know, that any application or registration relating to any material item of the Trademark Collateral may become abandoned or dedicated to the public or placed in the public domain or invalid or unenforceable, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court) regarding the Debtor's ownership of

any of the Trademark Collateral, its right to register the same or to keep and maintain and enforce the same.

(c) The Debtor shall, on or before the 30th day following the end of each of the Debtor's fiscal quarters, provide the Collateral Agent with written notice of any filing during such fiscal quarter by the Debtor or any of its agents, employees, designees or licensees of any application for the registration of any Trademark Collateral with the United States Patent and Trademark Office, and upon request of the Collateral Agent, shall execute and deliver any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in such Trademark Collateral and the goodwill and general intangibles of the Debtor relating thereto or represented thereby.

(d) The Debtor shall take all reasonably necessary steps, including in any proceeding before the United States Patent and Trademark Office, to maintain and pursue any application (and to obtain the relevant registration) filed with respect to, and to maintain any registration of the Trademark Collateral, including the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings and the payment of fees and taxes (except to the extent that dedication, abandonment or invalidation is permitted under the foregoing clause (a)).

(e) Following the occurrence and during the continuance of an Event of Default, the Debtor hereby (i) grants to the Collateral Agent, for the benefit of the Collateral Agent and the Lenders, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Debtor) to use, license or sublicense any Trademark Collateral now owned or hereafter acquired by the Debtor, and wherever the same may be located, and (ii) irrevocably agrees that the Collateral Agent may sell or assign any of the Debtor's Trademark Collateral to any person in accordance with the enforcement of the Collateral Agent's rights and remedies under this Security Agreement.

5. Security Agreement. This Agreement has been executed and delivered by the Debtor for the purpose of, among other things, ratifying and confirming the grant of a security interest in the Trademark Collateral to the Collateral Agent for the benefit of the Lenders under the Security Agreement, and registering the security interest of the Collateral Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest confirmed and granted hereby has been confirmed and granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent for its benefit and the benefit of each Lender under the Security Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Lender thereunder) shall remain in full force and effect in accordance with its terms.

6. Release of Security Interest. Upon termination of the Security Agreement in accordance with Section 16 thereof, the Collateral Agent shall, at the Debtor's expense, execute and deliver to the Debtor all instruments and other documents as may be necessary or proper to release the lien on and security interest in the Trademark Collateral which has been granted hereunder.

7. Acknowledgment. The Debtor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted and confirmed hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.
