**TRADEMARK SECURITY AGREEMENT**

THIS TRADEMARK SECURITY AGREEMENT dated May 28, 2009 made by PYRONICS, INC., an Ohio corporation (the "Grantor"), and FIRSTRUST BANK (together with any successor thereto, the "Grantee"), a national banking association duly organized and validly existing under the laws of the United States of America.

Grantor has executed a Guaranty and Suretyship Agreement of even date herewith (as amended, supplemented or otherwise modified from time to time, the "Guaranty") pursuant to which Grantor has unconditionally guaranteed the due and punctual payment of all indebtedness owed to the Grantee by Selas Heat Technology Company LLC. Capitalized terms not otherwise defined herein shall have the same meanings as specified therefor in the Guaranty or the Security Agreement referred to below.

As collateral for the obligations in the Guaranty, the Grantor and the Grantee entered into a Security Agreement dated the date hereof (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), pursuant to which Grantor has granted to the Grantee a lien on and security interest in, inter alia, all of Grantor's right, title, and interest in and to all Trademarks (as defined in the Security Agreement) of Grantor, whether then owned or thereafter acquired or created by Grantor, including, without limitation, the trademarks and trademark applications listed on Schedule A hereto (the "Trademark Collateral").

The parties desire to record Grantor's grant of the security interest in the Trademark Collateral to the Grantee with the United States Patent & Trademark Office.

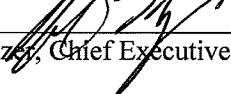

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees with the Grantee as follows:

A. The Guaranty and Security Agreement and their terms and provisions are incorporated herein in their entirety.

B. Grantor grants to the Grantee a lien on and security interest in all of its right, title and interest in and to the Trademark Collateral and the goodwill of the business symbolized by the Trademark Collateral.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized, as of the date first written above.
