**BILL OF SALE AND ASSIGNMENT OF PURCHASED ASSETS INCLUDING
COPYRIGHTS, TRADE MARKS, SERVICE MARKS, DOMAIN NAMES, AND
CONTRACT RIGHTS**

1. *Sale and Transfer of Purchased Assets.* For good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, and as contemplated by Section 2.1(a) of that certain Asset Purchase Agreement dated as of October 19, 2007 (the "Purchase Agreement"), to which Hollister Incorporated, an Illinois corporation ("Hollister") and Heelbo Inc, an Illinois corporation and wholly-owned subsidiary of Hollister (the "Sellers"), and Briggs Manufactured Products Company LLC, a Delaware limited liability company (the "Buyer"), are parties, Sellers hereby sell, transfer, assign, convey, grant and deliver to Buyer, effective as of 12:01 a.m. (Iowa time) on January 8, 2008 (the "Effective Time"), all of Sellers' right, title and interest in and to all of the Purchased Assets described in the Purchase Agreement and its schedules including, without limitation, schedules 1.12, 1.16, 1.21, 1.25 and 1.31. Capitalized terms used in this Bill of Sale and Assignment of Purchased Assets Including Copyrights, Trade Marks, Service Marks, Domain Names, and Contract Rights ("Bill of Sale") which are not otherwise defined shall have the meaning set forth in the Purchase Agreement.

2. *Assignment of Copyrights, Trademarks, Service Marks, and Domain Names and Contract Rights.* In accordance with the Purchase Agreement, Sellers desire to transfer and assign to Buyer, and Buyer desires to accept the transfer and assignment of, all of Sellers' worldwide right, title and interest in and to all of Sellers' registered and unregistered domestic and foreign copyrights and copyright applications, and/or copyright rights and licenses listed in **Schedule 1.15** annexed hereto and incorporated herein by this reference (all of the foregoing being referred to herein as the "Copyrights"), together with all of Sellers' worldwide right, title and interest in, to and under Sellers' domestic and foreign trademarks, service marks, and domain names, trademark applications, and trade names listed on **Schedule 1.15** annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "Marks").

a. Sellers hereby transfer and assign to Buyer, and Buyer hereby accepts the transfer and assignment of, all of Sellers' worldwide right, title and interest in, to and under the Copyrights in whatever form the work may exist, including in print, video, electronic or other media, as well as any technology now known or which is created, discovered or developed hereafter, and all rights to sue for infringement of any Copyright, the same to be held and enjoyed by the Buyer, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Sellers had this Assignment not been made.

b. Sellers hereby transfer and assign to Buyer and Buyer hereby accepts the transfer and assignment of all of Sellers' worldwide right, title and interest in, to and under the Marks in whatever form they may be affixed or used, together

with the goodwill of the Business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this assignment, the rights to any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada, and in any other jurisdiction, the same to be held and enjoyed by the Buyer, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Sellers had this assignment not been made.

c. Sellers hereby transfer and assign to Buyer, and Buyer hereby accepts the transfer and assignment of, all of Sellers' worldwide right, title and interest in, to and under the Food and Drug Administration 510(k) approvals in whatever form the work may exist, including in print, video, electronic or other media, as well as any technology now known or which is created, discovered or developed hereafter, and all rights under the agreement, the same to be held and enjoyed by the Buyer, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Sellers had this Assignment not been made.

3. *Further Actions.* Sellers covenant and agree to warrant and defend the sale, transfer, assignment, conveyance, grant and delivery of the Purchased Assets in accordance with the obligations and limitations set forth in the Purchase Agreement hereby made against all persons, whomsoever, to take all steps reasonably necessary to establish the record of Buyer's title to the Purchased Assets and, at the request of Buyer, to execute and deliver further instruments of transfer and assignment and take such other action as Buyer may reasonably request to more effectively transfer and assign to and vest in Buyer each of the Purchased Assets.

4. *Terms of the Purchase Agreement.* The terms of the Purchase Agreement, including but not limited to Sellers' representations, warranties, covenants, agreements and indemnities relating to the Purchased Assets, are incorporated herein by this reference. Sellers acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern. Notwithstanding the foregoing, no provision of this Bill of Sale shall in any way modify, replace, amend, change, rescind, waive or in any way affect the express provisions set forth in the Purchase Agreement, this Bill of Sale being intended solely to effect the title to the Purchased Assets, including the Contracts, Intangible Assets, Inventory, Miscellaneous Assets, Permits and Records, in accordance with the Purchase Agreement.

IN WITNESS WHEREOF, Sellers have executed this Bill of Sale as of January 8, 2008.
