Section 2.5 Assumption of Certain Leases and Other Contracts. The Sale Order shall provide for the assumption by Seller, and the Sale Order shall, to the extent permitted by law, provide for the assignment by Seller, to Buyer, effective upon the Closing, of the Assumed Contracts on the following terms and conditions:

(a) At the Closing, Seller shall assume and assign to Buyer, and Buyer shall assume, the executory contracts, Intellectual Property Agreements and Cure Amounts or Estimated Cure Payments designated as Purchased Assets on Schedule 2.5(a).

(b) At the Closing, Seller shall assume and assign to Buyer, and Buyer shall assume, the Real Property Leases and Cure Amounts or Estimated Cure Payments designated as Purchased Assets on Schedule 2.5(b).

(c) At the Closing, Seller shall assume and assign to Buyer, and Buyer shall assume, the Personal Property Leases and Cure Amounts or Estimated Cure Payments designated as Purchased Assets on Schedule 2.5(c).

(d) The Assumed Contracts are identified by the date of the Assumed Contracts (if available), the other party or parties to the Assumed Contract and the address of such party or parties (if available), as the case may be, and the other material terms thereof. To the extent any such information is set forth on Schedule 2.5(a), Schedule 2.5(b) or Schedule 2.5(c), as the case may be, and is later determined by Seller to be inaccurate in any material respect that could reasonably be expected to have a material adverse effect, Seller shall promptly notify Buyer of any such inaccuracy. Schedule 2.5(a), Schedule 2.5(b) or Schedule 2.5(c), as the case may be, sets forth the estimated amounts necessary to cure defaults, if any, under each of the Assumed Contracts as determined by Seller based on Seller's books and records, subject to amendment by Seller, after notice to Buyer, from time to time until the Closing Date. From and after the date hereof until the commencement of the Auction, (a) Buyer shall have the right to make such additions and deletions to the list of Assumed Contracts as Buyer may elect in its sole discretion, and (b) Buyer and Seller shall negotiate in good faith to agree upon any revisions to Schedule 2.2 and Schedule 2.3.

(e) If there exists on the Closing Date any default under an Assumed Contract, Buyer shall be responsible for the payment of all amounts necessary to cure such default pursuant to Section 365(b)(1) of the Bankruptcy Code as a condition precedent to the assumption and assignment of such Assumed Contract (the "Cure Payments").

(f) Buyer shall be solely responsible for all costs and expenses necessary in connection with providing adequate assurance of future performance with respect to any of the Assumed Contracts under Section 365(b)(1) of the Bankruptcy Code (the "Cure Expenses," and together with the Cure Payment, collectively, the "Cure Amounts").

(g) Buyer and Seller each shall use commercially reasonable efforts to obtain an order of the Bankruptcy Court to assign the Assumed Contracts to Buyer. In the event Seller is unable to assign any such Assumed Contract to Buyer pursuant to an order of the Bankruptcy Court, Seller shall use its commercially reasonable efforts to obtain, or cause to be obtained,

prior to the Closing Date, all written consents necessary to convey to Buyer the benefit of such Assumed Contract.

ARTICLE III PURCHASE PRICE; ESCROW; ESCROW CURE AMOUNTS

Section 3.1 Purchase Price. In consideration for the Purchased Assets, and subject to the terms and conditions of this Agreement, and the entry and effectiveness of the Sale Order, and in addition to the consideration being provided and concessions being made by the Buyer as set forth in Section 3.3, at the Closing, Buyer shall assume the Assumed Liabilities, assume the Assumed Contracts, and pay to Seller an aggregate amount of consideration consisting of (a) \$4,000,000 in the form of a partial credit bid in that amount under the \$5,000,000 Senior Notes, plus all principal and accrued interest due and payable thereon (leaving only a \$1,000,000 obligation remaining as of the Closing Date as documented in the Restated Senior Note) plus (b) an amount equal to the aggregate amount of funds advanced by Buyer under Sections 3.3(a) and 3.3(b)(i) of this Agreement (collectively, the "Purchase Price").

Section 3.2 Cure Amounts. At the Closing, Buyer shall provide funds to Seller (by wire transfer of immediately available U.S. funds) in an amount equal to the Cure Amounts which Buyer has specifically approved as set forth on Schedule 3.2. Seller shall pay all Cure Payments and Cure Expenses owed to third parties promptly (but in any event within five (5) Business Days) after receipt thereof from Buyer. In the event the amount of a Cure Payment related to an Assumed Agreement is not known on the Closing Date, Buyer and Seller shall estimate in good faith the amount of the Cure Payment (an "Estimated Cure Payment") and such Estimated Cure Payment shall be placed into an escrow account with an escrow agent, financial institution or company (the "Escrow Holder") mutually designated by Seller and Buyer. If an Estimated Cure Payment is more than the Cure Payment when the amount is known, the excess shall be returned to Buyer and if the Estimated Cure Payment is less than the Cure Payment when the amount is known, Buyer shall pay the additional funds to Seller by wire transfer in immediately available U.S. funds. In the event that the amount of a Cure Payment is disputed between Buyer and the third party to the Assumed Agreement, the amount of such Cure Payment will be determined by the Bankruptcy Court.

Section 3.3 Actions Prior to Closing. As further consideration for the Purchased Assets, (a) on the Petition Date, Buyer shall pay Seller \$25,000 for the salaries and benefits of four employees of the Conductor Business and on October 13, 2004 Buyer shall pay an additional \$25,000 to Seller, provided however, that (i) such employees are still employed by the Seller, and (ii) payments shall be made only to the extent that the Seller uses such payments solely to pay such salaries and benefits and not for any other purpose; and

- (b) at or prior to the Closing, as appropriate, the Buyer shall:
- (i) provide funds, prior to Closing as necessary, to make payments of the current obligations of the Seller with respect to salaries and other employment benefits, except for severance or any other termination provisions, of those employees of the Seller retained during the pendency of the Chapter 11 Case, listed on Schedule 3.1 attached hereto (the "Retained Employees") from the

Petition Date to the Closing to the extent that (i) such employees are included in the budget prepared by the Seller and approved by the Secured Parties, which approval shall not be unreasonably withheld (the "Budget"), attached hereto as Exhibit C, prior to the commencement of such case, and (ii) the Seller does not have sufficient funds to pay such obligations after reserving for certain administrative expenses of the Chapter 11 Case (including payments to professionals) and salaries and benefits of up to five employees working solely to maintain Seller's general and administrative operations, in accordance with the Budget;

(ii) consent to the use by the Company prior to the Closing of cash and cash equivalents, letters of credit, deposits, prepaid expenses, and tax and other regulatory refunds that constitute "cash collateral" (as such term is defined in the Bankruptcy Code) under the Senior Notes to pay the operating and administrative expenses of the Seller in accordance with the terms of the Budget and subject to the conditions set forth below; and

(iii) modify the lien and security interest under the Senior Notes on the \$2,000,182 note receivable due the Seller from eScout LLC and eScout Acquisition LLC (the "Perfect Commerce Note") such that upon the Closing such lien shall secure only the \$1,000,000 principal balance of the Restated Senior Note on a non-recourse basis, thereby allowing the proceeds of the Perfect Commerce Note above \$1,000,000 to be retained by the Seller's bankruptcy estate for the benefit of unsecured creditors.

(c) Administrative Expense Treatment of Salary Advances. In the event that the Purchase Assets are acquired by a Competing Bidder pursuant to the procedures contemplated by Section 7.9 of this Agreement, Seller hereby agrees that it will support a motion filed by the Buyer and otherwise reasonably cooperate with the Buyer in seeking reimbursement of the amounts advanced under Sections 3.3(a) and 3.3(b)(i) above as an expense of administration under section 503(b) of the Bankruptcy Code entitled to priority under section 507(a)(1) of the Bankruptcy Code in the Chapter 11 Case.

Seller is qualified to do business as a foreign corporation and is in good standing under the laws of each state or other jurisdiction in which the nature of its business requires such qualification. Subject to the approval of this Agreement by the Bankruptcy Court, Seller has all corporate power to execute and deliver this Agreement and, upon entry and effectiveness of the Sale Order, will have all corporate authority necessary to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by the board of directors and no other corporate proceedings on the part of Seller are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. Section 5.3 Intellectual Property. To Seller's Knowledge:

(a) Schedule 5.3(a) contains a true and complete list of the Intellectual Property Rights, including but not limited to, all licenses, sublicenses, and other agreements to which Seller is a party (other than "shrink-wrap" and similar widely-available binary code and commercial end-user licenses that are available for less than \$5,000) which schedule indicates whether the right is owned or licensed and by which Seller and, if licensed, the name of the third party licensor. (c) With respect to pending applications and applications for registration of the Intellectual Property Rights, Seller is not aware of any reason that could reasonably be expected to prevent any such application or application for registration from being granted with coverage substantially equivalent to the latest amended version of the pending application or application for registration, except as set forth in Schedule 5.3(c). None of the trademarks and applications for trademarks included in the Intellectual Property Rights has been the subject of an opposition or cancellation procedure.

(d) Seller has taken reasonable steps in accordance with normal industry practice to maintain the confidentiality of all confidential Intellectual Property Rights. Section 5.6 Litigation. Schedule 5.6 contains a complete and accurate list of all legal actions, suits and proceedings related to the Businesses or the Purchased Assets pending as of the date hereof against Seller. Except as described in Schedule 5.6, there is no action, suit, investigation or proceeding (or, to the Seller's knowledge, any basis therefor) pending against, or to Seller's Knowledge, threatened against or affecting, the Businesses, any Purchased Asset before any court or arbitrator or any governmental body, agency or official which, individually or in the aggregate, could reasonably be expected to be material to the Purchased Assets and Assumed Liabilities, taken together, or the Businesses, or which in any manner challenges or seeks to prevent, enjoin, alter or materially delay the transactions contemplated by this Agreement.

(b) Prior to the Closing Date Seller shall not sell, lease (as lessor), transfer or otherwise dispose of any of the Purchased Assets other than in the ordinary course of business.

(c) With respect to the Leased Real Property, Seller agrees that, (i) between the date of this Agreement and the Closing Date, Seller shall, except as otherwise agreed to by Seller and Buyer, (A) maintain the Leased Real Property in substantially the same condition as exists on the date hereof, reasonable wear and tear excepted, (B) operate the Leased Real Property in compliance with all applicable laws, rules, regulations and codes in all material respects, (C) maintain in full force and effect all property and liability insurance policies on the Leased Real Property in effect as of the date hereof and (D) afford Buyer and Buyer's Representatives reasonable access during normal business hours to the Leased Real Property and all agreements, books, records and other documents and data of Seller related thereto and (E) continue to pay rent for Seller's Santa Clara, CA facility (the "Facility"). Section 7.3 Expenses. Except to the extent specifically provided herein, in the Interim Order, or in the Sale Order, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the party incurring such costs and expenses.

Section 7.4 Further Assurances. (a) Subject to the terms and conditions of this Agreement, each of the parties hereto shall use commercially reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things reasonably necessary, proper or advisable under applicable laws and regulations to consummate and make effective the sale of the Purchased Assets in accordance with this Agreement, including using commercially reasonable best efforts to ensure timely satisfaction of the conditions precedent to each party's obligations hereunder. Neither Seller, on the one hand, nor Buyer, on the other hand, shall, without the prior written consent of the other party take any action which would reasonably be expected to prevent or materially impede, interfere with, or delay the transactions contemplated by this Agreement, other than as may be required by and is consistent with procedures approved by the Bankruptcy Court in the Interim Order. From time to time, on or after the Closing Date, Seller shall, at Buyer's expense, execute and deliver such documents to Buyer as Buyer may reasonably request in order to more effectively vest in Buyer Seller's title to the Purchased Assets, subject to Permitted Liens. From time to time after the date hereof, Buyer shall, at Seller's expense, execute and deliver such documents to Seller as Seller may reasonably request in order to more effectively consummate the sale of the Purchased Assets and the assumption and assignment of the Assumed Liabilities and the Assumed Contracts in accordance with this Agreement. Buyer, and to the extent necessary, the Secured Creditors, shall take all actions necessary and appropriate to release the liens and security interests under the Senior Notes and Debt Instruments other than the lien on and security interest in the Perfect Commerce Note which will continue to secure the Seller's obligations under the Restated Senior Note.

(b) In the event that any Purchased Asset shall not have been conveyed to Buyer at the Closing, Seller shall use its commercially reasonable best efforts to convey such Purchased Asset to Buyer as promptly as is practicable after the Closing.

Section 7.5 Public Statements. Seller and Buyer shall consult with each other prior to issuing any public announcement, statement or other disclosure with respect to this Agreement or the transactions contemplated hereby, except that each party may make disclosures with respect to this Agreement and the transactions contemplated hereby to the extent required by law or by the rules or regulations of any securities exchange or commission or the Bankruptcy Code and other applicable bankruptcy laws and rules, and to the extent and under the circumstances in which such party is expressly permitted to make disclosures of Confidential Information, in each case after providing the other party with advance notice of its intent to make such disclosure.

Section 7.6 Governmental Authority Approvals and Cooperation. (a) **Governmental Authority Approvals.** Seller and Buyer shall each use their commercially reasonable best efforts to cooperate with each other in determining and making any filings, notifications and requests for approval required to be made and received prior to the Closing under applicable law or regulation (collectively, the "Regulatory Approvals"). In connection with any Regulatory Approvals, neither Buyer nor Seller will, and Buyer and Seller will use their commercially reasonable efforts to cause their officers, directors, partners or other Affiliates not to, take any

(b) Cooperation. Subject to any restrictions under applicable laws, rules or regulations, each party hereto (i) shall promptly inform each other of any communication from any Governmental Authority concerning this Agreement, the transactions contemplated hereby and any filing, notification or request for approval related thereto and (ii) shall permit the other party hereto to review in advance any proposed written communication or information submitted to any such Governmental Authority in response thereto. In addition, neither Seller nor Buyer shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry with respect to this Agreement, the transactions contemplated hereby or any such filing, notification or request for approval related thereto unless, to the extent not prohibited by any such Governmental Authority, it consults with the other party hereto in advance and, gives the other party hereto the opportunity to attend and participate thereat, in each case to the maximum extent practicable. Subject to any restrictions under applicable laws, rules or regulations, Seller and Buyer shall furnish Buyer or Seller, as the case may be, with copies of all correspondence, filings and communications (and memoranda setting forth the substance thereof) between it and its Affiliates and their respective representatives on the one hand, and the Governmental Authority or members of its staff on the other hand, with respect to this Agreement, the transactions contemplated hereby (excluding documents and communications which are subject to preexisting confidentiality agreements and to the attorney-client privilege or work product doctrine) or any such filing, notification or request for approval related thereto. Seller and Buyer shall also furnish the other party hereto with such necessary information and assistance as such other party and its Affiliates may reasonably request in connection with its preparation of necessary filings, registration or submissions of information to the Governmental Authority in connection with this Agreement, the transactions contemplated hereby and any such filing, notification or request for approval related thereto. Seller and Buyer shall prosecute all required requests for approval with all necessary diligence and otherwise use their respective commercially reasonable efforts to obtain the grant thereof as soon as possible.

Section 7.7 Taxes. (a) Taxes Related to Purchase of Assets. Buyer shall pay all sales, use, excise, transfer, recording, stamp or other similar transfer taxes (collectively "Transaction Taxes") that may be imposed by reason of the transactions contemplated by this Agreement. Buyer and Seller agree to cooperate to determine the amount of Transaction Taxes payable in connection with the transactions contemplated under this Agreement. At the Closing, Buyer and Seller shall remit to each other such properly completed resale exemption certificates and other similar certificates or instruments as are applicable to claim available exemptions from the payment of any such Transaction Taxes under applicable law. Buyer and Seller will cooperate in preparing such forms and will execute and deliver such affidavits and forms as are reasonably requested by the other party.

(b) No Withholding. Buyer shall pay the Purchase Price free and clear of withholding or deduction for any Taxes.

(c) FIRPTA Certification. Seller shall deliver to Buyer a certification to the extent required under Section 1445 of the Code in accordance with the Treasury Regulations thereunder.

(d) Allocation of Taxes. Buyer shall be liable for and shall be allocated all Taxes in respect of the Purchased Assets with respect to taxable periods (or portions thereof) that end after the Closing.

(e) Allocation of Purchase Price. Buyer and Seller shall (i) attempt in good faith, within thirty (30) days after the Closing, in the general form set forth on Schedule 7.7(e), to agree on the allocation of the sum of the Purchase Price, the Cure Amounts and the Assumed Liabilities (and any adjustments thereof) among the Purchased Assets as of the Closing Date (the "Allocation") in accordance with Section 1060 of the Code and the Treasury Regulations thereunder and (ii) cooperate in connection with the preparation of Internal Revenue Service Form 8594 for its timely filing. Except as otherwise required by applicable law, Buyer and Seller shall report for all Tax purposes all transactions contemplated by this Agreement in a manner consistent with the Allocation, if any, and shall not take any position inconsistent therewith in any Tax Return, in any refund claim, in any litigation or otherwise.

(f) Cooperation. Buyer and Seller agree to furnish or cause to be furnished to each other, as promptly as practicable, such information and assistance relating to Seller's operations as is reasonably necessary for the preparation and filing of any Tax Return, for the preparation for and proof of facts during any tax audit, for the preparation for any tax protest, for the prosecution or defense of any suit or other proceeding relating to tax matters and for the answer of any governmental or regulatory inquiry relating to tax matters.

Section 7.3 Submission for Bankruptcy Court Approval. (a) On the Petition Date (or as soon thereafter as is reasonably practicable), Seller shall file a motion or motions and supporting papers seeking (i) the entry of the Interim Order approving all relevant bidding procedures ("Bidding Procedures") including the Break-Up Fee and Expense Reimbursement set forth pursuant to Section 7.9 and Section 7.10 and (ii) entry of the Sale Order. The Interim Order and the Sale Order may, at Seller's option, be sought under one combined set of motion papers, which may be sought concurrently with or as part of an order for approval of a disclosure statement relating to a plan pursuant to section 1125(b) of the Bankruptcy Code, and which shall be in form and substance reasonably acceptable to Buyer. All parties hereto shall use their commercially reasonable best efforts to have the Bankruptcy Court enter the Interim Order on or before October 20, 2004, and a Sale Order on or before December 1, 2004. Seller shall give appropriate notice under the Bankruptcy Code of the request for such relief, including such additional notice as the Bankruptcy Court shall direct, and provide appropriate opportunity for hearing, to all parties entitled thereto, of all motions, orders, hearings, or other proceedings relating to this Agreement or the transactions contemplated hereby.

(b) Seller and Buyer shall consult with one another regarding pleadings which either of them intends to file, or positions either of them intends to take before the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court's approval of, the Interim Order or the Sale Order. Seller shall promptly provide Buyer and its counsel with copies of all notices, filings and orders of the Bankruptcy Court (and other courts) that Seller has

in its possession pertaining to the motion for approval of the Interim Order, the Sale Order or any other order related to any of the transactions contemplated by this Agreement.

(e) If the Interim Order, the Sale Order or any other orders of the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby, shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Interim Order, Sale Order or other such order), subject to rights otherwise arising from this Agreement, Seller and Buyer shall cooperate in taking such steps to prosecute diligently such appeal, petition or motion and Seller and Buyer shall use their commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion.

Section 7.9 Bidding Procedures. Buyer and Seller acknowledge that Seller must take reasonable steps to demonstrate that it has sought to obtain the highest and best price for the Purchased Assets and the consummation of the transactions contemplated by this Agreement, including giving notice thereof to Seller's creditors and other interested parties, providing information about the Businesses to prospective bidders (subject to appropriate confidentiality agreements), entertaining higher and better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Purchased Assets, conducting an auction (the "Auction"). To be considered by Seller, an initial competing bid from a prospective third-party bidder ("Competing Bidder") must, (a) provide an aggregate purchase price consisting of cash in an amount that exceeds the Purchase Price set forth in Section 3.1 by no less than \$50,000 plus the amounts described in Section 7.10 and approved by the Bankruptcy Court in the Interim Order, (b) be accompanied by (i) a cash deposit in an amount not less than \$450,000 and (ii) evidence of the Competing Bidder's ability, financial and otherwise, to close a transaction under this Agreement without delay, and (c) be on terms that are no more burdensome to the Seller's bankruptcy estate than those under this Agreement. A competing bid meeting the foregoing conditions shall be deemed to be a "Qualifying Competing Bid". In the event that Seller receives a Qualifying Competing Bid from one or more Competing Bidders, and Seller selects and announces a Qualifying Competing Bid as the highest and best offer for the Purchased Assets (such bid or any subsequently selected bid being the "Prevailing Bid"), any subsequent bid to acquire the Purchased Assets, as well as any subsequent competing bid thereafter (in either case, a "Subsequent Bid"), must, at a minimum, (a) be from either Buyer or a Competing Bidder that previously submitted a Qualifying Competing Bid, and (b) be in an amount that exceeds the then Prevailing Bid by an amount not less than \$50,000. In the event that a Qualifying Competing Bid is selected as the Prevailing Bid, Buyer agrees to keep its offer under this Agreement, or any Subsequent Bid made by Buyer, open pending a closing of a sale to an entity other than Buyer. The Interim Order shall further state that Buyer shall have the right, in any subsequent competing bid, to credit bid up to the amount of its claim owing pursuant to the Seller Debt Instruments pursuant to section 363(k) of the Bankruptcy Code.

Section 7.10 Break-Up Fee: Expense Reimbursement. If Buyer is not the successful bidder following the Auction, Buyer is not then in material breach of any provision of this Agreement, Buyer has not terminated this Agreement and the Bankruptcy Court enters an order approving the sale of all or a material part of the Purchased Assets to a Competing Bidder (a "Third-Party Sale"), then Buyer will be entitled to receive, as a "break-up fee", an amount equal to \$200,000 (the "Break-Up Fee"), plus Buyer's reasonable out of pocket expenses, including the

reasonable fees and expenses of Buyer's attorneys and other professionals and advisors (but excluding Buyer's internal costs such as wages and salaries of employees and overhead) incurred since September 20, 2004 in connection with the negotiation, execution and consummation of this Agreement (which expenses shall not exceed \$200,000) (the "Expense Reimbursement"). Payment of the Break-Up Fee shall be made by wire transfer of immediately available U.S. funds to an account designated by Buyer from the proceeds of a Third-Party Sale, with such payment to be made immediately upon the consummation of such Third-Party Sale. The Expense Reimbursement shall be earned by Buyer immediately upon the entry of the Interim Order and payable to Buyer immediately upon the earliest to occur of (i) the closing of a sale pursuant to an order approving the sale of all or a material part of the Purchased Assets to a Competing Bidder or (ii) the effective date of a confirmed chapter 11 plan of reorganization that does not involve a sale of the Purchased Assets to Buyer. If the events described in clauses (i) and (ii) above occur on the same date, the Expense Reimbursement shall be payable to Buyer on such date. The Break-up Fee and Expense Reimbursement will not be payable in any event if (i) Buyer acquires the Purchased Assets from Seller as contemplated by this Agreement or (ii) the Closing does not occur due in whole or in part to any material breach of any representation, warranty or covenant by Buyer. The Break-Up Fee and Expense Reimbursement shall be allowed as an administrative expense pursuant to section 503(b)(1)(A) of the Bankruptcy Code entitled to the priority set forth in section 507(a)(1) of the Bankruptcy Code. Buyer submits to the jurisdiction of the Bankruptcy Court all issues relating to the determination of the Expense Reimbursement.

Section 7.11 Revisions to Schedules. Up to and including the Closing Date, Buyer and Seller reserves the right to revise the Schedules to this Agreement.

Section 7.12 Employment of Employees. (a) Buyer currently expects to employ, at its option, certain of the employees of Seller related to the Businesses. Seller shall permit such employees to be available to interview with Buyer concerning prospective employment with Buyer and, at Buyer's option, Buyer shall be permitted to make offers of employment, or a consulting or independent contracting relationship, to such persons at any time and from time to time prior to the Closing. Buyer may, in Buyer's sole discretion, negotiate a compensation (salary and benefits) package with employees related to the Businesses. Buyer shall negotiate in good faith to provide certain members of Buyer's senior management with an options package for the purchase of stock of the Buyer at an exercise price to be determined. Nothing in this Agreement is intended to confer upon any employee of Seller any rights or remedies, including, without limitation, any rights of employment of any nature or kind whatsoever.

(b) Prior to the Closing, the key employees identified on Schedule 7.13(b) (the "Key Employees"), shall be willing and able to enter into employment agreements with Buyer on such terms as Buyer may approve, pursuant to which each such Key Employee shall agree to remain with the Buyer after the Closing with compensation comparable to each such employee's current compensation with the Seller, in the same proximate location of such Key Employee's current employment and with job duties and position similar to such employee's current duties and position with the Seller.

Section 7.13 Commencement of Avoidance Actions. Seller shall commence and prosecute to conclusion avoidance actions, as reasonably directed by Buyer and at Buyer's

expense, to avoid liens on Purchased Assets related to Assumed Contracts as contemplated by Section 2.2 above.

Section 7.14 Name Change. Promptly, but in no event later than 30 days, after the Closing, Seller agrees (a) to change the name of Seller, with the Secretaries of State of the States of California and Delaware, to some other name not using the word "COMMERCE ONE" and promptly thereafter file motions in the Chapter 11 Case to change the caption of such case accordingly and (b) after the Closing, not to use the name of Seller in any way for the purpose of selling or marketing any product or service or otherwise in any manner which does or might compete with Buyer or, in any other way which, in the Buyer's reasonable judgment, could be detrimental to Buyer's enjoyment of the rights and goodwill it sought when it paid for and acquired the assets of Seller, except as expressly agreed to by Buyer in its sole discretion.

Section 7.15 Contribution of Senior Notes. On or prior to the date of the Closing, the Secured Creditors shall have transferred and assigned the Senior Notes to the Buyer.

Section 7.16 Secured Creditors Actions. Each of the Secured Creditors hereby covenants and agrees to: (i) take all actions necessary to cause the Buyer to take any and all required actions pursuant to this Agreement or pursuant to related transaction documents, and (ii) provide funds, as necessary, to Buyer in order to make any and all payments required under this Agreement or pursuant to related transaction documents.

Section 8.3 Conditions to Obligations of Seller. The obligation of Seller to effect the sale of the Purchased Assets contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing Date of the following additional conditions:

(a) Buyer shall have performed and complied in all material respects with the covenants contained in this Agreement which are required to be performed and complied with by Buyer on or prior to the Closing Date and the representations and warranties of Buyer which are set forth in this Agreement shall be true and correct in all material respects as of the date of this Agreement (except to the extent that any such representation and warranty is qualified as to materiality, in which case such representation and warranty shall be true and correct in all respects) and as of the Closing Date (except to the extent that any such representation or warranty speaks as of a particular date, in which case such representations and warranties shall be true and correct in all respects as of such other date) as though made at and as of the Closing Date;

(b) Seller shall have received a certificate from an authorized officer of Buyer, dated as of the Closing Date, to the effect that, to such officer's knowledge, the conditions set forth in Section 8.3(a) have been satisfied; and

(c) Seller shall have received the other items to be delivered to it pursuant to Section 4.3.

Any condition specified in this Section 8.3 may be waived by Seller; provided that no such waiver shall be effective against Seller unless it is set forth in a writing executed by Seller.

ARTICLE IX TERMINATION AND ABANDONMENT

Section 9.1 Termination. This Agreement may be terminated, and the transactions contemplated hereby may be abandoned, by written notice promptly given to the other parties hereto, at any time prior to the Closing Date by:

(a) mutual written consent of Seller and Buyer;

(b) Seller, if there has been a material violation or breach by Buyer of any covenant, representation or warranty made by it contained in this Agreement which has prevented the satisfaction of any condition to the obligations of Seller to effect the Closing and such violation or breach has not been either cured by Buyer within ten (10) Business Days of receipt of written notice thereof or waived by Seller;

(c) Seller or Buyer, if (i) there shall be any law or regulation that makes consummation of the transactions contemplated hereby illegal or otherwise prohibited or (ii) consummation of the transactions contemplated hereby would violate any nonappealable final order, decree or judgment of (A) the Bankruptcy Court or (B) any court or Governmental Authority having competent jurisdiction;

(d) Seller, if the Bankruptcy Court enters an order approving a Third-Party Sale, and Buyer, upon the closing of such Third-Party Sale;

(e) Buyer or Seller, if the Sale Order has not been entered by the Bankruptcy Court within sixty (60) days after the entry of the Interim Order on the docket of the Bankruptcy Court; provided that Buyer or Seller, as the case may be, shall not be entitled to terminate this Agreement pursuant to this Section 9.1(e) if the failure to obtain such approval within such time period results primarily from such party itself having materially breached any representation, warranty or covenant contained in this Agreement;

(f) Buyer or Seller, if the Closing shall not have occurred on or prior to December 31, 2004 (the "Termination Date"); provided, that Buyer or Seller, as the case may be, shall not be entitled to terminate this Agreement pursuant to this Section 9.1(f) if the failure of the Closing to occur on or prior to such date results primarily from such party itself having materially breached any representation, warranty or covenant contained in this Agreement;

(g) Buyer, if (i) the entry of the Interim Order shall not have occurred by October 30, 2004 and (ii) Buyer has notified Seller on or before November 4, 2004 of its election to terminate as a result thereof; or

(h) Buyer, if there has been a material violation or breach by Seller of any covenant, representation or warranty made by it contained in this Agreement which has prevented the satisfaction of any condition to the obligations of Buyer to effect the Closing and such violation or breach has not been either cured by Seller within ten (10) Business Days of receipt of written notice thereof or waived by Buyer.

Section 9.2 Procedure and Effect of Termination. Upon termination of this Agreement pursuant to **Section 9.1**, this Agreement shall be void and of no further force or effect, without any liability on the part of any party hereto or any stockholders, equity interest holders, directors or officers thereof. If this Agreement is terminated as provided herein: (i) all filings, applications and other submissions made pursuant to this Agreement, to the extent practicable, shall be withdrawn from the agency or other Person to which they were made; and (ii) Confidential Information from Seller shall be returned to Seller, and all Confidential Information from Buyer shall be returned to Buyer.

Section 9.3 Extension; Waiver. At any time prior to the Closing, Seller, on the one hand, or Buyer, on the other hand, may (i) extend the time for the performance of any of the obligations or acts of the other party, (ii) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto, (iii) waive compliance with any of the agreements of the other party contained herein or (iv) waive any condition to its obligations hereunder. Any agreement on the part of Seller, on the one hand, or Buyer, on the other hand, to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of Seller or Buyer, as applicable.

ARTICLE X MISCELLANEOUS PROVISIONS

Section 10.1 Amendment and Modification. This Agreement may be amended, modified or supplemented only by written agreement of Seller and Buyer and, to the extent necessary and appropriate, the Secured Creditors.

Section 10.2 Waiver of Compliance; Consents. Except as otherwise provided in this Agreement, any failure of any of the parties to comply with any obligation, covenant or condition herein may be waived by the party or parties entitled to the benefits thereof only by a written instrument signed by the party or parties granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, or condition shall not operate as a waiver of, or estoppel with respect to any subsequent or other failure.

Section 10.3 Survival. The parties hereto agree that the representations and warranties contained in this Agreement shall not survive the Closing hereunder, and neither of the parties nor any of their respective officers, directors, representatives, employees, advisors or agents shall have any liability to the other after the Closing for any breach thereof. The parties hereto agree that only the covenants contained in this Agreement to be performed at or after the Closing Date shall survive the Closing hereunder, and each party hereto shall be liable to the other after the Closing Date for any breach thereof.

Section 10.4 No Impediment to Liquidation. Nothing herein shall be deemed or construed as to limit, restrict or impose any impediment to Seller's right to liquidate, dissolve and wind-up its affairs and to cease all business activities and operations at such time as it may determine following the Closing.

hereunder shall be assigned by Buyer hereto, including by operation of law, without the prior written consent of Seller; provided, however, that this Agreement shall be assignable by Buyer, without the prior written consent of Seller, to an Affiliate of Buyer, so long as Buyer shall continue to remain obligated hereunder. Any assignment of this Agreement or any of the rights, interests or obligations hereunder in contravention of this Section 10.6 shall be null and void and shall not bind or be recognized by Seller or Buyer.

Section 10.7 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 10.8 Exclusivity. The Seller agrees that at all times from the date of this Agreement until the Petition Date and as long as the Buyer and the Secured Creditors are continuing to cooperate in good faith, (i) the Seller will deal exclusively with the Buyer with respect to the sale of the Purchased Assets, but may otherwise conduct its business in the ordinary course of business, and (ii) will promptly notify the Buyer if any other Person makes any inquiry or expresses any interest concerning an acquisition of any portion of the Purchased Assets.

Section 10.9 Governing Law. This Agreement shall be governed by the laws of the State of California, without giving effect to the principles of conflicts of laws thereof.

Section 10.10 Submission to Jurisdiction. Unless and to the extent otherwise specifically provided herein, the parties hereto irrevocably submit to the exclusive jurisdiction of the Bankruptcy Court (or any court exercising appellate jurisdiction over the Bankruptcy Court) over any dispute arising out of or relating to this Agreement or any other agreement or instrument contemplated hereby or entered into in connection herewith or any of the transactions contemplated hereby or thereby. Each party hereby irrevocably agrees that all claims in respect of such dispute or proceedings may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute or proceeding brought in such courts or any defense of inconvenient forum in connection therewith.

Section 10.11 Counterparts. This Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which, when executed and delivered, shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

Section 10.12 Incorporation of Exhibits. All Schedules and all Exhibits attached hereto and referred to herein are hereby incorporated herein by reference and made a part of this Agreement for all purposes as if fully set forth herein.

Section 10.14 Remedies. Subject to Section 10.3, Seller and Buyer hereby acknowledge and agree that money damages may not be an adequate remedy for any breach or threatened breach of any of the provisions of this Agreement and that, in such event, Seller or its respective successors or assigns, or Buyer or its successors or assigns, as the case may be, may, in addition to any other rights and remedies existing in their favor, apply to the Bankruptcy Court or any other court of competent jurisdiction for specific performance, injunctive and/or other relief in order to enforce or prevent any violations of this Agreement.
