No Assignor will do anything to impair the rights of the Agent in the Accounts or Contracts.

Each Assignor shall endeavor in accordance with reasonable business practices to cause to be collected from the account debtor named in each of its Accounts or obligor under any Contract, as and when due (including, without limitation, amounts which are delinquent, such amounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account or Contract, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account or under such Contract. Except as otherwise directed by the Agent after the occurrence and during the continuation of an Event of Default, any Assignor may allow in the ordinary course of business as adjustments to amounts owing under its Accounts and Contracts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, which such Assignor finds appropriate in accordance with reasonable business judgment and (ii) a refund or credit due as a result of returned or damaged merchandise or improperly performed services or for other reasons which such Assignor finds appropriate in accordance with reasonable business judgment. The reasonable costs and expenses (including, without limitation, reasonable attorneys' fees) of collection, whether incurred by an Assignor or the Agent, shall be borne by the relevant Assignor.

3.6. Instruments. If any Assignor owns or acquires any Instrument in excess of \$500,000 constituting Collateral (other than checks and other payment instruments received and collected in the ordinary course of business), such Assignor will within 10 Business Days notify the Agent thereof, and upon request by the Agent will promptly deliver such Instrument to the Agent appropriately endorsed to the order of the Agent.

3.7. Assignors Remain Liable Under Accounts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Accounts to observe and perform all of the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to such Accounts. Anything herein to the contrary notwithstanding, the Assignors shall remain liable under each of the Contracts to observe and perform all of the conditions and obligations to be observed and performed by them thereunder, all in accordance with and pursuant to the terms and provisions of each Contract. Neither the Agent nor any other Secured Creditor shall have any obligation or liability under any Contract by reason of or arising out of this Agreement or the receipt by the Agent or any other Secured Creditor of any payment relating to such Contract pursuant hereto, nor shall the Agent or any other Secured Creditor be obligated in any manner to perform any of the obligations of any Assignor under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any performance by any party under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to them or to which they may be entitled at any time or times.

3.9. Deposit Accounts; Etc.

(a) No Assignor maintains, or at any time after the date of this Agreement shall establish or maintain, any demand, time, savings, passbook or similar account, except for such accounts maintained with a bank (as defined in Section 9-102 of the UCC) whose jurisdiction (determined in accordance with Section 9-304 of the UCC) is within a State of the United States. For each Deposit Account (other than the Cash Collateral Account or any other Deposit Account maintained with the Agent), the respective Assignor shall cause the bank with which the Deposit

Account is maintained to execute and deliver to the Agent, within 30 days after the date of this Agreement or, if later, at the time of the establishment of the respective Deposit Account, a "control agreement" in the form of Annex G hereto (appropriately completed), with such changes thereto as may be acceptable to the Agent. If any bank with which a Deposit Account is maintained refuses to, or does not, enter into such a "control agreement", then the respective Assignor shall promptly (and in any event within 30 days after the date of this Agreement) close the respective Deposit Account and transfer all balances therein to the Cash Collateral Account or another Deposit Account meeting the requirements of this Section 3.9. If any bank with which a Deposit Account is maintained refuses to subordinate all its claims with respect to such Deposit Account to the Agent's security interest therein on terms satisfactory to the Agent, then the Agent, at its option, may (x) require that such Deposit Account be terminated in accordance with the immediately preceding sentence or (y) agree to a "control agreement" without such subordination, provided that in such event the Agent may at any time, at its option, subsequently require that such Deposit Account be terminated (within 30 days after notice from the Agent) in accordance with the requirements of the immediately preceding sentence.

(b) After the date of this Agreement, no Assignor shall establish any new demand, time, savings, passbook or similar account, except for Deposit Accounts established and maintained with banks and meeting the requirements of preceding clause (a). At the time any such Deposit Account is established, the appropriate "control agreement" shall be entered into in accordance with the requirements of preceding clause (a) and the respective Assignor shall furnish to the Agent a supplement to Annex E hereto containing the relevant information with respect to the respective Deposit Account and the bank with which same is established.

3.10. Letter-of-Credit Rights. If any Assignor is at anytime a beneficiary under a letter of credit with a stated amount of \$500,000 or more, such Assignor shall promptly notify the Agent thereof and, at the request of the Agent, such Assignor shall, pursuant to an agreement in form and substance reasonably satisfactory to the Agent, use its reasonable best efforts to (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to the Agent of the proceeds of any drawing under such letter of credit or (ii) arrange for the Agent to become the transferee beneficiary of such letter of credit, with the Agent agreeing, in each case, that the proceeds of any drawing under the letter of credit are to be applied as provided in this Agreement after the occurrence and during the continuance of an Event of Default.

3.11. Commercial Tort Claims. All Commercial Tort Claims of each Assignor in existence on the date of this Agreement are described in Annex H hereto. If any Assignor shall at any time after the date of this Agreement acquire a Commercial Tort Claim in an amount (taking the greater of the aggregate claimed damages thereunder or the reasonably estimated value thereof) of \$500,000 or more, such Assignor shall promptly notify the Agent thereof in a writing signed by such Assignor and describing the details thereof and shall grant to the Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Agent.

3.12. Chattel Paper. Upon the request of the Agent made at any time or from time to time, each Assignor shall promptly furnish to the Agent a list of all Electronic Chattel Paper held or owned by such Assignor. Furthermore, if requested by the Agent, each Assignor shall promptly take all actions which are reasonably practicable so that the Agent has "control" of all

Electronic Chattel Paper in accordance with the requirements of Section 9-105 of the UCC. Each Assignor will promptly (and in any event within 10 days) following any request by the Agent, deliver all of its Tangible Chattel Paper to the Agent.

3.13. Further Actions. Each Assignor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Agent from time to time such vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps, including any and all actions as may be necessary or required under the Federal Assignment of Claims Act, relating to its Receivables, Contracts, Instruments and other property or rights covered by the security interest hereby granted, as the Agent may reasonably require.

ARTICLE IV.

SPECIAL PROVISIONS CONCERNING TRADEMARKS

4.1. Additional Representations and Warranties. Each Assignor represents and warrants that it is the true and lawful owner of or otherwise has the right to use the registered Marks listed in Annex I hereto for such Assignor and that said listed Marks include all United States marks and applications for United States marks registered in the United States Patent and Trademark Office that such Assignor owns or uses in connection with its business as of the date hereof. Each Assignor represents and warrants that it owns, is licensed to use or otherwise has the right to use, all Marks that it uses. Each Assignor further warrants that it has no knowledge of any third party claim received by it that any aspect of such Assignor's present or contemplated business operations infringes or will infringe any trademark, service mark or trade name of any other Person other than as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Assignor represents and warrants that it is the true and lawful owner of or otherwise has the right to use all U.S. trademark registrations and applications listed in Annex I hereto and that said registrations are valid, subsisting, have not been canceled and that such Assignor is not aware of any third-party claim that any of said registrations is invalid or unenforceable, and is not aware that there is any reason that any of said registrations is invalid or unenforceable. Each Assignor hereby grants to the Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of an Event of Default, any document which may be required by the United States Patent and Trademark Office in order to effect an absolute assignment of all right, title and interest in each Mark, and record the same.

4.2. Licenses and Assignments. Except as otherwise permitted by the Loan Documents, each Assignor hereby agrees not to divest itself of any right under any Mark absent prior written approval of the Agent or a determination by its Board of Directors or similar governing body that such Mark is no longer useful in Assignor's business.

4.3. Infringements. Each Assignor agrees, promptly upon learning thereof, to notify the Agent in writing of the name and address of, and to furnish such pertinent information that may be available with respect to, any party who such Assignor believes is infringing or diluting or otherwise violating any of such Assignor's rights in and to any Mark in any manner that could reasonably be expected to have a Material Adverse Effect, or with respect to any party claiming

in writing that such Assignor's use of any Mark material to such Assignor's business violates in any material respect any property right of that party, which claim, if deemed to be true, could reasonably be expected to have a Material Adverse Effect. Each Assignor further agrees to prosecute in accordance with reasonable business practices any Person infringing any Mark in any manner that could reasonably be expected to have a Material Adverse Effect.

4.4. Preservation of Marks. Each Assignor agrees to use its Marks which are material to such Assignor's business in interstate commerce during the time in which this Agreement is in effect and to take all such other actions as are reasonably necessary to preserve such Marks as trademarks or service marks under the laws of the United States (other than any such Marks which are no longer used or useful in its business or operations).

4.5. Maintenance of Registration. Each Assignor shall, at its own expense, diligently process all documents reasonably required to maintain trademark registrations, including but not limited to affidavits of use and applications for renewals of registration in the United States Patent and Trademark Office for all of its material registered Marks, and shall pay all fees and disbursements in connection therewith and shall not abandon any such filing of affidavit of use or any such application of renewal prior to the exhaustion of all administrative and judicial remedies without prior written consent of the Agent (other than with respect to registrations and applications deemed by such Assignor to be no longer prudent to pursue).

4.6. Future Registered Marks. If any Mark registration is issued hereafter to any Assignor as a result of any application now or hereafter pending before the United States Patent and Trademark Office, within 30 days of receipt of such certificate, such Assignor shall deliver to the Agent a copy of such certificate, and an assignment for security in such Mark, to the Agent and at the expense of such Assignor, confirming the assignment for security in such Mark to the Agent hereunder, the form of such security to be substantially in the form of Annex L hereto or in such other form as may be reasonably satisfactory to the Agent.

4.7. Remedies. If an Event of Default shall occur and be continuing, the Agent may, by written notice to the relevant Assignor, take any or all of the following actions: (i) declare the entire right, title and interest of such Assignor in and to each of the Marks, together with all trademark rights and rights of protection to the same, vested in the Agent for the benefit of the Secured Creditors, in which event such rights, title and interest shall immediately vest, in the Agent for the benefit of the Secured Creditors, and the Agent shall be entitled to exercise the power of attorney referred to in Section 4.1 hereof to execute, cause to be acknowledged and notarized and record said absolute assignment with the applicable agency; (ii) take and use or sell the Marks and the goodwill of such Assignor's business symbolized by the Marks and the right to carry on the business and use the assets of such Assignor in connection with which the Marks have been used; and (iii) direct such Assignor to refrain, in which event such Assignor shall refrain, from using the Marks in any manner whatsoever, directly or indirectly, and such Assignor shall execute such further documents that the Agent may reasonably request to further confirm this and to transfer ownership of the Marks and registrations and any pending trademark application in the United States Patent and Trademark Office to the Agent.

ARTICLE V.

**SPECIAL PROVISIONS CONCERNING
PATENTS, COPYRIGHTS AND TRADE SECRETS**

5.1. Additional Representations and Warranties. Each Assignor represents and warrants that it is the true and lawful owner of all rights in (i) all United States trade secrets and proprietary information necessary to operate the business of the Assignor (the "Trade Secret Rights"), (ii) the Patents listed in Annex J hereto for such Assignor and that said Patents include all the United States patents and applications for United States patents that such Assignor owns as of the date hereof and (iii) the Copyrights listed in Annex K hereto for such Assignor and that said Copyrights constitute all the United States copyrights registered with the United States Copyright Office and applications to United States copyrights that such Assignor owns as of the date hereof. Each Assignor further warrants that it has no knowledge of any third party claim that any aspect of such Assignor's present or contemplated business operations infringes or will infringe any patent of any other Person or such Assignor has misappropriated any trade secret or proprietary information which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. Each Assignor hereby grants to the Agent an absolute power of attorney to sign, upon the occurrence and during the continuance of any Event of Default, any document which may be required by the United States Patent and Trademark Office in order to effect an absolute assignment of all right, title and interest in each Patent, and to record the same.

5.2. Licenses and Assignments. Except as otherwise permitted by the Loan Documents, each Assignor hereby agrees not to divest itself of any right under any Patent or Copyright absent prior written approval of the Agent or a determination by its Board of Directors or similar governing body that such Patent or Copyright is no longer useful in such Assignor's business.

5.3. Infringements. Each Assignor agrees, promptly upon learning thereof, to furnish the Agent in writing with all pertinent information available to such Assignor with respect to any infringement, contributing infringement or active inducement to infringe in any Patent or Copyright or to any claim in writing that the practice of any Patent or use of any Copyright violates any property right of a third party, or with respect to any misappropriation of any Trade Secret Right or any claim in writing that practice of any Trade Secret Right violates any property right of a third party, in each case, in any manner which, either individually or in the aggregate, that if deemed true, could reasonably be expected to have a Material Adverse Effect. Each Assignor further agrees, absent direction of the Agent to the contrary, to diligently prosecute, in accordance with its reasonable business judgment, any Person infringing any Patent or Copyright or any Person misappropriating any Trade Secret Right, in each case to the extent that such infringement or misappropriation, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

5.4. Maintenance of Patents or Copyright. At its own expense, each Assignor shall make timely payment of all post-issuance fees required pursuant to 35 U.S.C. § 41 to maintain in force its rights under each Patent or Copyright, absent prior written consent of the Agent (other than any such Patents or Copyrights which are no longer used or useful in its business or operations).

5.5. Prosecution of Patent Applications. At its own expense, each Assignor shall diligently prosecute all material applications for (i) United States Patents Listed in Annex J hereto and (ii) Copyrights listed on Annex K hereto, in each case for such Assignor and shall not abandon any such application prior to exhaustion of all administrative and judicial remedies (other than applications deemed by such Assignor to be no longer prudent to pursue), absent written consent of the Agent.

5.6. Other Patents and Copyrights. Within 30 days of the acquisition or issuance of a United States Patent, registration of a Copyright, or acquisition of a registered Copyright, or of filing of an application for a United States Patent or Copyright, the relevant Assignor shall deliver to the Agent a copy of said Copyright or Patent, or certificate or registration of, or application therefor, as the case may be, with an assignment for security as to such Patent or Copyright, as the case may be, to the Agent and at the expense of such Assignor, confirming the assignment for security, the form of such assignment for security to be substantially in the form of Annex M or N hereto, as appropriate, or in such other form as may be reasonably satisfactory to the Agent.

5.7. Remedies. If an Event of Default shall occur and be continuing, the Agent may, by written notice to the relevant Assignor, take any or all of the following actions: (i) declare the entire right, title, and interest of such Assignor in each of the Patents and Copyrights vested in the Agent for the benefit of the Secured Creditors, in which event such right, title, and interest shall immediately vest in the Agent for the benefit of the Secured Creditors, in which case the Agent shall be entitled to exercise the power of attorney referred to in Section 5.1 hereof to execute, cause to be acknowledged and notarized and to record said absolute assignment with the applicable agency; (ii) take and practice or sell the Patents and Copyrights; and (iii) direct such Assignor to refrain, in which event such Assignor shall refrain, from practicing the Patents and using the Copyrights directly or indirectly, and such Assignor shall execute such further documents as the Agent may reasonably request further to confirm this and to transfer ownership of the Patents and Copyrights to the Agent for the benefit of the Secured Creditors.

ARTICLE VI.

PROVISIONS CONCERNING ALL COLLATERAL

6.1. Protection of Agent's Security. Except as otherwise permitted by the Loan Documents, each Assignor will do nothing to impair the rights of the Agent in the Collateral. Each Assignor will at all times maintain insurance, at such Assignor's own expense to the extent and in the manner provided in the Loan Documents. Except to the extent otherwise permitted to be retained by such Assignor or applied by such Assignor pursuant to the terms of the Loan Documents, the Agent shall, at the time any proceeds of such insurance are distributed to the Secured Creditors, apply such proceeds in accordance with Section 7.4 hereof. Each Assignor assumes all liability and responsibility in connection with the Collateral acquired by it and the liability of such Assignor to pay the Obligations shall in no way be affected or diminished by reason of the fact that such Collateral may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to such Assignor.

6.2. Warehouse Receipts Non-negotiable. To the extent practicable, each Assignor agrees that if any warehouse receipt or receipt in the nature of a warehouse receipt is issued with respect to any of its Inventory, such Assignor shall request that such warehouse receipt or receipt in the nature thereof shall not be "negotiable" (as such term is used in Section 7-104 of the Uniform Commercial Code as in effect in any relevant jurisdiction or under other relevant law).

6.3. Additional Information. Each Assignor will, at its own expense, from time to time upon the reasonable request of the Agent, promptly (and in any event within 10 days after its receipt of the respective request) furnish to the Agent such information with respect to the Collateral (including the identity of the Collateral or such components thereof as may have been requested by the Agent, the value and location of such Collateral, etc.) as may be requested by the Agent. Without limiting the foregoing, each Assignor agrees that it shall promptly (and in any event within 10 days after its receipt of the respective request) furnish to the Agent such updated Annexes hereto as may from time to time be reasonably requested by the Agent.

6.4. Further Actions. Each Assignor will, at its own expense and upon the reasonable request of the Agent, make, execute, endorse, acknowledge, file and/or deliver to the Agent from time to time such lists, descriptions and designations of its Collateral, warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, conveyances, financing statements, transfer endorsements, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Agent deems reasonably appropriate or advisable to perfect, preserve or protect its security interest in the Collateral.

6.5. Financing Statements. Each Assignor agrees to execute and deliver to the Agent such financing statements, in form reasonably acceptable to the Agent, as the Agent may from time to time reasonably request or as are reasonably necessary or desirable in the opinion of the Agent to establish and maintain a valid, enforceable, perfected security interest in the Collateral as provided herein and the other rights and security contemplated hereby. Each Assignor will pay any applicable filing fees, recordation taxes and related expenses relating to its Collateral. Each Assignor hereby authorizes the Agent to file any such financing statements without the signature of such Assignor where permitted by law (and such authorization includes describing the Collateral as "all assets" of such Assignor).

ARTICLE VII.

REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT

7.1. Remedies; Obtaining the Collateral Upon Default. Each Assignor agrees that, if any Event of Default shall have occurred and be continuing, then and in every such case, the Agent, in addition to any rights now or hereafter existing under applicable law and under the other provisions of this Agreement, shall have all rights as a secured creditor under any Uniform Commercial Code, and such additional rights and remedies to which a secured creditor is entitled under the laws in effect in all relevant jurisdictions and may:

- (i) personally, or by agents or attorneys, immediately take possession of the Collateral or any part thereof, from such Assignor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon such Assignor's premises where any of the Collateral is located and remove the same and use in connection with such removal any and all services, supplies, aids and other facilities of such Assignor;
- (ii) instruct the obligor or obligors on any agreement, instrument or other obligation (including, without limitation, the Accounts and the Contracts) constituting the Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Agent and may exercise any and all remedies of such Assignor in respect of such Collateral;
- (iii) instruct all banks which have entered into a control agreement with the Agent to transfer all monies, securities and instruments held by such depositary bank to the Cash Collateral Account;
- (iv) sell assign or otherwise liquidate any or all of the Collateral or any part thereof in accordance with Section 7.2 hereof, or direct the relevant Assignor to sell, assign or otherwise liquidate any or all of the Collateral or any part thereof, and, in each case, take possession of the proceeds of any such sale or liquidation;
- (v) take possession of the Collateral or any part thereof, by directing the relevant Assignor in writing to deliver the same to the Agent at any reasonable place or places designated by the Agent, in which event such Assignor shall at its own expense:
 - (x) forthwith cause the same to be moved to the place or places so designated by the Agent and there delivered to the Agent;
 - (y) store and keep any Collateral so delivered to the Agent at such place or places pending further action by the Agent as provided in Section 7.2 hereof; and
 - (z) while the Collateral shall be so stored and kept, provide such security and maintenance services as shall be reasonably necessary to protect the same and to preserve and maintain it in good condition;
- (vi) license or sublicense, whether on an exclusive or nonexclusive basis, any Marks, Patents or Copyrights included in the Collateral for such term and on such conditions and in such manner as the Agent shall in its sole judgment determine;
- (vii) apply any monies constituting Collateral or proceeds thereof in accordance with the provisions of Section 7.4; and
- (viii) take any other action as specified in clauses (1) through (5), inclusive, of Section 9-607 of the UCC;

it being understood that each Assignor's obligation so to deliver the Collateral is of the essence of this Agreement and that, accordingly, upon application to a court of equity having jurisdiction, the Agent shall be entitled to a decree requiring specific performance by such Assignor of said obligation. By accepting the benefits of this Agreement and each other Loan Document, the Secured Creditors expressly acknowledge and agree that this Agreement and each other Loan Document may be enforced only by the action of the Agent acting upon the instructions of the Required Secured Creditors and that no other Secured Creditor shall have any right individually to seek to enforce this Agreement or any other Loan Document or to realize upon the security to be granted hereby or thereby, it being understood and agreed that such rights and remedies may be exercised by the Agent for the benefit of the Secured Creditors upon the terms of this Agreement and the other Loan Documents.

7.2. Remedies; Disposition of the Collateral. If any Event of Default shall have occurred and be continuing, then any Collateral repossessed by the Agent under or pursuant to Section 7.1 hereof and any other Collateral whether or not so repossessed by the Agent, may be sold, assigned, leased or otherwise disposed of under one or more contracts or as an entirety, and without the necessity of gathering at the place of sale the property to be sold, and in general in such manner, at such time or times, at such place or places and on such terms as the Agent may, in compliance with any mandatory requirements of applicable law, determine to be commercially reasonable. Any of the Collateral may be sold, leased or otherwise disposed of, in the condition in which the same existed when taken by the Agent or after any overhaul or repair at the expense of the relevant Assignor which the Agent shall determine to be commercially reasonable. Any such sale, lease or other disposition may be effected by means of a public disposition or private disposition, effected in accordance with the applicable requirements (in each case if and to the extent applicable) of Sections 9-610 through 9-613 of the UCC and/or such other mandatory requirements of applicable law as may apply to the respective disposition. The Agent may, without notice or publication, adjourn any public or private disposition or cause the same to be adjourned from time to time by announcement at the time and place fixed for the disposition, and such disposition may be made at any time or place to which the disposition may be so adjourned. To the extent permitted by any such requirement of law, the Agent may bid for and become the purchaser (and may pay all or any portion of the purchase price by crediting Obligations against the purchase price) of the Collateral or any item thereof, offered for disposition in accordance with this Section 7.2 without accountability to the relevant Assignor. If, under applicable law, the Agent shall be permitted to make disposition of the Collateral within a period of time which does not permit the giving of notice to the relevant Assignor as hereinabove specified, the Agent need give such Assignor only such notice of disposition as shall be required by such applicable law. Each Assignor agrees to do or cause to be done all such other acts and things as may be reasonably necessary to make such disposition or dispositions of all or any portion of the Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales, all at such Assignor's expense.

7.3. Waiver of Claims. Except as otherwise provided in this Agreement, EACH ASSIGNOR HEREBY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, NOTICE AND JUDICIAL HEARING IN CONNECTION WITH THE AGENT'S TAKING POSSESSION OR THE AGENT'S DISPOSITION OF ANY OF THE COLLATERAL,

INCLUDING, WITHOUT LIMITATION, ANY AND ALL PRIOR NOTICE AND HEARING FOR ANY PREJUDGMENT REMEDY OR REMEDIES, and each Assignor hereby further waives, to the extent permitted by law:

- (i) all damages occasioned by such taking of possession or any such disposition except any damages which are the direct result of the Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision);
- (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Agent's rights hereunder; and
- (iii) all rights of redemption, appraisalment, valuation, stay, extension or moratorium now or hereafter in force under any applicable law in order to prevent or delay the enforcement of this Agreement or the absolute sale of the Collateral or any portion thereof, and each Assignor, for itself and all who may claim under it, insofar as it or they now or hereafter lawfully may, hereby waives the benefit of all such laws.

Any sale of, or the grant of options to purchase, or any other realization upon, any Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the relevant Assignor therein and thereto, and shall be a perpetual bar both at law and in equity against such Assignor and against any and all Persons claiming or attempting to claim the Collateral so sold, optioned or realized upon, or any part thereof, from, through and under such Assignor.

7.4. Application of Proceeds.

(a) All moneys collected by the Agent (or, to the extent the Pledge Agreement or any other Loan Document requires proceeds of collateral under such other Loan Document to be applied in accordance with the provisions of this Agreement, the Pledgee or Agent under such other Loan Document) upon any sale or other disposition of the Collateral, together with all other moneys received by the Agent hereunder, shall be applied as follows.

- (i) first, to the payment of all amounts owing the Agent of the type described in clauses (ii), (iii) and (iv) of the definition of "Obligations";
- (ii) second to the extent proceeds remain after the application pursuant to the preceding clause (i), to the payment of all amounts owing to the Agent and/or its Affiliates of the type described in clause (v) of the definition of "Obligations";
- (iii) third, to the extent proceeds remain after the application pursuant to the preceding clauses (i) and (ii), an amount equal to the outstanding Primary Obligations shall be paid to the Secured Creditors as provided in Section 7.4(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Primary Obligations or, if the proceeds are insufficient to pay in full all such Primary Obligations, its Pro Rata Share of the amount remaining to be distributed;

- (iv) fourth, to the extent proceeds remain after the application pursuant to the preceding clauses (i) through (iii), inclusive, an amount equal to the outstanding Secondary Obligations shall be paid to the Secured Creditors as provided in Section 7.4(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Secondary Obligations or, if the proceeds are insufficient to pay in full all such Secondary Obligations, its Pro Rata Share of the amount remaining to be distributed; and
- (v) fifth, to the extent proceeds remain after the application pursuant to the preceding clauses (i) through (iv), inclusive, and following the termination of this Agreement pursuant to Section 10.8(a) hereof, to the relevant Assignor or to whomever may be lawfully entitled to receive such surplus.

(b) For purposes of this Agreement, (x) "Primary Obligations" shall mean all principal of, premium, fees and interest on, all Loans, the Stated Amount of all outstanding Letters of Credit and all fees due under the Loan Documents and (z) "Secondary Obligations" shall mean all Obligations other than Primary Obligations.

(c) When payments to Secured Creditors are based upon their respective Pro Rata Shares, the amounts received by such Secured Creditors hereunder shall be applied (for purposes of making determinations under this Section 7.4 only) (i) first, to their Primary Obligations and (ii) second, to their Secondary Obligations. If any payment to any Secured Creditor of its Pro Rata Share of any distribution would result in overpayment to such Secured Creditor, such excess amount shall instead be distributed in respect of the unpaid Primary Obligations or Secondary Obligations, as the case may be, of the other Secured Creditors, with each Secured Creditor whose Primary Obligations or Secondary Obligations, as the case may be, have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of such Secured Creditor and the denominator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of all Secured Creditors entitled to such distribution.

(d) Each of the Secured Creditors, by their acceptance of the benefits hereof and of the other Loan Documents, agrees and acknowledges that if the Secured Creditors receive a distribution on account of undrawn amounts with respect to Letters of Credit issued under the Credit Agreement (which shall only occur after all outstanding Revolving Loans under the Credit Agreement and unreimbursed payments and disbursement under Letters of Credit have been paid in full), such amounts shall be paid to the Agent under the Credit Agreement and held by it, for the equal and ratable benefit of the Secured Creditors, as cash security for the repayment of Obligations owing to the Secured Creditors as such. If any amounts are held as cash security pursuant to the immediately preceding sentence, then upon the termination of all outstanding Letters of Credit under the Credit Agreement, and after the application of all such cash security to the repayment of all Obligations owing to the Secured Creditors after giving effect to the termination of all such Letters of Credit, if there remains any excess cash, such excess cash shall be distributed in accordance with Section 7.4(a) hereof.

(e) All payments required to be made hereunder shall be made to the Agent for the account of the Secured Creditors.

(f) For purposes of applying payments received in accordance with this Section 7.4, the Agent shall be entitled to rely upon the Secured Creditors of the outstanding Primary Obligations and Secondary Obligations owed to the Secured Creditors. Unless it has received written notice from a Secured Creditor to the contrary, the Agent, in acting hereunder, shall be entitled to assume that no Secondary Obligations are outstanding.

(g) This Agreement is made with full recourse to each Assignor (including, without limitation, with full recourse to all assets of such Assignor) and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Assignor contained herein, in the other Loan Documents and otherwise in writing in connection herewith or therewith. It is understood that the Assignors shall remain jointly and severally liable to the extent of any deficiency between the amount of the proceeds of the Collateral and the aggregate amount of the Obligations.

7.5. Remedies Cumulative. Each and every right, power and remedy hereby specifically given to the Agent shall be in addition to every other right, power and remedy specifically given to the Agent under this Agreement, the other Loan Documents or now or hereafter existing at law, in equity or by statute and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time or simultaneously and as often and in such order as may be deemed expedient by the Agent. All such rights, powers and remedies shall be cumulative and the exercise or the beginning of the exercise of one shall not be deemed a waiver of the right to exercise any other or others. No delay or omission of the Agent in the exercise of any such right, power or remedy and no renewal or extension of any of the Obligations shall impair any such right, power or remedy or shall be construed to be a waiver of any Unmatured Event of Default or Event of Default or an acquiescence thereof. No notice to or demand on any Assignor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Agent to any other or further action in any circumstances without notice or demand. In the event that the Agent shall bring any suit to enforce any of its rights hereunder and shall be entitled to judgment, then in such suit the Agent may recover reasonable expenses, including reasonable attorneys' fees, and the amounts thereof shall be included in such judgment.

7.6. Discontinuance of Proceedings. In case the Agent shall have instituted any proceeding to enforce any right, power or remedy under this Agreement by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Agent, then and in every such case the relevant Assignor, the Agent and each holder of any of the Obligations shall be restored to their former positions and rights hereunder with respect to the Collateral subject to the security interest created under this Agreement, and all rights, remedies and powers of the Agent shall continue as if no such proceeding had been instituted.

ARTICLE VIII.
