## INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (this "*Intellectual Property Assignment*") is entered into as of the 7<sup>th</sup> day of November, 2008, by and between **LANDMARK GRAPHICS CORPORATION**, a Delaware corporation with its principal place of business at 2107 City West Boulevard, Building 2, Houston, Texas 77042 ("*Assignee*"), and **SCREEN IMAGING TECHNOLOGY, INC.**, a Texas corporation with its principal place of business at 14090 Southwest Freeway, Suite 408, Sugar Land, Texas 77478, ("*Assignor*").

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of November 7, 2008 (the "*Asset Purchase Agreement*"), by and between Assignee and Assignor, Assignor has agreed to sell and Assignee has agreed to purchase, the Purchased Assets and the Business (as those terms are defined in the Asset Purchase Agreement);

WHEREAS, pursuant to the Asset Purchase Agreement, Assignee is to own, and Assignor has agreed to provide to Assignee, certain intellectual property assets that are currently owned by Assignor, as set forth herein; and

WHEREAS, this Intellectual Property Assignment is provided pursuant to the Asset Purchase Agreement, and capitalized terms used but not defined in this Intellectual Property Assignment shall have the meaning ascribed such terms in the Asset Purchase Agreement;

NOW, THEREFORE, in consideration of the sum of One Dollar and the covenants and agreements of the parties herein and in the Asset Purchase Agreement, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and intending to be legally bound hereby, Assignor and Assignee agree as follows:

### SECTION 1 ASSIGNMENTS

1.1 **Assignment.** Subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, Assignor hereby irrevocably assigns, transfers and conveys to Assignee, all of Assignor's right, title and interest in and to the Intellectual Property Assets, including, without limitation, the Patents (including, without limitation, those described in Exhibit A attached hereto), the Copyrights (including without limitation Seller's right, title and interest in the nature of copyright in the Software for which a summary outline is provided in Exhibit B attached hereto), the Rights in Mask Works, the Trade Secrets (including without limitation, those described in Exhibit B attached hereto), the Marks (including without limitation, those described in Exhibit C attached hereto), and the Net Names (including, without limitation, those described in Exhibit D attached hereto) including in each case, without limitation, the right to sue for past, present and future infringements thereof.

## SECTION 2 FURTHER ASSURANCES

2.1 **Non-Disclosure.** Subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, Assignor shall not, without the prior consent of Assignee, disclose any Trade Secrets to any third party or take any other action inconsistent with Assignee's rights under this Agreement.

2.2 **Further Assurances.** Subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, Assignor shall take all actions, do all things and assist Assignee in every necessary or appropriate way to obtain or enforce any patents or other proprietary rights relating to the Intellectual Property Assets, and shall execute any and all documents and applications necessary or appropriate, as determined by Assignee to vest in Assignee full legal title in the Intellectual Property Assets and to effect the transactions contemplated hereunder, and Assignor shall continue such assistance after the termination of this Intellectual Property Assignment for any reason.

2.3 **Trade Secrets.** Subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, Assignor shall promptly make available to Assignee at no charge all of the information, materials and documentation comprising the Trade Secrets.

2.4 **Quality of Information.** Subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, Assignor agrees to provide Assignee with the Intellectual Property Assets on the basis of the best know-how, knowledge and experience from actual commercial and developmental operation known to Assignor.

## SECTION 3 GENERAL

3.1 **Notices.** All notices, requests and demands given to or made upon the parties hereto shall, except as otherwise specified herein, be in writing and be delivered or mailed to any such party at the address of its corporate headquarters. Any party may, by notice hereunder to all parties, designate a changed address for such party. Any notice, if mailed properly addressed, postage prepaid, registered or certified mail, shall be deemed dispatched on the registered date or that stamped on the certified mail receipt, and shall be deemed received on the fifth business day thereafter or when it is actually received, whichever is sooner.

3.2 **Binding Effect.** This Intellectual Property Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns and legal representatives. Assignee shall have the right to assign or otherwise transfer all or any portion of its rights or obligations under this Intellectual Property Assignment. Assignor may not assign or otherwise transfer all or any portion of its rights or obligations under this Intellectual Property Assignment.

3.3 **Counterparts.** This Intellectual Property Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which shall constitute together one and the same agreement.

3.4 **Governing Law/Jurisdiction.** This Intellectual Property Assignment shall be deemed to be a contract made under the laws of the State of Texas, except as to its provisions relating to conflicts of laws which would result in the application of the laws of any other jurisdiction, and for all purposes it shall be construed in accordance with and governed by the law of such state. Any dispute between the parties hereto, either with respect to the interpretation of any provision of this Agreement or with respect to the performance by either party hereunder, shall be resolved as provided in Section 10.4 of the Asset Purchase Agreement, which Section 10.4 is hereby incorporated by reference for all purposes.

3.5 **Severability.** Wherever possible, each provision of this Intellectual Property Assignment and each related document shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Intellectual Property Assignment or any related document shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or the remaining provisions of this Intellectual Property Assignment or such related document.

3.6 **Modification.** This Intellectual Property Assignment may not be and shall not be deemed or construed to have been modified, amended, rescinded, canceled, or waived in whole or in part, except by written instruments signed by the parties hereto.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Assignment to be duly executed by their authorized officers as of the date first written above.
