## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of June 5, 2009, is by and between each of the undersigned debtors (hereinafter collectively referred to as the "Debtors") and New York Life Investment Management LLC, as administrative agent (the "Administrative Agent") for the Note Purchasers under the Note Purchase Agreement (as hereinafter defined). The Administrative Agent and the Note Purchasers are herein collectively referred to from time to time as the "Secured Parties".

### W I T N E S S E T H:

WHEREAS, each Debtor is either the borrower or a guarantor under the terms of a Second Lien Note Purchase Agreement dated as of the date hereof (as amended from time to time, the "Note Purchase Agreement") among Affinity Group, Inc., a Delaware corporation (the "Borrower"), the guarantors party thereto (together with the Borrower, the "Credit Parties"), the Note Purchasers party thereto and the Administrative Agent; and

WHEREAS, the obligations of the Secured Parties to enter into the Note Purchase Agreement are subject to the conditions, among others, that each Debtor shall execute and deliver this Agreement and grant the security interest hereinafter described;

NOW THEREFORE, in consideration of the willingness of the Secured Parties to enter into the Note Purchase Agreement and of the Secured Parties to agree, subject to the terms and conditions set forth therein, to purchase the Notes, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed, with the intent to be legally bound, as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Note Purchase Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the prompt and complete payment, performance and observance of all of the Obligations, and to induce the Secured Parties to enter into the Note Purchase Agreement and to purchase the Notes as provided for therein in accordance with the terms and conditions thereof, each Debtor hereby grants to Secured Parties a continuing priority security interest in all of such Debtor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its trademarks and trademark licenses to which it is a party;
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each trademark and each trademark license; and
- (d) all products and proceeds of the foregoing, including, without limitation, any claim by such Debtor against third parties for past, present or future (i) infringement or dilution of any trademark or trademark licensed under any trademark license or (ii) injury to the goodwill associated with any trademark or any trademark licensed under any trademark license.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Secured Parties pursuant to the Security Agreement. Each Debtor hereby acknowledges and affirms that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, the Debtors have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
