BILL OF SALE AND ASSIGNMENT

THIS BILL OF SALE AND ASSIGNMENT (this "**Bill of Sale**"), dated as of May 26, 2009 (the "**Effective Date**"), is being executed and delivered by ALDOR SOLUTIONS CORPORATION, a Florida corporation (the "**Company**"), NAPOLEON HOLDINGS, SA, an International Business Company ("**Napoleon**"), LIFEFILES.COM, INC. ("**Lifefiles**"), DAVIDSON SOFTWARE SYSTEMS, INC. ("**Davidson**"), and IUNDERTAKE, INC. ("**IUndertake**", together with the Company, Napoleon, Lifefiles, and Davidson, the "**Seller**"), pursuant to that certain Asset Purchase Agreement, dated as of April 27, 2009 (the "**Asset Purchase Agreement**"), by and among Seller, ALDOR SYSTEMS, INC., a Florida corporation (the "**Buyer**"), and KEYSTONE AMERICA, INC., a Delaware corporation.

FOR VALUABLE CONSIDERATION, the receipt and adequacy of which are hereby acknowledged, Seller hereby sells, conveys, transfers, assigns, delivers, and sets over to Buyer all of Seller's right, title and interest in, and all contractual and other rights under and pursuant to, the following Acquired Assets:

1.1 Acquired Assets.

Seller hereby sells, conveys, transfers, assigns, delivers and sets over to Buyer, free and clear of all Encumbrances (except Assumed Liabilities or as otherwise expressly provided in the Asset Purchase Agreement,) and Buyer hereby purchases, all of the right, title, and interest of Seller in and to the operating assets of the Company, LifeFiles, Davidson and Iundertake used in connection with the Services, including without limitation: (i) the goodwill of the Company and the Subsidiaries; and (ii) all of the assets, properties, and rights of the Company and the Subsidiaries used in connection with the Services, of every type and description, real and personal, tangible and intangible, wherever located and whether or not reflected on the books and records of the Company (the "**Acquired Assets**"). Included, without limitation, in the Acquired Assets are:

- (a) all furniture, fixtures, equipment, leasehold improvements, inventory, supplies and other tangible property (the "**Equipment**"), more particularly identified without limitation in **Exhibit B**;
- (b) all rights and obligations from the date of the Closing Date pursuant to contracts for Services (the "**Contracts**", as identified in **Exhibit C**), as well as all accounts receivable associated with the Contracts ("**Accounts Receivable**", as identified in **Exhibit G**) (A copy of each of the Contracts for the 25 largest customers of Seller is attached to **Exhibit C**);
- (c) all rights and obligations from the date of the Closing Date pursuant to contracts for services and/or merchandise utilized or relied upon by Seller in offering the Services (the "**Vendor Contracts**") (attached as **Exhibit D**);
- (d) only licenses for third party off-the-shelf software and those other

contracts, commitments or liabilities, if any, from the date of the Closing Date, which are accepted at Closing by the Buyer and are clearly identified as the "Assumed Liabilities" in Exhibit E;

- (e) all intangibles, patents, trademarks and tradenames used in connection with the Services, including without limitation all rights of the Seller in and to the name "Aldor Solutions Corporation", and all expansions, contractions and modifications thereof, and all goodwill associated therewith, and the associated telephone numbers (the "Intellectual Property", as identified in Exhibit F);
- (f) the Company's funeral industry business as a going concern and related goodwill, including copies of the following: all relevant business and customer and supplier payment histories related to the Services, files, customer and supplier records, customer and supplier correspondence and account histories and advertising literature, provided, however, that all other correspondence and any all books and records, files, documents and other materials or information that are not used in connection with the Services are Excluded Assets and shall be retained exclusively by the Company; and
- (g) all other assets of the Company which are or have been used in connection with offering and delivering the Services; provided, however, that the Acquired Assets shall not include the following Excluded Assets.

1.2 Excluded Assets.

Excepted and excluded from the Acquired Assets are the following (the "Excluded Assets"):

- (a) the Company's treasury stock, corporate seal, Organizational Documents, stock transfer records, corporate minute books, internal correspondence, all other records of the Company relating solely to its corporate organization and structure and/or non-funeral-related business, and such accounting books of original entry and other records which the Company is required by law or governmental regulations to keep in its possession;
- (b) the stock or other equity interests of each subsidiary or affiliate of the Company, and their respective Organizational Documents, stock or equity transfer records, corporate minute books and records of each such subsidiary relating solely to its corporate organization and structure, correspondence and such accounting books of original entry and other records which such entities are required by law or governmental regulations to keep in its possession;
- (c) the amounts existing as of the Closing Date in the following asset accounts

of the Company:

- (i) cash, cash equivalents and deposits in transit (the "Cash Accounts");
 - (ii) all insurance dividends and premium refunds due or yet to become due in connection with the Company's conduct of business up to the Closing Date; and
 - (iii) tax refunds.
- (d) the Seller's rights and obligations under contracts and commitments which are not part of the Assumed Liabilities, including, without limitation, any and all claims, counter-claims or causes of action against customers or suppliers arising out of or in connection with the Contracts and Vendor Contracts related to Services performed or events occurring prior to the Closing Date;
- (e) assets of the Seller which are not and have never been used in connection with any of the Services;
- (f) assets of the Seller which may have been used in connection with the Services, but which the Parties have agreed are excluded ("Excluded Assets", as shown on Exhibit H); and
- (g) all assets of the following direct and indirect subsidiaries of Aldor, LTH Management, Inc., ATI Systems, Inc., and Lifesys, LLC (collectively, the "Unrelated Subsidiaries"). Seller represents and warrants that none of the assets of Unrelated Subsidiaries have at anytime been used in connection with the funeral industry. Seller agrees that any assets of any Unrelated Subsidiaries which have been used in the funeral industry would be included in the above Acquired Assets.

1.3 Assumption of Certain Contract Obligations; Non-assumption of Liabilities.

On and subject to the terms and conditions of this Agreement, Buyer agrees to assume obligations from the date of the Closing Date under only the Contracts (including, without limitation, all work in progress), Vendor Contracts and Assumed Liabilities set forth in Exhibits C, D and E. Seller shall cooperate with Buyer in obtaining any necessary assignments or consents. Except as set forth in the preceding sentence, it is understood and agreed that Buyer is not assuming and shall not assume any other obligations or Liabilities of the Company.

1.4 Intellectual Property.

Seller hereby sells, transfers, conveys and assigns all of Seller's right, title and interest whatsoever throughout the world in and to (i) the trademarks, service marks, logos, trade names, copyrights, domain names, and domestic and foreign patents (together with all continuations, continuations in part, divisions, reissues, reexaminations,

and extensions thereof, and the inventions described and claimed therein, all other rights arising out of such inventions and discoveries, and all United States and foreign patents and filings, utility models, and design registrations that may be (or have been) filed or granted based on such inventions or improvements, and the right to claim priority based on the filing date of the applications and patents under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes), listed on Exhibit F, whether registered or unregistered, together with (ii) all applications to register such Intellectual Property, and registrations of such Intellectual Property, and (iii) all renewals and extensions of any of the foregoing and the goodwill of all business connected with the use of and symbolized by the Intellectual Property and (iv) all licenses related to any of the foregoing, to Buyer. Included with such transfer and assignment is any and all of Seller's right to sue for and obtain damages or other available remedies for all past, present and future infringements of the Intellectual Property and all income, royalties or payments due or payable as of the Effective Date or thereafter with respect to the Intellectual Property, the same to be held and enjoyed by Buyer, its successors and assigns from and after the date of this Assignment as fully and entirely as the same would have been held and enjoyed by Seller had this Assignment not been made. Seller further transfers and assigns any and all of Seller's rights to file for and obtain registrations of the Intellectual Property anywhere in the world for the goods and services covered by the assigned applications and registrations and for any other goods and services for which the Intellectual Property is presently used, with the right to base priority on Seller's first date of use or on any application and/or registration being assigned herein.

Seller hereby further agrees and covenants that Seller, or Seller's legal representatives and assigns, as the case may be, shall execute and convey as directed upon Buyer's request (or the request of Buyer's successor or assigns), without demanding any further consideration therefor, any and all other documents, information, evidence or facts requested by Buyer that are known or available to Seller (or its successor or assigns) relating to said inventions, patents and patent applications, or the history thereof, as Buyer in its sole discretion deems advisable or necessary in order to fully vest all rights herein transferred to Buyer in Buyer, and will testify as to the same in any interference or other litigation or legal proceeding when requested to do so.

Seller hereby authorizes the United States Patent and Trademark Office, United States Copyright Office, and any similar foreign or domestic government authority to transfer Seller's right, title and interest in and to the Intellectual Property, and any other governmental grants or issuances that may be granted upon any of the Intellectual Property rights, to Buyer as assignee of Seller's entire right, title and interest therein or otherwise as Buyer may direct, in accordance with this Assignment.

1.5 General Provisions.

TO HAVE AND TO HOLD, the Acquired Assets, unto the Buyer, its successors and assigns, forever.

In the event documents, agreements, instruments or certificates of title in addition to this Bill of Sale are necessary or appropriate in order to transfer Seller's right, title and interest in and to any of the Acquired Assets to Buyer, Seller will promptly execute and deliver such additional documents, agreements, instruments or certificates of title to Buyer as reasonably requested from time to time by Buyer.

This Bill of Sale and Assignment is an integral part of the Contemplated Transactions set forth in the Asset Purchase Agreement. All Capitalized terms used herein shall have the meaning given in the Asset Purchase Agreement if not specifically defined herein. All Exhibits referred to in this Bill of Sale are attached to the Asset Purchase Agreement and are incorporated herein for all purposes as though set out at length herein.

This Bill of Sale shall be construed in accordance with and governed by the law of the State of Florida.
