INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (the "Agreement") is entered into as of May 29, 2009 by and among **OXFORD FINANCE CORPORATION**, a Delaware corporation with an office located at 133 North Fairfax Street, Alexandria, Virginia 22314 ("**Oxford**" and "**Lender**"), and **SCIENT'X**, S.A., a company organized and existing under the laws of France with an office located at Batiment Calypso-Parc Ariane 3, 5 Rue Alfred Kastler, 78284 Guyancourt, France ("**Grantor**").

RECITALS

A. Lender has agreed to make certain advances of money and to extend certain financial accommodation to Scient'x USA, Inc. ("**Borrower**") in the amounts and manner set forth in that certain Loan and Security Agreement dated as of the date hereof between Lender and Borrower (as the same may be amended, modified or supplemented from time to time, the "**Loan Agreement**"). As a condition to the Loan Agreement, Grantor has entered into a Cautionnement Personnel et Solidaire of even date herewith for the benefit of Lender (as amended from time to time, the "**Guaranty**"). To secure performance of Grantor's obligations under the Guaranty, Grantor has agreed to grant Lender a security interest in certain Copyrights, Patents, and Trademarks (as each term is described below) registered in the United States that Grantor now owns or hereafter acquires. Any capitalized terms used without definition herein shall have the meanings assigned to them in the Loan Agreement, as appropriate.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete performance of its obligations under the Guaranty, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

1. To secure its obligations under the Guaranty, Grantor grants and pledges to Lender a security interest in all of Grantor's right, title and interest in, to and under its intellectual property registered in the United States (all of which shall collectively be called the "**Intellectual Property Collateral**"), including, without limitation, the following:

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof registered in the United States, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on Exhibit A attached hereto (collectively, the "**Copyrights**");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(c) Any and all design rights that may be available to Grantor now or hereafter existing, created, acquired or held;

(d) All patents, patent applications and like protections registered in the United States and including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including those set forth on Exhibit B attached hereto (collectively, the "**Patents**") but excluding those set forth on Exhibit C attached hereto;

(e) Any trademark and servicemark rights, registered in the United States, applications to register and registrations of the same and like protections, and the entire goodwill of the

business of Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit D attached hereto (collectively, the "Trademarks");

(f) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(g) All licenses or other rights to use any of the Copyrights, Patents or Trademarks and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(h) All amendments, renewals and extensions of any of the Copyrights, Patents, or Trademarks; and

(i) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

2. This security interest is granted in conjunction with the security interest granted to the Lender under the Guaranty. The rights and remedies of the Lender with respect to the security interest granted hereby are in addition to those set forth in the Guaranty and the other Loan Documents, and those which are now or hereafter available to the Lender as a matter of law or equity. Each right, power and remedy of the Lender provided for herein or in the Guaranty or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Lender of any one or more of the rights, powers or remedies provided for in this Agreement, the Guaranty or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including the Lender, of any or all other rights, powers or remedies.

3. Modifications. This Agreement or any provision hereof may not be changed, waived or terminated except in writing and signed by both Lender and Guarantor.

4. Governing Law. New York law governs this Agreement without regard to principles of conflicts of law, Grantor and Lender each submit to the exclusive jurisdiction of the State and Federal courts in the Borough of Manhattan, New York; provided, however, that nothing in this Agreement shall be deemed to operate to preclude Lender from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or the Intellectual Property Collateral or any other security for the Obligations, or to enforce a judgment or other court order in favor of Lender.

5. Counterparts. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, are an original, and all taken together, constitute one Agreement.
