ASSIGNMENT OF TRADEMARKS

ASSIGNMENT OF TRADEMARKS made as of the 15th day of June, 2009, by BearingPoint, Inc., a Delaware corporation having a place of business at 100 Crescent Court, Suite 700, Dallas, Texas 75201 (“Assignor”), to PricewaterhouseCoopers LLP, a Delaware limited liability partnership having a place of business at 300 Madison Avenue, New York, New York 10017 (“Assignee”).

RECITAL

Assignor is the owner of the trademarks and registrations thereof identified on Schedule A (including all common law rights therein and the goodwill of the business connected with the use of, and symbolized by, said marks), and has used and is using the trademarks which are the subjects thereof on or in connection with the goods and services identified in such trademark registrations.

Assignee and Assignor are parties to an Amended and Restated Asset Purchase Agreement dated as of May 28, 2009 (the “Agreement”), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Acquired Assets (as defined in the Agreement), including without limitation certain trademarks of Assignor. Pursuant to the Agreement, Assignor has agreed to execute and deliver such other instruments of sale, transfer, conveyance and assignment and to take such actions as Assignee may reasonably request to effectively transfer, convey and assign to Assignee on the terms set forth in the Agreement, and to confirm Assignee’s rights to, title in and ownership of, the Acquired Assets pursuant to the Agreement, and to place Assignee in actual possession and operating control of the Acquired Assets.

In accordance therewith, Assignor wishes to execute this Assignment of Trademarks for purposes of documenting and recordation with the United States Patent and Trademark Office the transfer and assignment of all of Assignor’s right, title and interest in, to and under Assignor’s United States (the “Territory”) trademark registrations listed on Schedule A annexed hereto and the trademarks which are the subjects thereof (all of the foregoing being referred to herein as the “Trademarks”).

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns its entire right, title and interest in and to the Trademarks in the Territory, including all common law rights therein and the goodwill of the business connected with the use of, and symbolized by, said marks, and the right to sue and collect damages in Assignee’s own name for any and all past, present or future infringement, dilution or other injury to the goodwill thereof.

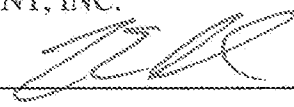

Assignor further agrees, for itself, its successors and assigns, to execute such further documents and to perform such further lawful acts as may reasonably be requested by Assignee to effectuate this assignment.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Trademarks shall be governed by and construed in accordance with the laws of the State of New York without giving effect to the principles of conflicts of laws thereof.

Witness my hand and seal this 15th day of June, 2009.

BEARINGPOINT, INC.
