Notwithstanding anything to the contrary contained elsewhere in this Agreement, the Secured Parties shall share Ratably all proceeds from or distributions of or with respect to the Collateral.

Such collateral assignment and grant of security interest shall not extend to, and the term “Collateral” shall not include, any of the foregoing which are now or hereafter held by the Company to the extent that (i) the same are not assignable or capable of being encumbered as a matter of law or under the terms of any agreement applicable thereto (except to the extent that such restriction does not impair the creation of a security interest under the UCC) without the consent of the other applicable party thereto and (ii) such consent has not been obtained; provided, however, that such grant of security interest shall extend to, and the term “Collateral” shall include (A) any and all proceeds of the foregoing to the extent that the assignment or encumbering of such proceeds is not so restricted and (B) upon any other applicable party’s consent being obtained with respect to any of the foregoing that is otherwise excluded, thereafter the same as well as any and all proceeds thereof that might have theretofore been excluded from such grant of a security interest shall be included within the term “Collateral.” Notwithstanding anything in this Agreement to the contrary, at any time prior to the occurrence of an Event of Default, the Company shall have the right to grant to third parties non-exclusive licenses or sublicenses of any proprietary rights in which the Company has any right, title or interest in the ordinary course of business and, subject to the Secured Parties’ consent, other licenses or sublicenses of such proprietary rights.

3. Representations and Warranties. As an inducement to the Secured Parties to enter into this Agreement, the Company represents and warrants that **Annex I** of this Agreement sets forth a complete and correct list of all material registered Copyrights, Copyright Licenses, Patents, Patent Licenses, Trademarks and Trademark Licenses in which the Company has any right, title or interest.

4. Continuing Liability. The Company hereby expressly agrees that, anything herein to the contrary notwithstanding, it shall remain liable under each license, interest and obligation assigned to the Secured Parties hereunder to observe and perform all the conditions and obligations to be observed and performed by the Company thereunder, all in accordance with and pursuant to the terms and provisions thereof. The Secured Parties shall not have any

obligation or liability under any such license, interest or obligation by reason of or arising out of this Agreement or the collateral assignment thereof to the Secured Parties or the receipt by the Secured Parties of any payment relating to any such license, interest or obligation pursuant hereto, nor shall the Secured Parties be required or obligated in any manner to perform or fulfill any of the obligations of the Company thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such license, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at time or times.

5. Default. In the event of the occurrence of an Event of Default (as defined in the Notes), an event of default shall, without notice or demand, occur hereunder (each of the foregoing, an "*Event of Default*").

6. Remedies. (a) If an Event of Default has occurred, the Secured Parties may exercise, in addition to all other rights and remedies granted to it in this Agreement and all documents, instruments, and agreements executed in connection therewith, all rights and remedies of a secured party under the Uniform Commercial Code. Without limiting the generality of the foregoing, the Company expressly agrees that in any such event the Secured Parties without demand of performance or other demand, advertisement or notice of any kind (except to such extent as notice may be required by applicable law with respect to the time or place of any public or private sale) to or upon the Company or any other person or entity (all and each of which demands, advertisements and/or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give an option or options to purchase, or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange, broker's board or at any of the Secured Parties' offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Secured Parties shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Company, which right or equity is hereby expressly waived and released. Notwithstanding anything in this Agreement to the contrary, the Secured Parties acknowledge and agree that, in exercising their Remedies hereunder, (i) the Collateral may not be sold, leased, licensed or otherwise disposed of except in a commercially reasonable manner as provided in Section 9-610 of the Uniform Commercial Code ("*UCC*"), (ii) the Collateral may not be sold, leased, licensed or otherwise disposed of privately to the Secured Parties or an "affiliate" thereof, as such term is defined in the Securities Act of 1933, as amended, except in accordance with Section 9-610(c)(2) of the UCC if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations, and (iii) any consent by the Company or decision not to object to the Secured Parties' acceptance of the Collateral in full or partial satisfaction of the obligations pursuant to Section 9-620 of the UCC will be subject to approval by a majority of the votes entitled to be cast by holders of the Company's capital stock (other than the Secured Parties and any affiliate thereof).

(b) Without limiting the generality of the foregoing, if an Event of Default has

occurred,

(i) the Secured Parties may license, or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Copyrights, Patents or Trademark included in the Collateral throughout the world, the proceeds of such license or sublicense to be applied to the payment of the Secured Obligations;

(ii) the Secured Parties may (without assuming any obligations or liability thereunder), at any time and from time to time, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of the Company in, to and under any Copyright Licenses, Patent Licenses or Trademark Licenses and take or refrain from taking any action under any thereof; and

(iii) upon request by the Secured Parties, the Company will execute and deliver to the Secured Parties a power of attorney, in form and substance satisfactory to the Secured Parties, for the implementation of any lease, assignment, license, sublicense, grant of option, sale or other disposition of a Copyright, a Patent or a Trademark.

7. Grant of License to Use Intangibles. For the purpose of enabling the Secured Parties to exercise rights and remedies under Section 6 hereof at such time as the Secured Parties, without regard to this Section 7, shall be lawfully entitled to exercise such rights and remedies and for no other purpose, the Company hereby grants to the Secured Parties an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Company) to use, assign, license or sublicense any of the Collateral, whether now owned or hereafter acquired by the Company, and wherever the same be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

8. Power of Attorney. The Company hereby irrevocably appoints the Secured Parties their true and lawful attorney (such appointment coupled with an interest), with full power of substitution, in the name of the Company, the Secured Parties, or otherwise, for the sole use and benefit of the Secured Parties, but at the Company's expense, to exercise (to the extent permitted by law), at any time and from time to time after an Event of Default has occurred until all of the Secured Obligations have been satisfied in full, all or any of the following powers with respect to all or any of the Collateral:

(a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due thereon or by virtue thereof;

(b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto;

(c) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if the Secured Parties were the absolute owners thereof; and

(d) to extend the time of payment of any or all thereof and to make any

allowance and other adjustments with reference thereto.

9. Termination. This Agreement and the security interest shall terminate when all of the Secured Obligations have been paid in full, at which time the Secured Parties shall execute and deliver to the Company, at the Company's expense, all termination statements and similar documents (including, but not limited to, any termination statements or other documents to be filed with or submitted to the United States Patent and Trademark Office), including those which the Company shall reasonably request to evidence such termination and release of the Collateral hereunder.

10. Miscellaneous.

10.1 Amendments. No amendment, modification, termination or waiver of this Agreement or any provision hereof nor any consent to any departure by the Company herefrom shall be effective unless the same is in writing and signed by the Secured Parties and the Company and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

10.2 Governing Law; Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the law of the Commonwealth of Massachusetts without giving effect to the conflicts of laws principles thereof. For the purpose of litigating any dispute that arises under this Agreement, the parties hereby consent to exclusive jurisdiction in the Commonwealth of Massachusetts and agree that such litigation shall be conducted in the courts of Middlesex County, Massachusetts or the federal courts of the United States for the District of Massachusetts.
