C. Buyer desires to purchase and Sellers desire to sell or cause to be sold certain assets and properties of the Business on the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual representations, warranties, covenants and agreements hereinafter set forth, the parties hereto agree as follows:

ARTICLE I ACQUISITION OF ASSETS

1.1. Purchased Assets. Upon the terms and subject to the conditions of this Agreement, effective as of the Effective Time, each Seller shall sell, transfer, assign, convey and deliver to Buyer, and Buyer shall acquire from each Seller, free and clear of all Liens and other restrictions of any kind other than the Assumed Liabilities and the Permitted Liens, the following assets related to the Business (to the extent owned by each Seller as may be indicated on Schedules 1.1(a) through 1.1(h)) (collectively, the "Purchased Assets");

(a) all inventory and deposits made in connection therewith listed on Schedule 1.1(a);

(b) all personal property listed on Schedule 1.1(b);

(c) all contracts listed on Schedule 1.1(c) (the "Assumed Contracts");

(d) all of the Licensed Software listed on Schedule 1.1(d);

(e) all intellectual property listed on Schedule 1.1(e) (collectively, the "Intellectual Property");

- (f) all domain names and e-mail addresses listed on Schedule 1.1(f);
- (g) all telephone and facsimile phone numbers for the Business listed on Schedule 1.1(g);
- (h) all of Sellers' personal property located in the Manhattan Office, the Atlanta Showroom and the Las Vegas Showroom, as well as all of Sellers' personal property located in the MS HQ that is listed on Schedule 1.1(h); and
- (i) the Business as a going concern and all goodwill in connection with the Business.

1.2. Excluded Assets. The Purchased Assets shall not include, and Sellers shall retain, all of their respective assets that are not identified in Section 1.1 as Purchased Assets (e.g., the Business A/R), and the OEM shipments and deliveries that were fully paid by Sellers on or prior to the Effective Time which are identified on Schedule 1.2 (the "Excluded Assets").

1.3. Assumption of Certain Liabilities. On the terms and subject to the conditions set forth in this Agreement, Buyer shall assume as of the Effective Time and agree to pay only the following (collectively, the "Assumed Liabilities"):

- (a) All unpaid and partially-paid purchase orders listed on Schedule 1.3(a);
- (b) All unpaid or unperformed obligations and liabilities of Sellers under the Assumed Contracts arising on or after the Effective Time; and
- (c) All obligations arising out of Section 1.9.

1.4. Excluded Liabilities. Except for the Assumed Liabilities, Buyer will not assume or otherwise be responsible for any liabilities or obligations of Sellers (the "Excluded Liabilities").

1.5. Customer Claims. Sellers shall be responsible for Customer claims, including, without limitation, returns, defective Products, credits and year-end rebates (collectively, "Customer Claims"), relating to Products sold prior to the Effective Time and all such returns shall be applied to reduce the Deemed Business A/R dollar for dollar. Buyer shall be responsible for Customer Claims relating to Products sold on or after the Effective Time.

1.6. Purchase Price. As the full consideration for the Purchased Assets and the Business, Buyer shall pay and, if applicable, issue, to Sellers the following (collectively, the "Purchase Price"):

- (a) The amount of One Dollar (\$1.00) which amount shall be due and payable at the Closing;
- (b) The Interests (as defined in the Restated Buyer LLC Agreement) designated as Class B Common Units (as defined in the Restated Buyer LLC Agreement) in

Buyer and/or cash, if applicable, which shall be issued and/or paid at such time and in such amounts as set forth in Section 1.7.

1.7. Business A/R.

(a) Pursuant to Section 1.2, each Seller retains ownership of any and all Business A/R owned by such Seller (including, without limitation, those Accounts Receivables arising out of OEM shipments and deliveries that were fully paid by Sellers on or prior to the Effective Time). During the period commencing at the Effective Time and expiring one hundred and twenty (120) calendar days thereafter (the "Collection Period"), Sellers shall use commercially reasonable efforts, at their sole expense and in a manner consistent with Sellers' past collection practices, to collect the Business A/R. Sellers shall provide Buyer with bi-weekly collection reports (i.e, every other week) setting forth the then-current status of Sellers' Business A/R collections.

(b) Upon the expiration of the Collection Period, if Sellers have received cash in payment of Business A/R in an aggregate amount equal to or greater than eighty-five percent (85%) of the Deemed Business A/R, then Sellers shall not be entitled to any further compensation from Buyer under this Section 1.7 and Sellers shall be free to continue their collection efforts with respect to the balance of the Business A/R. However, if upon the expiration of the Collection Period, Sellers have not received cash in payment of Business A/R in an aggregate amount equal to or greater than eighty-five percent (85%) of the Deemed Business A/R, then Buyer shall issue to GMI membership interests of Buyer so that immediately after such issuance, GMI shall own the percentage of Buyer's total issued and outstanding membership interests set forth opposite the applicable percentage of Deemed Business A/R received by Sellers prior to expiration of the Collection Period in the chart below. Any membership interests issued to GMI pursuant to this Section 1.7 shall be Interests designated as Class B Common Units, the number of Class B Common Units so issued shall be the number necessary to make the Percentage Interest of the membership interests so issued to GMI be equal to the amount set forth on the chart below, and the initial Capital Account (as defined in the Restated Buyer LLC Agreement) of GMI shall be zero (0).

| <u>Percentage of Deemed Business A/R Collected</u> | <u>Percentage of Membership Interests</u> |
|--|---|
| 0.000% to 49.999% | 30.00% |
| 50.000% to 59.999% | 27.50% |
| 60.000% to 69.999% | 25.00% |
| 70.000% to 79.999% | 22.50% |
| 80.000% to 84.999% | 20.00% |
| 85.000% and above | 0.00% |

In the event that Buyer issues membership interests to Kern pursuant to the last sentence of Section 1.7(c), the percentages of membership interests in the right-hand column above shall relate to the percentage of total issued and outstanding membership interests of Buyer other than those issued to Kern.

(c) Subject to Section 1.7(d), Buyer shall issue the above referenced membership interests to GMI within five (5) Business Days after the expiration of the Collection Period pursuant to (i) a Membership Interest Purchase Agreement in the form attached hereto as Exhibit B which Buyer and GMI shall execute and deliver to the other within such five (5) Business Day period; and (ii) that certain Amended and Restated Limited Liability Company Agreement of Buyer, a copy of which is attached hereto as Exhibit C (the "Restated Buyer LLC Agreement"). Until such time as Buyer has satisfied and performed all of its obligations under this Section 1.7 (including, without limitation, admitted GMI as a member of Buyer, as applicable), Buyer and Pierce shall not take any of the following actions without GMI's prior written consent: (i) issue any membership interests or economic interests other than the issuance of up to 10% of the total issued and outstanding membership interests of Buyer to Kern in exchange for a cash capital contribution by Kern based on a pre-money valuation of Buyer of at least \$2,250,000; or (ii) amend, restate or otherwise modify the Restated Buyer LLC Agreement in any respect.

(d) Notwithstanding anything to the contrary contained herein, Buyer may, within five (5) Business Days after the expiration of the Collection Period, pay Sellers a cash amount (without deduction or offset) in lieu of Buyer's obligation to issue membership interests to GMI pursuant to the above provisions (the "Cash-Out Payment"). If Buyer elects to pay the Cash-Out Payment to Sellers, Buyer shall pay to Sellers an amount in cash (without deduction or offset) equal to the difference of (a) eighty-five percent (85%) multiplied by the Deemed Business A/R less (b) the aggregate amount in cash in payment of Business A/R that Sellers received as of the expiration of the Collection Period. Alternatively, Buyer may elect to pay Sellers cash to reduce the amount of membership interests that must be issued to GMI pursuant to Section 1.7(b); for example, if Sellers have received cash in an aggregate amount equal to sixty-five percent (65%) of the Deemed Business A/R by the expiration of the Collection Period, Buyer may elect to pay Sellers cash in an amount equal to five percent (5%) of the Deemed Business A/R and issue membership interests to GMI equal to twenty-two and fifty one-hundredths percent (22.50)% of Buyer's total outstanding membership interests, in which case Buyer will have no further obligations to Sellers under this Section 1.7.

(e) Notwithstanding anything to the contrary contained herein, GMI's membership interests in Buyer shall be deemed to be automatically redeemed and cancelled in the event that within six (6) months following the expiration of the Collection Period, Sellers receive cash in an aggregate amount equal to the Cash Shortfall, either from the collection of Business A/R and/or a cash payment from Buyer. In such event, GMI shall take all reasonable action requested by Buyer to evidence the cancellation of GMI's membership interests in Buyer.

1.8. Transfer Taxes and Costs. Seller and Buyer shall each pay fifty percent (50%) of any and all sales, use, stamp, value-added, transfer, recording and other similar taxes, if any, and all transfer or recording fees or other similar costs incurred or assessed in connection with the sale or transfer of the Purchased Assets or the consummation of the other transactions contemplated by this Agreement and the Transaction Documents, provided that Buyer shall have no obligation to pay any such amounts in respect of any Business A/R.

1.9. Prorations. The following expenses and obligations shall be prorated as of the Effective Time, with Sellers being responsible for that portion relating to the period prior

thereto and Buyer being responsible for that portion relating to the period on or after the Effective Time:

(a) all excise and property taxes (other than sales and use taxes, if any, arising out of the transactions contemplated herein) pertaining to the Purchased Assets or the Business shall be prorated on the basis of the number of days of the relevant tax year or period which have elapsed through the Effective Time determined without reference to any change of ownership occasioned by the consummation of the transactions contemplated herein; and

(b) all charges for utilities (including without limitation, electricity, fuel, water, sanitation and garbage disposal) and other services and goods furnished to, or in connection with, the ordinary course operations of the Business shall be prorated on the basis of the number of days of the relevant time period which have elapsed through the Effective Time.

The net amount of all such prorations shall be settled and paid at the Closing to the extent then ascertainable and mutually agreed upon by Buyer and Sellers, and, to the extent not then ascertainable or mutually agreed upon by Buyer and Sellers at the Closing, finally settled and paid as soon as practicable but in any event not later than: (i) ninety (90) calendar days after the Closing Date with respect to clause (b) above; and (ii) the first (1st) anniversary of the Closing Date with respect to clause (a) above.

In addition to the foregoing, Buyer shall reimburse each Seller for any and all costs and expenses incurred by such Seller in connection with the management and operation of the Business from and after the Effective Time, including, without limitation, the following:

(a) any and all purchase order payments that such Seller made in the ordinary course of business from and after the Effective Time in connection with the Business;

(b) any and all rent, obligations and other liabilities arising out of, in connection with or relating to the Manhattan Office Lease from and after the Effective Date; and

(c) any and all compensation and benefits expenses that such Seller incurred and paid for work performed in the ordinary course of business on or after the Effective Time with respect to the New Buyer Employees.

For the avoidance of doubt, Buyer shall have no obligation to reimburse Sellers for costs and expenses incurred by any Seller in connection with such Seller effecting the transactions contemplated by this Agreement (e.g., personnel costs associated with splitting GMI's databases (but subject to Section 4.7(b))). Within thirty (30) calendar days after the Closing Date, Sellers shall provide Buyer with one or more invoices listing all such reimbursable costs and expenses and Buyer shall pay such invoices in full and in immediately available funds within five (5) calendar days after receipt thereof.

1.10. Closing Date. The completion of the purchase of the Purchased Assets shall be on December 1, 2008 unless such date is extended or shortened as may be agreed upon by Buyer and Sellers after the conditions set forth in ARTICLE V and ARTICLE VI have been satisfied, at the Manhattan Office, or at such other place or at such other time or by such other means (such as by fax with exchange of original documents by Federal Express) as

(b) any inaccuracy or breach by any Seller of any of its representations or warranties contained in Sections 2.1, 2.2 or 2.6 of this Agreement.

Without limiting the generality of the foregoing, with respect to the measurement of Buyer Indemnifiable Damages, Buyer shall have the right to be put in the same financial position as it would have been had each of the representatives and warranties of Sellers been

true and correct and had each of the covenants and agreements of Sellers been performed in full.

7.2. Indemnification by Buyer. Buyer and Pierce shall jointly and severally indemnify and hold each Seller (together with their respective officers, directors, shareholders, members, managers, partners, employees, agents, attorneys, Affiliates, parents, subsidiaries, successors and assigns) (the "Seller Indemnitees") harmless from, against or in respect of the aggregate of any and all damage, cost, fee, loss, deficiency, liability, expense (including, but not limited to, reasonable attorneys' fees, court costs and expenses), action, suit, proceedings, demand, assessment or judgment to or against any of the Seller Indemnitees, arising out of, relating to or in connection with ("Seller Indemnifiable Damages"):

The right to indemnification will not be affected by any investigation conducted with respect to, or any knowledge acquired or capable of being acquired by Sellers at any time, whether before or after execution or delivery of this Agreement or the Transaction Documents or the Closing Date with respect to the accuracies or inaccuracy of or compliance with any such representation, warranty, covenant or obligation. The waiver of any condition based on the accuracy of any representation or warranty, or on the performance of or compliance with any covenant or obligation, will not affect the right to indemnification,

payment of damages, or other remedy based on such representations, warranties, covenants, and obligations.

7.3. Notice of Claims. If any third party claim is made against a party which, if sustained, would give rise to an obligation to indemnify and hold harmless another party hereunder, the party seeking indemnification (the "Claiming Party") shall promptly (but no later than ten (10) Business Days from receipt, or sooner if urgent action is required by the claim) cause notice of the claim to be delivered to the other party (the "Non-Claiming Party") and shall afford the Non-Claiming Party and its counsel, at its sole expense, the opportunity to defend or settle the claim (provided that the Claiming Party and its counsel may participate at their sole cost and expense). Any notice of a claim shall state specifically the representation, warranty, covenant or agreement with the alleged basis for the claim, and the amount of liability asserted against the other party by reason of the claim. If such notice and opportunity are not given, liability of the Non-Claiming Party with respect to such claim shall not be relieved, except to the extent that Claiming Party's failure to give notice shall have prejudiced the Non-Claiming Party. No third party claim may be settled or compromised without notice to and the consent of the Non-Claiming Party (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that if notice of a claim is given and the Non-Claiming Party receiving the notice fails to assume the defense of the claim or fails to admit in writing its liability with respect to such claim, the claim may be defended, compromised or settled by the Claiming Party without the consent of the Non-Claiming Party and the Non-Claiming Party shall remain liable under this ARTICLE VII. Notwithstanding anything contained herein to the contrary, the Claiming Party may retain control over the defense of any claim hereunder if such claim is non-monetary or is for injunctive or other equitable relief.

7.4. Limitation of Damages. The foregoing obligations described in Sections 7.1 and 7.2 shall be subject to and limited by the following principles and limitations:

(a) Deductible Basket. The Buyer Indemnitees shall have no right to recover their first Ten Thousand Dollars (\$10,000) of Buyer Indemnifiable Damages, in the aggregate, actually incurred and otherwise subject to indemnification under Section 7.1. Accordingly, the Buyer Indemnitees shall not assert a claim under Sections 7.1 unless and until the aggregate amount of all Buyer Indemnifiable Damages actually incurred by the Buyer Indemnitees otherwise subject to indemnification under Section 7.1 exceeds Ten Thousand Dollars (\$10,000). Thereafter, such Buyer Indemnitees may seek indemnification and recover all further Buyer Indemnifiable Damages actually incurred by such Buyer Indemnitees and subject to indemnification under Sections 7.1 (i.e., all such Buyer Indemnifiable Damages in excess of the first Ten Thousand Dollars (\$10,000) of such Buyer Indemnifiable Damages). Notwithstanding anything to the contrary contained herein, this Section 7.4(a) shall not apply to any claims based on Excluded Liabilities. Further, for greater clarity, any and all amounts payable by Buyer to Seller pursuant to Section 4.9 shall not be applied against or otherwise credited for purposes of satisfying the foregoing basket.

(b) Maximum Liability. The maximum aggregate liability that the Sellers may have by reason of this Agreement or the Transaction Documents to any and all Buyer Indemnitees, in the aggregate, with respect to claims for indemnification under this ARTICLE VII or under any other theory of recovery shall be Fifty Thousand Dollars

(\$50,000), including costs of defense; except, however, the foregoing limit shall not apply to any claims based on Excluded Liabilities.

(c) Survival. The expiration date by which claims for breaches of representations and warranties under this Agreement or any of the other Transaction Documents must be made (the "Expiration Date") shall be the date six (6) months after the Closing Date. No claim based upon the breach of a representation or warranty set forth in ARTICLE II or ARTICLE III may be asserted unless, before the applicable Expiration Date of such representation or warranty, notice of such claim has been given to Seller or Buyer, as applicable, from whom such indemnification is sought and such notice states that such a breach has or may have occurred and states in reasonable detail the material facts forming the basis of such claim as then known to the claiming party.

(d) Exclusive Remedy. After the Closing occurs, the rights and obligations with respect to indemnification set forth in this ARTICLE VII shall be the exclusive rights and obligations of the parties hereto and their respective Affiliates with respect to payment or recovery of monetary damages based on any theory of recovery under this Agreement or the Transaction Documents, including, without limitation, a breach of the representations and warranties contained herein; it being expressly acknowledged and agreed that either party may seek injunctive or other equitable relief before a court of competent jurisdiction.

7.5. Dispute Resolution. Any dispute, claim or controversy arising out of or relating to this Agreement or the Transaction Documents or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, shall be determined by arbitration in Gallatin County, Montana, before one (1) arbitrator who shall be a retired judge admitted to practice law in the State of Montana. The arbitration shall be administered by the American Arbitration Association (or any like organization successor thereto) pursuant to its Commercial Arbitration Rules. The arbitrator shall follow any applicable federal law and Montana state law in rendering an award. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. Subject to the foregoing, for purposes of any proceeding, dispute, controversy or claim relating to this Agreement or any of the Transaction Documents (including seeking an equitable remedy), each party to this Agreement hereby submits to the exclusive personal jurisdiction of any court of competent jurisdiction in the State of Montana, and each party hereby waives its right to contest the jurisdiction or venue of any such court, whether on the grounds of inconvenience or otherwise, and each party hereby waives its right to initiate any proceeding relating to the Business or any of the Purchased Assets outside the State of Montana.
