NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions. As used herein, the following terms shall have the following meanings:

"Collateral" shall mean, collectively, all of each Grantor's existing and future (a) Copyrights; (b) Patents; (c) Trademarks; (d) all of the goodwill of such Grantor's business, including, but not limited to, all goodwill connected with and symbolized by the Copyrights, Licenses, Patents, or Trademarks; and (e) products and proceeds of any of the foregoing, whether now owned or hereafter acquired.

"Copyrights" shall mean all copyrights of any Grantor, whether statutory or common law, registered or unregistered and whether published or unpublished, now or hereafter in force throughout the world including all of such Grantor's right, title and interest in and to all copyrights registered in the United States Copyright Office or anywhere else in the world and also including the copyrights referred to in Schedule A attached hereto and made a part hereof, and registrations and recordings thereof and all applications for registration thereof, whether pending or in preparation, all copyright licenses, the right to sue for past, present and future infringements of any of the foregoing, all rights corresponding thereto, all extensions and renewals of any thereof and all proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages and proceeds of suit.

Capitalized terms used in this Agreement without definition have the meanings ascribed to such terms in the Security Agreement or the Indenture, as applicable.

2. Grant of Security Interest. In consideration of and as security for the full and complete payment of all of the Secured Obligations, each Grantor hereby agrees that Collateral Agent shall at all times have, and hereby grants to Collateral Agent, for the benefit of the Note Holders, a security interest in all of the Collateral, including (without limitation) all of such Grantor's future Collateral, irrespective of any lack of knowledge by Collateral Agent or the Note Holders of the creation or acquisition thereof. Notwithstanding anything to the contrary contained in this Agreement, the security interests created hereby and the rights and remedies of the Collateral Agent and the Note Holders with respect to the Collateral shall be subject and subordinate to the rights granted to the First Priority Lien Agent for the ratable benefit of the holders of First Lien Obligations and the limitations imposed upon the Collateral Agent and the Note Holders, all as more specifically set forth in the Intercreditor Agreement. No term or provision set forth in this Agreement is intended to limit, supplement or modify any term or provision set forth in the Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

3. Security Agreement. This Agreement has been executed and delivered by Grantor for the purpose of registering the security interest of the Collateral Agent in the Collateral with the United States Copyright Office, the United States Patent and Trademark Office, or other similar office and corresponding offices in other countries of the world (subject to any limitations on the filing of this Agreement in any office outside of the United States as provided in the Security Agreement and Section 14 hereof). The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Collateral Agent for its benefit and for the ratable benefit of each Note Holder under the Security

Agreement. The Security Agreement (and all rights and remedies of the Collateral Agent and each Note Holder thereunder) shall remain in full force and effect in accordance with its terms. To the extent there is a conflict between the Security Agreement and this Agreement, the Security Agreement shall control.

4. Release of Liens. Upon (a) a sale of Collateral permitted by Section 4.12 of the Indenture or otherwise not prohibited by the Indenture, (b) the terms and conditions of the Intercreditor Agreement, with respect to any sale or other disposition of Collateral or (c) the occurrence of the Termination Date the security interests granted herein shall automatically terminate with respect to (i) such Collateral (in the case of clauses (a) or (b)) or (ii) all Collateral (in the case of clause (c)). Upon such termination, the Collateral Agent will, at the applicable Grantor's sole expense, deliver to such Grantor, without any representations, warranties or recourse of any kind whatsoever, all terminated Collateral held by the Collateral Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

5. ACKNOWLEDGEMENT. EACH GRANTOR DOES HEREBY ACKNOWLEDGE AND AFFIRM THAT THE RIGHTS AND REMEDIES OF THE COLLATERAL AGENT WITH RESPECT TO ANY SECURITY INTEREST IN THE COLLATERAL GRANTED HEREBY ARE MORE FULLY SET FORTH IN THE SECURITY AGREEMENT, THE TERMS AND PROVISIONS OF WHICH (INCLUDING THE REMEDIES PROVIDED FOR THEREIN) ARE INCORPORATED BY REFERENCE HEREIN AS IF FULLY SET FORTH HEREIN.

6. [Intentionally Omitted].

7. Severability. The provisions of this Agreement are severable, and, if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

8. Modifications. Except as provided in Section 14 hereof, this Agreement may be amended or modified only by a writing signed by each Grantor and Collateral Agent, on behalf of the Note Holders. In the event that any provision herein is deemed to be inconsistent with any provision of any other document, (other than the Indenture, the Security Agreement or the Intercreditor Agreement (the Intercreditor Agreement to control over all other agreements)) the provisions of this Agreement shall control.

9. Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties, except that no Grantor may assign any of its rights or duties hereunder without the prior written consent of Collateral Agent. Any attempted assignment or transfer without the prior written consent of Collateral Agent shall be null and void.

10. Notices. All notices and other communications provided for hereunder shall be given in the manner provided in Section 10.02 of the Indenture to the appropriate party at the

address or facsimile number of such party pursuant to the Indenture and shall be deemed given as provided in the Indenture.

11. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same instrument. This Agreement may be executed by each party on separate copies, which copies, when combined so as to include the signatures of all parties, shall constitute a single counterpart of the Agreement.

12. Fax or Other Transmission. Delivery by one or more parties hereto of an executed counterpart of this Agreement via facsimile, telecopy, or other electronic method of transmission pursuant to which the signature of such party can be seen (including, without limitation, Adobe Corporation's Portable Document Format) shall have the same force and effect as the delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile or other electronic method of transmission shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability, or binding effect of this Agreement.

13. Recitals Incorporated Herein; Schedules and Exhibits. The preamble and recitals to this Agreement are incorporated herein by this reference. All Schedules and Exhibits attached hereto are made a part hereof.

14. Further Assurances. Each Grantor agrees to take such further actions as the Collateral Agent shall reasonably request in connection herewith to evidence the provisions hereof. Notwithstanding anything in this Agreement, the Security Agreement or any other Note Document to the contrary, neither Collateral Agent nor any Note Holder shall require, and neither Notes Issuer nor any other Grantor shall be required to take any action with respect to the filing, registration or perfection of a security interest in any Intellectual Property in any filing office in any country or jurisdiction other than the United States of America so long as the First Lien Agent has not filed, registered or perfected a security interest in any Intellectual Property in any filing office in any country or jurisdiction other than the United States of America.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
