INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") dated as of June 29, 2009 is executed and entered into by and between CUSTOM ONE DESIGN, INC., a Delaware corporation having a principal place of business located at 10 Corey Street, Melrose, Massachusetts 02176 (the "Debtor"), and HERCULES TECHNOLOGY II, L.P., a Delaware limited partnership having a principal place of business located at 400 Hamilton Avenue, Suite 310, Palo Alto, California 94301 (together with its successors and/or assigns, "Secured Party").

RECITALS

A. Reference is hereby made to a certain secured loan arrangement (the "Loan") established by the Secured Party in favor of the Debtor pursuant to that certain Loan and Security Agreement dated as of August 29, 2007 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "LSA") by and between the Debtor and the Secured Party. Capitalized terms used herein that are not otherwise defined shall have the meanings ascribed to them in the LSA.

B. The Secured Party asserts that an Event of Default has occurred under the LSA, and the Secured Party has made demand for payment in full of all Indebtedness outstanding under the Loan. The Debtor has requested that the Secured Party forbear from exercising its rights and remedies to permit the Debtor the opportunity to payoff the outstanding Indebtedness owed to the Secured Party based on the terms and conditions of that certain Agreement of even date herewith (the "Forbearance Agreement") by and between the Debtor and the Secured Party.

C. Borrower contests that an Event of Default has occurred and denies that the Secured Party had a right to make demand for payment in full of the outstanding Loan.

D. To induce the Secured Party to enter into and execute the Forbearance Agreement and forbear from exercising its rights and remedies under the LSA, the Debtor desires to grant a security interest to the Secured Party in and to all of the Debtor's right title and interest, whether now existing or hereafter acquired in, to and under all of the Collateral (as defined in Section 1 hereof).

NOW, THEREFORE, in consideration of the premises set forth above, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

1. **Security Interest.** As security for the Secured Obligations described in Section 2 hereof, the Debtor hereby grants to the Secured Party a security interest in, and pledges and assigns to the Secured Party, the property described below, together with any and all accessions, additions and improvements thereto and substitutions and replacements and proceeds thereof (hereinafter referred to collectively as the "Collateral"):

(a) All of the following property, now owned or hereafter acquired by the Debtor in which the Debtor now holds or hereafter acquires any interest (collectively, the "Copyrights"): (i) all copyrights, whether registered or unregistered, held pursuant to the laws of the United States, any State thereof, or of any other country; (ii) all registrations, applications and recordings in the United States Copyright Office or in any similar office or agency of the United States, of any State thereof, or of any other country; (iii) all continuations, renewals or extensions thereof; and (iv) all registrations to be issued under any pending applications, including, without limitation, all of the foregoing set forth on Schedule A attached hereto;

(b) All of the following property, now owned or hereafter acquired by the Debtor or in which the Debtor now holds or hereafter acquires any interest (collectively, the "Patents"): (i) all letters patent of, or rights corresponding thereto, in the United States or in any other country, all registrations and recordings thereof, and all applications for letters patent of, or rights corresponding thereto, in the United States or any other country, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country; (ii) all reissues, continuations, continuations-in-part or extensions thereof; (iii) all petty patents, divisionals, and patents of addition; and (iv) all patents to be issued under any such applications, including, without limitation, all of the foregoing set forth on Schedule B attached hereto;

(c) All of the following property, now owned or hereafter acquired by the Debtor or in which the Debtor now holds or hereafter acquires any interest (collectively, the "Trademarks"): (i) all trademarks (registered, common law or otherwise), tradenames, corporate names, business names, trade styles, service marks, logos, other source or business identifiers (and all goodwill associated therewith), prints and labels on which any of the foregoing have appeared or appear, and designs of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and any applications in connection therewith, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, and (ii) all reissues, extensions or renewals thereof, including, without limitation, all of the foregoing set forth on Schedule C attached hereto;

(d) Any Copyright license, Patent license, Trademark license or other license of rights or interests now held or hereafter acquired by the Debtor or in which the Debtor now holds or hereafter acquires any interest and any renewals or extensions thereof, including, without limitation, all of the foregoing set forth on Schedule D attached hereto (collectively, the "Licenses");

(e) Debtor's software, source codes, trade secrets and inventions (whether or not patented or patentable);

(f) Debtor's technical information, procedures, processes, designs, knowledge, and know-how; Debtor's data bases, models and drawings;

(g) Debtor's skill, expertise and experience; Debtor's websites, world wide web addresses, domain names, URL's, moral rights, publicity rights, mask works and any other proprietary, intellectual or industrial proprietary rights of any kind or nature that do not comprise or are not protected by the Patents, Trademarks, Copyrights or Licenses;

(h) Debtor's applications therefor and reissues, extensions, or renewals thereof; and

(i) Debtor's goodwill associated with any of the foregoing, together with Debtor's rights to sue for past, present and future infringement of the foregoing and the goodwill associated therewith.

2. Secured Obligations. The security interest hereby granted shall secure the prompt, complete and indefeasible payment and performance of any and all obligations and liabilities now or hereafter owed by the Debtor to the Secured Party arising under or relating to the Notes and the Outstanding Obligations (as defined in the Forbearance Agreement), including, without limitation, all outstanding principal, all accrued and unpaid interest, any fees, charges, costs, and other outstanding amounts arising under or relating to the Notes and the Outstanding Obligations (as defined in the Forbearance Agreement) (collectively, the "Secured Obligations").

3. Special Warranties and Covenants of the Debtor. The Debtor hereby represents, warrants and covenants to the Secured Party that:

(a) Except for the security interest granted hereby and the Permitted Liens disclosed on Schedule 1C annexed to the LSA, the Debtor is, and as to the Collateral acquired after the date hereof the Debtor will be, the owner of the Collateral free from any lien, security interest, or encumbrance, and the Debtor will defend the Collateral against all claims and demands of all other persons. No other financing statement covering any of the Collateral is on file nor will the Debtor permit any adverse financing statement to be on file in any public office except (i) such filings that evidence the Secured Party's security interest in the Collateral, and (ii) such filings that evidence the Permitted Liens disclosed on Schedule 1C annexed to the LSA.

(b) The Debtor will not sell or otherwise dispose of any of the Collateral or any interest therein without the prior written consent of the Secured Party, except in the ordinary course of business.

(c) The Debtor will promptly execute and deliver, in form and substance satisfactory to the Secured Party (or if permitted by law, the Secured Party may themselves execute and file, and at the Secured Party's request, the Debtor will join with the Secured Party in executing, in all public offices wherever filing is deemed by the Secured Party to be necessary or desirable) such financing statements, certificates and other documents or instruments to enable the Secured Party to perfect or from time to time renew the security interests granted hereby, and to perfect or from time to time renew a security interest in any additional Collateral hereafter acquired by the Debtor or in any replacements or proceeds thereof.

(d) The Debtor does not, and in the absence of prior written notice to the Secured Party, the Debtor will not, conduct business under any trade name or name other than its corporate name.

(e) The Debtor will, in addition, from time to time at the request of the Secured Party, do, make, execute and deliver all such additional and further acts, things, deeds, assurances and instruments as the Secured Party may require more completely to vest or confirm in and assure to the Secured Party its rights hereunder and in and to the Collateral.

(f) At its option, the Secured Party may discharge taxes, liens, security interests, or other encumbrances (other than those permitted herein) at any time levied or placed on the Collateral, and may pay for and take any other action which they deem appropriate for the maintenance and preservation of the Collateral. The Debtor shall reimburse the Secured Party on demand for any payment made, or any expenses incurred, by the Secured Party pursuant to this Section 3(f).

(g) The Debtor shall notify the Secured Party promptly of all material claims against the Collateral. The Debtor shall not settle any material dispute or claim without the Secured Party's consent unless such settlement has no adverse impact on the Collateral or the Secured Party's security interest therein. Upon the occurrence of any Termination Event (as defined in Section 6 hereof), the Secured Party may settle or adjust disputes or claims directly with customers or account debtors for amounts and upon terms which they consider reasonably advisable; and where the Debtor receives collateral of any kind or nature by reason of transactions between itself and its customers or account debtors, they will hold the same on the Secured Party's behalf, subject to the Secured Party's instructions, and as property forming part of the Collateral.

4. **Rights of the Secured Party.** Upon the occurrence and during the continuance of any Termination Event (as defined in Section 6 hereof), the Secured Party may declare all of the Secured Obligations to be immediately due and payable and shall then have the rights and remedies of a secured party under the UCC or under any other applicable law, including, without limitation, the right to take possession of the Collateral and, in addition thereto, the right to enter upon any premises on which the

Collateral or any part thereof may be situated and remove the same therefrom. The Secured Party may require the Debtor to make the Collateral (to the extent the same is moveable) available to the Secured Party at a place to be designated by the Secured Party which is reasonably convenient to both parties. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Secured Party will give the Debtor at least ten (10) days' prior written notice at the address of the Debtor set forth above (or at such other address or addresses as the Debtor shall specify in writing to the Secured Party) of the time and place of any public sale thereof or of the time after which any private sale or any other intended disposition thereof is to be made. Any such notice shall be deemed to meet any requirement hereunder or under any applicable law (including the UCC) that reasonable notification be given of the time and place of such sale or other disposition. After deducting all costs and expenses of collection, storage, custody, sale or other disposition and delivery (including reasonable legal costs and attorneys' fees and all out-of-pocket expenses incurred by the Secured Party) and all other charges against the Collateral, the residue of the proceeds of any such sale or disposition shall be applied to the payment of the Secured Obligations in such order of priority as the Secured Party shall determine and any surplus shall be returned to the Debtor or to any person or party lawfully entitled thereto (including, if applicable, any subordinated creditors of the Debtor). In the event the proceeds of any sale, lease or other disposition of the Collateral hereunder are insufficient to pay all of the Secured Obligations in full, the Debtor will be liable for the deficiency, together with interest thereon, at the default rate as set forth in Section 2.7 of the LSA and the cost and expenses of collection of such deficiency, including (to the extent permitted by law), without limitation, reasonable legal costs and attorneys' fees, expenses and disbursements.

5. Rights of Secured Party to Use and Operate Collateral. Upon the occurrence of any Termination Event (as defined in Section 6 hereof), but subject to the provisions of the UCC or other applicable law, the Secured Party shall also have the right and power to take possession of all or any part of the Collateral, and to exclude the Debtor and all persons claiming under the Debtor wholly or partly therefrom, and thereafter to hold, store, and/or use, operate, manage and control the same, exercising all rights and powers of the Debtor in respect thereto. Any income received by the Secured Party from the Collateral shall be applied to pay the expenses of maintaining and protecting the Collateral and conducting the Debtor's business, and to make all payments which the Secured Party may be required or may elect to make, if any, for taxes, assessments, insurance and other charges upon the Collateral or any part thereof, and all other payments which the Secured Party may be required or authorized to make under any provision of this Agreement (including legal costs and reasonable attorneys' fees). The remainder of such income shall be applied to the payment of the Secured Obligations in such order of priority as the Secured Party shall determine and, unless otherwise provided by law or by a court of competent jurisdiction, any surplus shall be returned to the Debtor or to any person or party lawfully entitled thereto (including, if applicable, any subordinated creditors of the Debtor). Without limiting the generality of the foregoing, the Secured Party shall have the right to apply for and have a receiver appointed by a court of competent jurisdiction in any action taken by the Secured Party to enforce their rights and remedies hereunder in order to manage, protect and preserve the Collateral and continue the operation of the business of the Debtor and to collect all revenues and profits thereof and apply the same to the payment of all expenses and other charges of such receivership including the compensation of the receiver and to the payment of the Secured Obligations as aforesaid until a sale or other disposition of such Collateral shall be finally made and consummated.

6. Termination Events. The Debtor shall be in default under this Agreement upon the occurrence of a Termination Event, as such term is defined in the Forbearance Agreement (herein called "Termination Events").

7. Waivers. The Debtor hereby waives presentment, demand, notice, protest and, except as is otherwise provided herein, all other demands and notices in connection with this Agreement or the

enforcement of the rights of the Secured Party hereunder or in connection with the Secured Obligations or any Collateral and consents to and waives notice of the granting of renewals, extensions of time for payment or other indulgences to the Debtor or to any account debtor in respect of any account receivable, or the substitution, release or surrender of any Collateral, the addition or release of persons primarily or secondarily liable on any Secured Obligation or on any account receivable or other Collateral, the acceptance of partial payments on any Secured Obligation or on any account receivable or other Collateral and/or the settlement or compromise thereof. No delay or omission on the part of the Secured Party in exercising any right hereunder shall operate as a waiver of such right or of any other right hereunder. Any waiver of any such right on any one occasion shall not be construed as a bar to or waiver of any such right on any such future occasion. The Debtor further waives any right it may have to notice (other than any requirement of notice provided herein) prior to the exercise of any right or remedy provided by this Agreement to the Secured Party and waives its rights, if any, to set aside or invalidate any sale duly consummated in accordance with the foregoing provisions hereof on the grounds (if such be the case) that the sale was consummated without a prior judicial hearing. The Debtor's waivers under this Section 7 have been made voluntarily, intelligently and knowingly and after the Debtor has been apprised and counseled by its attorneys as to the nature thereof and its possible alternative rights.

8. Termination and Assignment. This Agreement and the security interests in the Collateral created hereby shall terminate when the Secured Obligations have been indefeasibly paid in full. No waiver by the Secured Party or by any other holder of Secured Obligations of any default shall be effective unless in writing nor operate as a waiver of any other default or of the same default on a future occasion. The Secured Party may waive any default hereunder with respect to the Notes at any time outstanding. In the event of a sale or assignment by the Secured Party of all or any of the Secured Obligations held by the Secured Party, such Secured Party may assign or transfer their rights and interest under this Agreement in whole or in part to the purchaser or purchasers of such Secured Obligations, whereupon such purchaser or purchasers shall become vested with all of the powers and rights of such Secured Party hereunder, and such Secured Party shall thereafter be forever released and fully discharged from any liability or responsibility hereunder with respect to the rights and interest so assigned.

9. Governmental Approvals. The Secured Party acknowledges that in connection with any exercise by the Secured Party of its rights hereunder to dispose of or operate under the authorizations, permits and licenses covered hereby, it may be necessary to obtain the prior consent or approval of certain governmental authorities or instrumentalities. Notwithstanding anything to the contrary contained herein or in any security document, neither the Secured Party nor the Debtor will take any action pursuant to this Agreement or any of the security documents which would constitute or result in any assignment of a license, if such assignment of license would require under then existing law, the prior approval of any governmental authority or instrumentality, without first obtaining such approval of such governmental authority or instrumentality. Upon the exercise by the Secured Party of any power, right, privilege or remedy pursuant to this Agreement which requires any consent, approval, recording, qualification or authorization of any governmental authority or instrumentality, the Debtor will execute and deliver, or will cause the execution and delivery of, all applications, certificates, instruments and other documents and papers that the Secured Party may be required to obtain for such governmental consent, approval, recording, qualification or authorization.

10. Setoffs. If the Debtor shall fail generally to pay its debts as such debts become due, or any other Termination Event occurs and shall not have been waived by the Secured Party, the Secured Party shall have the right to setoff any indebtedness from the Secured Party to the Debtor and to apply the same toward the payment of any indebtedness from the Debtor to the Secured Party, whether or not said indebtedness, or any part hereof shall then be due.

11. Reinstatement. This Agreement shall continue to be effective, or be reinstated, as the case may be, at any time any amount received by the Secured Party in respect of the Secured Obligations must, by order of a court, be restored or returned by the Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Debtor or upon the appointment of an intervenor or conservator of, or trustee or similar official for the Debtor or any substantial part of its properties, or otherwise, all as though such payments had not been made.

12. Notices. Except as otherwise provided herein, notice to the Debtor or to the Secured Party shall be in writing and deemed to have been sufficiently given or served for all purposes hereof if personally delivered or mailed by first class certified or registered mail, return receipt requested, postage prepaid, at the respective addresses set forth in the preamble hereto, with copies to the parties designated therein, or at such other address as the party to whom such notice is directed may have designated by like notice in writing to the other parties hereto. A notice shall be deemed to have been given when personally delivered or, if mailed, on the earlier of (i) three business (3) days after the date on which it is deposited in the mails, or (ii) the date on which it is received.

13. Assignment. If, at any time or times, by assignment or otherwise, the Secured Party transfers its interest in the Secured Obligations or other collateral therefor, such transfer shall carry with it the Secured Party's powers and rights under this Agreement with respect to the Secured Obligations and interest in other collateral so transferred, and the transferee shall become vested with said powers and rights whether or not they are specifically referred to in any instrument of transfer. If and to the extent that the Secured Party retains any portion of the Secured Obligations, or interest in other collateral, the Secured Party will continue to have the rights and powers herein set forth with respect thereto.

14. Amendment; Miscellaneous. The terms of this Agreement may be amended, modified or waived only with the written consent of the Debtor and the Secured Party. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns, and the term "Secured Party" shall be deemed to include any other holder or holders of any of the Secured Obligations. In case a court of competent jurisdiction shall hold any provision in this Agreement to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument.

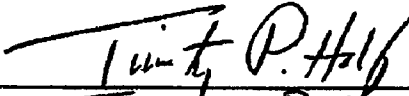

15. Governing Law and Jurisdiction. This Agreement, including the validity hereof and the rights and obligations of the parties hereunder, shall be construed in accordance with and governed by the laws of The Commonwealth of Massachusetts. The Debtor, to the extent that it may lawfully do so, hereby consents to the jurisdiction of the courts of The Commonwealth of Massachusetts, as well as to the jurisdiction of all courts to which an appeal may be taken from such courts, for the purpose of any suit, action or other proceeding arising out of any of its obligations hereunder or with respect to the transactions contemplated hereby, and expressly waives any and all objections it may have as to venue in any such courts. The Debtor further agrees, to the extent that it may lawfully do so, that a summons and complaint commencing an action or proceeding in any of such courts shall be properly served and shall confer personal jurisdiction if served personally or by certified mail to it at its address provided in the preamble of this Agreement or as otherwise provided under the laws of The Commonwealth of Massachusetts.
