ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS (this "Assignment") is made by and between AG/Sanction LLC, a Delaware limited liability company ("Purchaser"), Verdict Systems, LLC, an Arizona limited liability company ("Verdict"), and Sanction Solutions, LLC, an Arizona limited liability company (together with Verdict, the "Sellers"), effective Delaware 22, 2008. Unless otherwise specified herein, capitalized terms used herein shall have the meanings specified in the Purchase Agreement (as defined below).

WHEREAS, the parties have entered into that certain Asset Purchase Agreement dated December 19, 2008 (the "Purchase Agreement") providing for the purchase and sale of the Purchased Assets; and

WHEREAS, Purchaser desires to acquire the entire right, title and interest in and to all Transferred Intellectual Property.

NOW, THEREFORE, effective as of the Closing, each Seller, does hereby sell, assign, and transfer to Purchaser and its successors and assigns, the entire right, title, and interest in and to its respective Transferred Intellectual Property, including but not limited to those set forth in Schedule 2.1(a) of the Purchase Agreement attached hereto as Exhibit A, and to all future modifications, improvements or enhancements, if any thereto ("Future Versions"), in and to all income, royalties, damages, all claims, including all past, present and future claims, and payments now or hereafter due or payable with respect thereto, to all causes of action, either in law or in equity, and in and to all rights corresponding to the foregoing throughout the world.

FURTHER, each Seller hereby assigns, waives and/or sublicenses any and all Moral Rights (as defined below) such Seller may have in or with respect to any Transferred Intellectual Property and any Future Versions thereof, to the maximum extent permitted under the laws of any relevant jurisdiction worldwide. For purposes of this Assignment, "Moral Rights" shall be construed to include, but not be limited to, any right to (i) divulge a copyrighted work to the public; (ii) retract a copyrighted work from the public; (iii) claim authorship of a copyrighted work; or (v) any and all similar rights, existing under the law of any jurisdiction in the world, or any treaty.

FURTHER, nothing in this Assignment shall waive, modify, alter or amend the parties' rights and obligations under the Purchase Agreement.

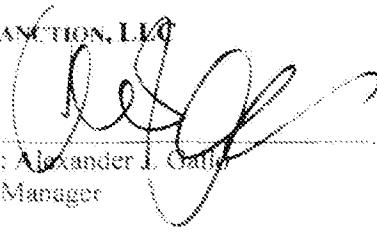

FURTHER, each Seller hereby agrees to execute all papers and to perform such other proper acts as Purchaser deems necessary to secure to Purchaser or to its designee the rights herein assigned.
