TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of July 15, 2009 ("Effective Date") by and between Knowledge Computing Corporation, an Arizona corporation, with its principal office at 7750 E Broadway Blvd # 100, Tucson, AZ, 85710 ("Assignor"), and i2 Merger Sub Two, Inc., a Delaware corporation, with its principal office at 1430 Springs Hill Road, Suite 600, McLean, VA 22102 ("Assignee").

WHEREAS, Assignor, Assignee and i2 Acquisition Corp. are parties to that certain Agreement and Plan of Merger of even date herewith (the "Agreement"); and

WHEREAS, pursuant to the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of Assignor's right, title and interest in and to all trademarks, service marks, trade names, corporate names, and other indicia of source, together with all registrations and applications for registration thereof, any renewals and extensions of such registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country now or hereafter in effect, and all goodwill of the business associated therewith, for the United States and for all foreign countries, including, without limitation, the trademark registration and trademark registration applications set forth on Schedule A attached hereto and the unregistered trademarks set forth on Schedule B attached hereto (collectively, the "Marks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to the Marks, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for and collect the same, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

1. Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and the corresponding entity or agency in any applicable foreign country, to record Assignee as the assignee and owner of the Marks.

2. Assignor represents and warrants that: (i) it has the full right and authority to execute this Assignment and to assign to Assignee the rights assigned herein; and (ii) it has not executed, and will not execute, any agreement or other instrument in conflict herewith.

3. Assignor shall take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, at the reasonable cost and expense of the Assignee, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation), requested by Assignee to more fully and effectively

effectuate the purposes of this Assignment, including, without limitation, with respect to the following: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Marks or this Assignment; (3) obtaining any additional trademark protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or any foreign country; and (4) the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world.

4. In the event that any term or condition of this Assignment conflicts with any term or condition of the Agreement, the terms and conditions of the Agreement shall prevail in all respects.

5. This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
