Debtor hereby appoints Bank the true and lawful attorney or its value or Bank's perfected security interest therein, including transferring any Collateral into its own name and receiving the income thereon as additional security hereunder. Bank does not assume any of the obligations arising under the Collateral.
3. Debtor warrants that: (a) it is and will be the lawful owner of all Collateral free of all claims, liens, encumbrances and setoffs whatsoever, other than the security interest granted pursuant hereto; (b) it has the capacity to grant a security interest in Collateral to Bank; (c) all information furnished by Debtor to Bank heretofore or hereafter, whether oral or written, is and will be correct and true as of the date given; and (d) if Debtor is an entity, the execution, delivery and performance hereof are within its powers and have been duly authorized.

Bank shall have all the rights and remedies of a secured party under the Uniform Commercial Code of California and in any jurisdiction where enforcement is sought, whether in said state or elsewhere. All rights, powers and remedies of Bank hereunder shall be cumulative and not alternative. No delay on the part of Bank in the exercise of any right or remedy shall constitute a waiver thereof and no exercise by Bank of any right or remedy shall preclude the exercise of any other right or remedy or further exercise of the same remedy.
6. Debtor waives: (a) all right to require Bank to proceed against any other person including any other Debtor hereunder or to apply any Collateral Bank may hold at any time or to pursue any other remedy; Collateral, endorsers or guarantors may be released, substituted or added

7. The right of Bank to have recourse against Collateral shall not be affected in any way by the fact that the credit is secured by a mortgage, deed of trust or other lien upon real property.

8. The security interest granted herein is irrevocable and shall remain in full force and effect until there is payment in full of the indebtedness or the security interest is released in writing by Bank.

9. Debtor shall be obligated to request the release, reassignment or return of Collateral after the payment in full of all existing obligations. Bank shall be under no duty or obligation to release, reassign or return any Collateral except upon the express written request of Debtor and then only where all of Debtor's obligations hereunder have been paid in full.

10. If more than one Debtor executes this Agreement, the obligations hereunder are joint and several. All words used herein in the singular shall be deemed to have been used in the plural when the context and construction so require. Any married person who signs this Agreement expressly agrees that recourse may be had against his/her separate property for all of his/her obligations to Bank.

11. This Agreement shall inure to the benefit of and bind Bank, its successors and assigns and each of the undersigned, their respective heirs, executors, administrators and successors in interest. Upon transfer by Bank of any part of the obligations secured hereby, Bank shall be fully discharged from any liability with respect to Collateral transferred therewith.

12. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law but, if any provision of this Agreement shall be prohibited or invalid under applicable law, such provisions shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such or the remaining provisions of this Agreement.

13. Debtor will (a) not permit the inclusion in any contract to which it becomes a party, any provisions that could or might in any way impair or prevent the creation of a perfected security interest in Debtor's rights and interest in the Collateral; (b) use its best efforts to detect infringement of the Collateral and advise the Bank in writing of material infringements detected; (c) not allow any Collateral to be abandoned, forfeited or dedicated to the public without written consent of Bank; (d) register with the United States Patent and Trademark Office, the United States Copyright Office or other appropriate government office any Collateral consisting of intellectual property rights developed or acquired by Debtor; (e) deliver to Bank such additional grants of security interest or collateral assignments as Bank may reasonably request for the purpose of recording Bank's interest in intellectual property rights registered by Debtor after the date of the Agreement; and (f) deliver to Bank upon its request, a report in form reasonably acceptable to Bank, listing any applications or registration that Debtor has filed and the status thereof in respect of any Collateral consisting of intellectual property rights.

14. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

The grant of a security interest in proceeds does not imply the right of Debtor to sell or dispose of any Collateral without the express consent in writing by Bank.
