TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made effective this 29th day of JULY, 2009, by and between Neoteric Technology, Limited, a British Columbia, Canada corporation, ("Company"), and Haemonetics Corporation, a Massachusetts, U.S. corporation ("Buyer").

WHEREAS, Company holds all right, title and interest in and to the trademarks, service marks and trade names identified in the attached Schedule A (the "Marks").

WHEREAS, Buyer and Company have entered into a certain Stock Purchase Agreement dated April 16, 2009 (the "Purchase Agreement"), pursuant to which Buyer is acquiring all of Company's right, title and interest in and to all of the Marks, together with the goodwill of the business symbolized thereby.

NOW, THEREFORE, for \$1.00 and in consideration of the premises set forth above and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Company does hereby sell, assign, convey and transfer unto said Buyer, its successors, assigns, and legal representatives, Company's entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to the Marks (including any common law rights that may exist and are associated therewith), together with the goodwill of the business symbolized thereby and appurtenant thereto, the same to be held and enjoyed by said Buyer, its successors, permitted assigns or legal representatives, together with income, royalties, damages or payments due on or after the date hereof, including, without limitation, all claims for damages or payments by reason of infringement or unauthorized use of the Marks, along with the right to sue for past infringements and collect same for Buyer's sole use and enjoyment.

Company further authorizes the Director of the United States Patent & Trademark Office, and any official of any country or countries foreign to the United States whose duty it is to record trademark registrations, applications and title thereto, to record the Marks and title thereto as the property of Buyer, its successors, legal representatives and assigns in accordance with the terms of this instrument. To the extent necessary to complete such registrations, Buyer is hereby authorized to record this Assignment with the United States Patent & Trademark Office and any similar office of any country or countries foreign to the United States.

The Company hereby further assigns, transfers and conveys to the Buyer any and all claims that Company may hold for damages for reason of past, present or future infringement of the Marks.

The Company hereby warrants that it is the sole owner of the Marks.

To the extent Company retains any right, title or interest in or to the Marks that cannot be assigned to Buyer pursuant to this Assignment, then Company hereby agrees to waive for all time any claims that Company may have concerning the Marks. Company shall make no further use of the Marks for its own benefit or the benefit of another, nor shall Company challenge Buyer's use of the Marks after the date of this Assignment.

No modifications of or additions to this Assignment shall have effect unless in writing and properly executed by both Company and Buyer, making specific reference to this Assignment by date, parties, and subject matter. This Assignment and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without regard to its conflict of laws principles. This Assignment may be executed in counterparts.

IN WITNESS WHEREOF, each of the parties hereto has executed this Assignment, or has caused this Agreement to be executed by its respective officer thereunto duly authorized, all as of the day and year first above written.
