ASSIGNMENT AND ACCEPTANCE AGREEMENT

This Assignment and Acceptance Agreement (the "Assignment and Acceptance") is dated as of July 6, 2009 (the "Execution Date") and is among (i) Textron Financial Corporation (the "Assignor") and (ii) Pacesetter SBIC Fund, Inc., Audubon Capital SBIC, L.P. and Jefferson Capital Partners I, L.P. (individually and collectively, the "Assignee").

The Assignor is party to that certain Loan and Security Agreement dated as of April 3, 2003 (as amended, amended and restated, modified, supplemented or renewed, the "Loan Agreement") between Tripac International, Inc. (the "Borrower") and Textron Financial Corporation (the "Lender").

Assignor is obligated, so long as no Default or Event of Default exists and subject to the terms of the Loan Agreement, to make Revolving Loan Advances to Borrower in an aggregate amount at any time outstanding up to the lesser of (a) the Borrowing Base and (b) \$2,750,000.00. As of the Execution Date, Events of Default exist under the Loan Agreement, and the outstanding amount of Revolving Loan Advances exceeds the Borrowing Base (which is less than \$2,750,000).

The Assignor wishes to assign to the Assignee all rights and obligations of the Assignor under the Loan Agreement and the other Loan Documents (as defined in the Loan Agreement) on the terms and subject to the conditions set forth herein and the Assignee wishes to accept assignment of such rights and to assume such obligations from the Assignor on such terms and subject to such conditions.

In consideration of the foregoing and the mutual agreements contained herein, the parties hereto agree as follows:

1. Definitions. All capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Loan Agreement.

2. Assignment and Acceptance.

(a) Subject to the terms and conditions of this Assignment and Acceptance, the Assignor hereby sells, transfers and assigns to the Assignee, and the Assignee hereby purchases, assumes and undertakes from the Assignor (i) all right and title to all rights, benefits, obligations, liabilities and indemnities of the Assignor under and in connection with the Loan Agreement and the Loan Documents, including guaranties of the Loans and subordinations in favor of the Assignor, and (ii) to the extent permitted to be assigned under applicable law, all claims, suits, causes of action and any other right of the Assignor (in its capacity as the Lender) against any Person, whether known or unknown, arising under or in connection with the Loan Agreement or the Loan Documents or both, including, but not limited to, contract claims, tort claims, malpractice claims, statutory claims and all other claims at law or in equity related to the rights and obligations sold and assigned pursuant to clause (i) above.

(b) With effect on and after the Execution Date, the Assignee shall be a party to the Loan Agreement and succeed to all of the rights and be obligated to perform all of the obligations of the Lender under the Loan Agreement. The Assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Loan Agreement are required to be performed by it as the Lender. By its execution hereof, the Borrower acknowledges and agrees that from and after the Execution Date, all references in the Loan Agreement and the other Loan Documents to "Lender" shall mean the Assignee.

3. Payments.

As consideration for the sale, assignment and transfer contemplated in Section 2 of this Assignment and Acceptance, the Assignee shall pay to the Assignor on the Execution Date in immediately available, good funds an amount equal to the sum of:

(a) \$1,000,000.00; *plus*

(b) The difference (the "Cumulative Net Fundings") between:

(i) Any and all amounts that are advanced to Borrower pursuant to the Loan Agreement or Loan Documents or both after June 22, 2009 (the "Sale Date") up to the Execution Date, but only to the extent that such amounts are advanced to fund the Borrower's ordinary business operations (and thus excluding advances to pay accrued interest on the Loans or to pay outstanding fees, expenses and similar amounts); *minus*

(ii) Any and all amounts that are collected by Assignor pursuant to the Loan Agreement or Loan Documents or both after the Sale Date up to the Execution Date;

Provided, that if the Cumulative Net Fundings are a negative amount, then Cumulative Net Fundings shall be multiplied by 50% prior to being applied against the \$1,000,000 payable to the Assignor pursuant to subpart (a) above.

4. Control Agreement Transition.

(a) All amounts which are collected in respect of the Loan Agreement and received by Assignor after the Execution Date ("Collections") shall be received by Assignor as agent in trust for, and on behalf of, the Assignee. (b) Assignor further agrees that to the extent Assignor is a party to any control agreement with Borrower and a bank that permits Assignor from time to time to initiate Automated Clearing House requests (“**ACH Requests**”) for such bank to transfer to Assignor Collections of Borrower in accounts at such bank, such Assignor shall, until Assignee instructs otherwise, provide ACH Requests to such bank on each Business Day following the Execution Date; provided that (A) there are Collections available in the applicable accounts of Borrower to transfer, and (B) Assignor is not prohibited from making any such ACH Request by any applicable law, rule or regulation. Assignee shall reimburse Assignor for its reasonable out-of-pocket expenses incurred in carrying out their agreements set forth in this Section 4. In addition to such reimbursement for reasonable out-of-pocket expenses, commencing on the date that is fifteen (15) business days following the Execution Date (the “**Collections Handling Fee Date**”), Assignee shall reimburse Assignor for its internal expenses incurred in carrying out its agreements set forth in Section 4 by paying a fee to Assignor of \$1,000.00 per week, which is due and payable without notice or demand on the Collections Handling Fee Date and on the same day of the week each week thereafter until Assignor is no longer a party to any control agreement with Borrower.

(b) The Assignee acknowledges and agrees that other than those representations and warranties expressly set forth in Section 8(a) of this Assignment and Acceptance or elsewhere herein, the Assignor has not made and does not make any representations or warranties of any kind, expressed or implied, including, without limitation, any representation, warranty or responsibility regarding validity, enforceability, collectability, or legal sufficiency, or assume any responsibility with respect to the Loan Agreement or any related instrument, document, agreement, financing statement or collateral. The Assignor makes no representation or warranty in connection with, and assumes no responsibility with respect to, the solvency, financial condition or statements of the Borrower, or the performance or observance by the Borrower, of any of its obligations under the Loan Agreement or any other instrument or document furnished in connection therewith.

(c) The Assignee represents and warrants that (i) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Assignment and Acceptance and any other documents required or permitted to be executed or delivered by it in connection with this Assignment and Acceptance, and to fulfill its obligations hereunder; (ii) no notices to, or consents, authorizations or approvals of, any Person are required (other than any already given or obtained and still in full force and effect) for its due execution, delivery and performance of this Assignment and Acceptance; and apart from any agreements or undertakings or filings required by the Loan Agreement, no further action by, or notice to, or filing with, any Person is required of it for such execution, delivery or performance; and (iii) this Assignment and Acceptance has been duly executed and delivered by it and

constitutes the legal, valid and binding obligation of the Assignee, enforceable against the Assignee in accordance with the terms hereof, subject, as to enforcement, to bankruptcy, insolvency, moratorium, reorganization and other laws of general application relating to or affecting creditors' rights and to general equitable principles.

(d) By its execution hereof, (i) Borrower represents and warrants that there is no defense, offset, compensation, counterclaim or reconventional demand with respect to amounts due under, or performance of the terms of, the Loan Agreement or the other Loan Documents; and to the extent any such defense, offset, compensation, counterclaim or reconventional demand or other causes of action might exist, whether known or unknown, such items are hereby waived by Borrower; (ii) Borrower releases and discharges the Assignor and the Assignee from any and all claims, demands, actions, liabilities, suits and causes of action of any nature or kind whatsoever, known or unknown, whether liquidated or unliquidated, based upon facts existing or events occurring on or before the Execution Date; and (iii) Borrower acknowledges that (A) the Assignor has satisfied all of its requirements and obligations under the Loan Agreement and the other Loan Documents existing on or before the Execution Date and (B) the Borrower remains obligated to repay the entire outstanding principal amount of, and accrued and unpaid interest on, the Loans, and the amount paid by the Assignee to the Assignor in consideration of the assignment effected by this Assignment and Acceptance shall have no effect on the Borrower's repayment obligations with respect to the Loan.

9. Waiver and Hold Harmless.

Assignee waives, for itself and its officers, directors, shareholders, employees, administrators, agents, subsidiaries, affiliates, legal representatives, successors and assigns (collectively, "**Representatives**"), any and all actions, suits, causes of action, controversies, claims and demands whatsoever, which Assignee had or have or may have, known or unknown and now existing or hereafter arising, with respect to the validity, enforceability, collectability or legal sufficiency of the Loan Agreement or any related instrument, document, agreement, financing statement or collateral. The Assignee, for itself and its Representatives, shall indemnify and hold harmless the Assignor and its Representatives from and against any and all actions, suits, causes of action, controversies, claims and demands whatsoever, hereafter arising on account of any act, conduct or omission of the Assignee or its Representatives in connection with the Loan Agreement or any related instrument, document, agreement, financing statement or collateral.

10. Further Assurances.

The Assignor shall have duly endorsed and delivered all promissory notes and other Loan Documents evidencing the Loans to Assignee within 10 business days after the Execution Date. Any party delivering an executed counterpart of this Assignment and Acceptance by telefacsimile or by any other electronic form of transmission also shall deliver an original executed counterpart of this Assignment and Acceptance, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Assignment and Acceptance.

(e) This Assignment and Acceptance represents the entire understanding of the parties with respect to the subject matter hereof. This Assignment and Acceptance may be amended only by a subsequent writing signed by all parties to this Assignment and Acceptance. If any provision of this Assignment and Acceptance is determined to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall remain in full force and effect.

(f) In the event of any dispute between the parties arising in relation to this Assignment and Acceptance, the prevailing party shall be entitled to recover all of its reasonable costs and attorneys' fees incurred in such dispute, in addition to all other sums that it may be entitled.

(g) THIS ASSIGNMENT AND ACCEPTANCE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE RHODE ISLAND. The Assignor and the Assignee each irrevocably submits to the non-exclusive jurisdiction of any State court sitting in the State of Rhode Island or any Federal court sitting in the Rhode Island over any suit, action or proceeding arising out of or relating to this Assignment and Acceptance and irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such State or Federal court. Each party to this Assignment and Acceptance hereby irrevocably waives, to the fullest extent it may effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding.

(h) THE ASSIGNOR AND THE ASSIGNEE EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS ASSIGNMENT AND ACCEPTANCE, THE LOAN AGREEMENT, ANY RELATED DOCUMENTS AND AGREEMENTS OR ANY COURSE OF CONDUCT, COURSE OF DEALING, OR STATEMENTS (WHETHER ORAL OR WRITTEN).
