INTELLECTUAL PROPERTY ASSIGNMENT

By this INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment"), effective this ~~22nd~~ day of July, 2009 ("Effective Date"), Chem Polymer Corporation, a Delaware corporation having a principal place of business at 505 Central Avenue, Pawtucket, RI 02861 ("Assignor") assigns to Teknor Apex Company, a Delaware corporation having a principal place of business at 505 Central Avenue, Pawtucket, RI 02861 ("Assignee"), certain intellectual property as described herein.

For the purposes of this Assignment, "Intellectual Property" means any and all (i) inventions (whether patentable or unpatentable and whether or not reduced to practice), all improvements thereto, and all patents, patent applications and patent disclosures, together with all reissuances, continuations, continuations in part, revisions, extensions and reexaminations thereof; (ii) trademarks, service marks, trade dress, logos, trade names, assumed names and corporate names, together with all translations, adaptations, derivations and combinations thereof and including all good will associated therewith, and all applications, registrations and renewals in connection therewith; (iii) copyrightable works, all copyrights and all applications, registrations and renewals in connection therewith; (iv) mask works and all applications, registrations and renewals in connection therewith; (v) trade secrets and confidential business information (including ideas, research and development, know-how, technology, formulas, compositions, manufacturing and production processes and techniques, technical data, designs, drawings, specifications, customer and supplier lists, pricing and cost information and business and marketing plans and proposals); (vi) computer software (including data and related software program documentation in computer-readable and hard-copy forms); (vii) other intellectual property and proprietary rights of any kind, nature or description, including web sites, web site domain names and other e-commerce assets and resources of any kind or nature; and (viii) copies of tangible embodiments thereof (in whatever form or medium).

For the consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to the Intellectual Property throughout the world and for all time, together with the good will of the business symbolized by the Intellectual Property, including, without limitation, any registrations, applications and files therefor, any renewals and extensions of the registrations, as well as all rights to any actions, causes of action and rights to recover damages and payments for past, present or future infringements, violations or misappropriations thereof.
2. Without limiting the foregoing, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to all of its trademarks, service marks, trade names, and trade dress ("Marks"), whether registered or unregistered, together with the good will of the business symbolized by the Marks, including without limitation: those Marks listed on Schedule A hereto; all registrations, applications and files for any of the Marks; all renewals and extensions of the registrations; all other corresponding rights that are or may be secured under the laws of the United States, states of the United States, common law or any foreign country, now or hereafter in effect; and all rights to any actions, causes of action and rights to recover

damages and payments for past, present or future infringements, violations or misappropriations of any rights in or arising from any of the Marks.

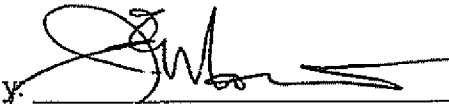

3. Without limiting the foregoing, Assignor does hereby sell, assign, transfer and set over to Assignee all right, title and interest in and to all inventions, patents, designs, discoveries, trade secrets, know-how and processes throughout the world ("Patents"), and any application and all divisions, substitutions, continuations and continuation-in-part thereof, including without limitation, all United States Letters Patents and foreign Patents which may be granted or claim priority thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property and other patent treaties for every member country, and all rights to sue for infringement of any Patents.

4. Assignor hereby authorizes and requests the U.S. Patent and Trademark Office, and the similar or analogous entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks and Patents and to issue all corresponding registrations and patents to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment.

5. Assignor and its successors and assigns and Receiver shall execute and deliver to Assignee any further documents or instruments and shall take any reasonable actions which may be necessary to effect the foregoing assignment or the recordation or perfection thereof.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized representative as of the Effective Date.
