TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") is made as of June 26, 2006, by ROLLER BEARING COMPANY OF AMERICA, INC., a Delaware corporation (the "Grantor") in favor of KEYBANK NATIONAL ASSOCIATION, a national banking association, having an office at 127 Public Square, Cleveland, Ohio 44114 ("KeyBank"), as Administrative Agent.

RECITALS

A. The Grantor is the owner of certain Trademark Collateral (as defined below).

B. Pursuant to that certain Credit Agreement dated as of June 26, 2006 (as from time to time amended, modified or supplemented, the "Credit Agreement"), among Roller Bearing Company of America, Inc., a Delaware corporation (the "Borrower"), RBC Bearings Incorporated, a Delaware corporation ("Holdings"), certain lending institutions which are signatories thereto (the "Lenders"), and KeyBank, as administrative agent (the "Administrative Agent"), upon the satisfaction of certain terms and conditions contained therein, the Lenders will make certain advances and other financial accommodations available to the Borrower.

C. The Grantor has entered into that certain Security Agreement, dated as of June 26, 2006 (as from time to time amended, modified or supplemented, the "Security Agreement"), among the Grantor, Holdings and certain corporate subsidiaries of Holdings, and the Administrative Agent, whereby the Grantor has granted to the Administrative Agent, for the benefit of itself, the Lenders and the LC Issuer (the "Secured Parties"), a security interest in all of its right, title and interest in and to all of its personal property and assets as security for the Secured Obligations (as defined therein).

D. The Grantor has agreed to deliver to the Administrative Agent this Agreement to more fully secure and perfect the Administrative Agent's security interest.

E. Capitalized terms used herein but not otherwise defined have the meanings attributed to them in the Credit Agreement. Terms not otherwise defined herein or in the Credit Agreement but defined in the Article 9 of the New York Uniform Commercial Code (the "UCC") are used herein as defined therein.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the Grantor hereby:

1. Grants to the Administrative Agent for the benefit of the Secured Parties, as security for the Secured Obligations, a security interest in all of the Grantor's right, title and interest in and to the following (except to the extent forbidden by, and, in any case subject to any restrictions on assignment, pledge or the granting of liens thereon), whether now owned, or, hereafter acquired by the Grantor, and whether now or hereafter existing (the "Trademark Collateral"): all trade names, trademarks and service marks, logos, trademark and service mark

registrations, and applications for trademark and service mark registrations, including, without limitation, all renewals of trademark and service mark registrations, all rights corresponding thereto throughout the world, the right to recover for all past, present and future infringements thereof, all other rights of any kind whatsoever accruing thereunder or pertaining thereto, together, in each case, with the product lines and goodwill of the business connected with the use of, and symbolized by, each such trade name, trademark and service mark (the "Trademarks"), including, without limitation, those items listed in Exhibit A hereto. Notwithstanding the foregoing, the Trademark Collateral does not and shall not include any Trademark that would be rendered invalid, abandoned, void or unenforceable, or would be cancelled, by reason of it being included as part of the Trademark Collateral.

2. Authorizes and requests the Commissioner of Patents and Trademarks Office of the United States of America and the empowered officials of all other governments to note in the record the existence of the security interest granted hereunder with respect to each of the Trademarks listed in Exhibit A and, subject to any restrictions on assignment and the granting of liens thereon, to all Trademarks acquired by the Grantor after the date hereof.

3. Agrees that, should the Grantor obtain an ownership interest in any new Trademark Collateral, including any new Trademark registration or application, which is not now scheduled on Exhibit A as a part of the Trademark Collateral, any such Trademark registration or application, will automatically become part of the Trademark Collateral. The Grantor further agrees that it shall deliver to the Administrative Agent a written report, in reasonable detail, upon the Administrative Agent's reasonable request from time to time, setting forth each new Trademark application or registration that the Grantor has filed, acquired, created or otherwise obtained since the Closing Date. The Grantor authorizes the Administrative Agent to modify this Agreement by amending Exhibit A hereto (and shall cooperate with the Administrative Agent in effecting any such amendment) to include any new Trademark registration or application which becomes part of the Trademark Collateral.

4. Authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto, relating to all or any part of the Trademark Collateral without the signature of the Grantor where permitted by law. A photocopy or other reproduction of this Agreement or any financing statement covering the Trademark Collateral or any part thereof will be sufficient as a financing statement where permitted by law.

5. The Grantor agrees that from time to time, at the expense of the Grantor, the Grantor shall promptly execute and deliver all further instruments and documents, and take all further action, that the Administrative Agent reasonably believes may be necessary or desirable, in order to perfect and protect any pledge or security interest granted or purported to be granted hereby or to enable the Administrative Agent to exercise and enforce its rights and remedies hereunder with respect to any part of the Trademark Collateral.

6. If any provision of this Agreement conflicts with any provision of the Security Agreement, the Security Agreement shall govern.

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be signed by its authorized officer and duly attested the day and year first above written.
