The Grantor agrees that it will not abandon any Trademarks (including applications for Trademarks) without the express written consent of the Secured Party. Any expenses incurred by the Grantor in connection with the Trademarks shall be the sole expense of the Grantor. The Grantor covenants to use and require the use of consistent standards of quality in the manufacture of products sold and services rendered under the Trademarks. The Grantor further agrees to promptly provide notice to the Secured Party of all rights obtained subsequent to the date of this Trademark Security Agreement in and to any Trademarks not set forth on Exhibit A.

Section 5. *Rights upon the Occurrence of an Event of Default.* Upon the occurrence and continuance of an Event of Default, in addition to all other rights and remedies available under the Transaction Documents or under applicable law, including but not limited to the rights of a secured party under the *Uniform Commercial Code* in effect from time to time in Pennsylvania, the Secured Party shall have the right at any time (but shall have no obligation) to: (a) take exclusive possession and/or place a custodian in exclusive possession of any or all of the Trademarks from time to time; (b) take, in its name or in the name of the Grantor or otherwise, such actions as the Secured Party may, at any time or from time to time, deem necessary to maintain, protect, sell, liquidate, transfer, license, assign or otherwise dispose of or realize upon the Trademarks, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk; (c) use, operate, manage, and control the Trademarks in any lawful manner; and (d) collect and receive all income, revenue, earnings, issues, and profits therefrom. Notice of any sale or other disposition shall be given to the Grantor at least ten (10) days before the time of any intended public sale or of the time after which any intended private sale or other disposition of the collateral is to be made, which the Grantor hereby agrees shall be commercially reasonable notice of such sale or other disposition. At any such sale or other disposition, the Secured Party may, to the extent permissible under applicable law, purchase the whole or any part of the Trademarks, free from any right of redemption on the part of the Grantor, which right is hereby waived and released to the extent lawfully permitted. The proceeds of any such sale or disposition shall be applied against the Obligations. The Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Trademarks are insufficient to pay in full the Obligations and all costs and expenses, including reasonable attorneys' fees and disbursements, paid or incurred by the Secured Party in collecting any such deficiency. The Grantor hereby

irrevocably and unconditionally authorizes and empowers the Secured Party, upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of the Secured Party as the Secured Party may select, in its exclusive discretion, as the Grantor's true and lawful attorney-in-fact, with the power to endorse or sign the Grantor's name on all applications, documents, papers and instruments necessary for the Secured Party or the designee of the Secured Party to: (i) own and use the Trademarks; (ii) grant or issue any exclusive or nonexclusive licenses under the Trademarks to any other person; (iii) assign, license, pledge, convey or otherwise transfer title in or dispose of the Trademarks to any other person on such terms and conditions as the Secured Party shall in its sole discretion determine; (iv) demand, sue for compromise, settle and collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any of the Trademarks; (v) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or enforce any right in respect of the Trademarks; (vi) defend any suit, action or proceeding brought against the Grantor with respect to any of the Trademarks; (vii) settle, compromise or adjust any of the aforesaid suits, actions or proceedings and, in connection therewith, to give such discharges as the Secured Party may deem appropriate; and (viii) do all acts and things which the Secured Party deems necessary from time to time to protect, preserve or realize upon the Trademarks and the Secured Party's liens thereon and to effect the intent of this Trademark Security Agreement. The proceeds of any such actions, or the value of any such use of the Trademarks shall be applied against the Obligations. This power of attorney shall be irrevocable until the last to occur of (1) the full and final payment of all of the Obligations and (2) the termination of the Guaranties and the Pledges, and is intended by the Grantor to be a power of attorney coupled with an interest. All of the Secured Party's rights and remedies with respect to the Trademarks, whether established by this Trademark Security Agreement, by any Transaction Document, or by law shall be cumulative and may be exercised singularly or concurrently.

Section 6. *No Duty Imposed Upon Secured Party.* The powers conferred upon the Secured Party hereunder are solely to protect the interests of the Secured Party and the Beneficiaries in the Trademarks and shall not impose any duty upon the Secured Party or the Beneficiaries to exercise any such powers.

Section 7. *Reliance.* If the Secured Party shall elect to exercise any of its rights hereunder, the United States Patent and Trademark Office and all other persons and entities shall have the right to rely upon the Secured Party's written statement of the Secured Party's right to sell, assign, license and transfer the Trademarks and the Grantor hereby irrevocably and unconditionally authorizes the United States Patent and Trademark Office and all other persons and entities to recognize such sale by the Secured Party either in the Grantor's name or in the Secured Party's name without the necessity or obligation of the United States Patent and Trademark Office or any other persons and entities to ascertain the existence of any default by the Grantor under the Transaction Documents, or any other fact or matter relating to the entitlement of the Secured Party to exercise its rights hereunder.

Section 8. *Defeasance.* Upon (1) the full and final payment of all of the Obligations and (2) the termination of the Guaranties and the Pledges, all rights herein granted to the Secured Party shall terminate, and all estate, right, title and interest of the Secured Party in and to each and every one of the Trademarks shall revert to the Grantor. The Secured Party shall file all requisite termination statements and do all such other acts as are required of it to evidence the termination of the security interest granted hereby.

Section 9. *Costs and Expenses.* All reasonable fees, costs and expenses, including any reasonable attorney's fees and legal expenses, incurred by the Secured Party in connection with the preparation of this Trademark Security Agreement and all other documents relating hereto, the filing or recording of this Trademark Security Agreement or any other documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, reasonable counsel fees, maintenance fees, encumbrances or any other reasonable fees incurred in otherwise protecting, maintaining or preserving the Trademarks, or in enforcing the terms of this Trademark Security Agreement or in defending or prosecuting any actions or

proceedings arising out of or related to the Trademarks, shall be borne and paid by the Grantor on demand by the Secured Party and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the highest rate in effect from time to time under the Transaction Documents.

Section 10. *Notices.* Notices that are required or permitted to be delivered hereunder shall be sufficient if in writing and sent to the addresses set forth in the Transaction Documents, in the manner and within the time specified in the Transaction Documents.

Section 11. *Further Assurances.* The Grantor shall promptly do, make, execute and deliver all such further and additional acts, things, deeds, assurances, instruments and documents considered reasonably necessary, appropriate or proper by the Secured Party to vest in, effectuate and assure to the Secured Party its rights under this Trademark Security Agreement or in any of the Trademarks. If the Grantor fails to execute any instrument or document or take such actions described above within ten (10) business days of being requested to do so by the Secured Party, the Grantor hereby constitutes and appoints the Secured Party its attorney-in-fact to execute and file all such additional instruments and documents for the foregoing purposes, including such filings with the United States Patent And Trademark Office or in any other office or place of public filings as the Secured Party reasonably deems to be necessary and appropriate, all lawful acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable until (1) the full and final payment of all of the Obligations and (2) the termination of the Guaranties and the Pledges.

Section 12. *Amendment.* The terms and conditions of this Trademark Security Agreement may be modified, altered, waived, or amended only by a writing executed by the Grantor and the Secured Party and the Beneficiaries.

Section 13. *Governing Law; Forum.* The provisions of Sections 6.01 (captioned "Consent to Jurisdiction and Service of Process; Waiver of Jury Trial") and 6.10(d) (captioned "Miscellaneous") of the Note Purchase Agreement are hereby made applicable to this Trademark Security Agreement.

Section 14. *Severability.* If any of the provisions of this Trademark Security Agreement are judicially determined to be in conflict with any applicable law or otherwise judicially determined to be unenforceable for any reason whatsoever, such provision shall be deemed null and void to the extent of such unenforceability but shall be deemed separable from and shall not invalidate any other provision of this Trademark Security Agreement.

Section 15. *Successors and Assigns.* The terms, covenants and conditions contained in this Trademark Security Agreement shall inure to the benefit of the Secured Party and its successors and assigns, and shall be binding upon the Grantor and its successors and assigns.

Any action taken or failure to act pursuant to such instructions or discretion shall be binding on the Beneficiaries. No Beneficiary shall have any right of action whatsoever against the Collateral Agent as a result of the Collateral Agent acting or refraining from acting hereunder in accordance with the instructions of the Beneficiaries.

(e) To the extent the Grantor does not reimburse and save harmless the Collateral Agent according to the terms hereof or of any Transaction Document for and from all costs, expenses and disbursements in connection herewith, such costs, expenses and disbursements, shall be borne by the Beneficiaries (including the Collateral Agent) ratably in accordance with each Beneficiary's pro rata share of the Obligations. Each Beneficiary hereby agrees on such basis (i) to reimburse the Collateral Agent for its pro rata share of all such reasonable costs, expenses and disbursements on request and (ii) to the extent of such Beneficiary's pro rata share, to indemnify and save harmless the Collateral Agent against and from any and all losses, obligations, penalties, actions, judgments and suits and other costs, expenses and disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Collateral Agent, other than as a consequence of gross negligence or willful misconduct on the part of the Collateral Agent, arising out of or in connection with this Trademark Security Agreement or any other agreement, instrument or document in connection herewith, or any request of the Beneficiaries, including without limitation the reasonable costs, expenses and disbursements in connection with defending itself against any claim or liability related to the exercise or performance of any of its powers or duties as Collateral Agent under any this Trademark Security Agreement or any of the other agreements, instruments or documents delivered in connection herewith or the taking of any action under or in connection with any of the foregoing.

(f) With respect to the investments of the Collateral Agent as a Beneficiary, the Collateral Agent shall have the same rights and powers, duties and obligations under this Trademark Security Agreement and the other Transaction Documents as any Beneficiary party thereto and may exercise such rights and powers and shall perform such duties and fulfill such obligations as though it were not the Collateral Agent.

(g) The Collateral Agent may resign as the Collateral Agent upon 60 days' written notice to the Beneficiaries. If such notice shall be given, the Beneficiaries shall appoint from among the Beneficiaries a successor agent for the Beneficiaries, during such 60-day period, which successor agent shall be reasonably satisfactory to the Grantor, to serve as Collateral Agent under this Trademark Security Agreement. If at the end of such 60-day period the Beneficiaries have not appointed such a successor, the Collateral Agent shall procure a successor reasonably satisfactory to the Beneficiaries, to serve as agent for the Beneficiaries under such documents. Any such successor agent shall succeed to the rights, powers and duties of the Collateral Agent. Upon the appointment of such successor agent or upon the expiration of such 60-day period (or any longer period to which the Collateral Agent has agreed), the former Collateral Agent's rights, powers and duties as Collateral Agent shall be terminated, without any other or further act or deed on the part of such former Collateral Agent or any of the parties to this Trademark Security Agreement. After any retiring Collateral Agent's resignation hereunder as the Collateral Agent, the provisions of this Section shall inure to the benefit of such retiring Collateral Agent as to any actions taken or omitted to be taken by it while it was the Collateral Agent under this Trademark Security Agreement.

(h) The provisions of this Section are solely for the benefit of the Collateral Agent and the Beneficiaries, and neither Grantor nor any other person shall have any rights to rely on or enforce any of the provisions hereof. In performing its functions and duties under this Trademark Security Agreement, the Collateral Agent shall act solely as agent of the Beneficiaries and does not assume and shall not be deemed to have assumed any obligation toward or relationship of agency or trust with or for Grantor or any other person.
