TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of January 27, 2009 ("Effective Date") by and between Meade Instruments Corp., a Delaware corporation ("Assignor"), and Meade Instruments Europe GmbH & Co. KG located in Rhede, Germany ("Assignee").

WHEREAS, Assignor is the owner of the United States trademark registrations set forth on Schedule A attached hereto and the foreign trademark registrations set forth on Schedule B attached hereto (collectively, the "Trademarks").

WHEREAS, Assignor has agreed to sell, transfer, convey, assign and deliver to Assignee, and Assignee has agreed to accept from Assignor, all of Assignor's right, title and interest in, to and under the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee all of its right, title and interest in and to the Trademarks, including, without limitation, any registrations and applications for registration thereof, any renewals and extensions of the registrations, all goodwill associated with any of the foregoing, and all other corresponding rights that are or may be secured under the laws of the United States, any jurisdiction thereof, any foreign country or any multinational jurisdiction now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, if any, and including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of any of the Trademarks, with the right to sue for, and collect the same, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the United States Commissioner of Patents and Trademarks and the corresponding government officers in all applicable jurisdictions to record Assignee as the assignee and owner of the Trademarks.

Assignor hereby covenants and agrees that it will from time to time after delivery of this Assignment, at Assignee's out of pocket expense but without further consideration exchanged between the parties, execute and deliver such further instruments of conveyance and transfer and take such additional actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation but excluding attorney-client communications and privileged documents), as the Assignee may reasonably request to effect, consummate, confirm or evidence the transactions contemplated in this Assignment and/or to assist the Assignee in preserving, registering, protecting, enforcing, recording or perfecting its rights in, to or under any of the Trademarks.

This Assignment shall be governed by and construed in accordance with the domestic law of the State of California without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of California.

This Assignment may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. If necessary under any jurisdiction applicable, the parties hereby agree, to create and/or sign any further form, notarial deed/certification or Apostille or sign any further document, the respective Patent and Trademark Office requires in order to execute this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written.
