This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 26th day of August, 2009, among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, in its capacity as Agent for the Lenders (together with its successors and assigns in such capacity, "Agent").

RECITALS

WHEREAS, pursuant to that certain Amended and Restated Credit Agreement dated August 26, 2009 (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among THE DENVER NEWSPAPER AGENCY LLC, a Delaware limited liability company ("Borrower"), the lenders from time to time party thereto (collectively, the "Lenders"), and Agent, the Lenders agreed to make certain financial accommodations available to Borrower from time to time pursuant to the terms and conditions thereof;

WHEREAS, as a condition to the availability of the aforementioned credit facilities, Grantors were required to enter into that certain Security Agreement, dated August 26, 2009 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Agent this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Agent, for the benefit of the First Priority Security Interest Holders, Second Priority Security Interest Holders, Third Priority Security Interest Holders, Fourth Priority Security Interest Holders and Fifth Priority Security Interest Holders (having the priorities set forth in Sections 2(a) through 2(e) and 5(d)), continuing security interests in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademarks licensed under any Intellectual Property Licenses to which it is a party including those referred to on Schedule I hereto; and

(b) all proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the First Priority Security Interest Holders, Second Priority Security Interest Holders, Third Priority Security Interest Holders, Fourth Priority Security Interest Holders and Fifth Priority Security Interest Holders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 4, Grantors hereby authorize Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

5. MERGER. This Trademark Security Agreement is subject in all respects to the terms and conditions of the Security Agreement. Nothing contained in this Trademark Security Agreement shall be deemed to supersede any of the representations, warranties, covenants or other agreements contained in the Security Agreement. To the extent any provision of this Trademark Security Agreement is inconsistent with the Security Agreement, the provision of the Security Agreement shall control.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.
