## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT ("Assignment") dated as of June 22, 2009, is made by and between Midwest, LLC, an Indiana limited liability company ("Assignor"), and Separator Consortium, LLC, an Indiana limited liability company ("Assignee").

WHEREAS, Assignor desires to transfer each trademark, identified on the Schedule A, and all goodwill associated therewith and symbolized thereby (collectively, the "Trademarks") to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby sells, assigns and transfers to Assignee, and Assignee hereby accepts the sale, assignment and transfer from Assignor of, all of Assignor's right, title and interest in and to the Trademarks, the goodwill of the business with which the Trademarks are to be used, that portion of the business with which the Trademarks will be used which is ongoing and existing, and all past or present claims for damages by reason of infringement, with the right to sue for and collect the same, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment and sale had not been made. Assignor requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Trademarks.

2. Choice of Law. This Assignment shall be interpreted and enforced pursuant to the laws of the State of Indiana without regard to conflict of law provisions thereof.

3. Counterparts. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.
