ASSIGNMENT OF INTELLECTUAL PROPERTY

This Intellectual Property Assignment (this "Assignment") is made as of September 15, 2009, by and between OS TROPICAL, LLC, a Florida limited liability company ("Assignor"), and PARADISE RESTAURANT GROUP, LLC, a Delaware limited liability company ("Assignee"), on the other hand.

RECITALS

- A. Assignor was formed to develop and operate restaurants under the name "Cheeseburger in Paradise" (the "Restaurants");
- B. Assignor has entered into an agreement to sell its interest in the Restaurants to Assignee (the "Purchase Agreement").
- C. As a requirement of the Purchase Agreement, Assignor agreed to assign to Assignee the **Intellectual Property** (as defined on Exhibit A, attached hereto and incorporated herein) rights associated with and developed, obtained or otherwise arising or existing as a result of the development of the Restaurants and the conduct of the business related thereto.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the covenants and agreements contained in the Purchase Agreement and in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Assignor hereby agrees as follows:

1. Assignor does hereby sell, transfer, convey, assign, grant, set over and deliver to Assignee, and Assignee hereby accepts, all of Assignor's respective rights, title, and interest in and to the Intellectual Property, free and clear of all liens, mortgages, and security interests, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, designees, nominees and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made, together with all causes of action (in law or equity), claims, demands and any other rights for, or arising from any past, present or future infringement of, the Intellectual Property, along with the right to sue for and collect any damages for the use and benefit of Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives.
2. Assignor represents and warrants that, the assignment contemplated hereby has been duly authorized by all necessary corporate action at the time of the execution and delivery of this Assignment. Assignor further represents, warrants and covenants to Assignee that the execution and delivery of this Assignment does not breach any agreement to which Assignor is a party, and Assignor has not entered into, and will not enter into, any oral or written agreement in conflict with this Assignment.
3. As may be reasonably requested by Assignee or its designee or other legal representative in writing from time to time after the date hereof, Assignor on behalf of itself and its successors and assigns agrees to execute, acknowledge and deliver to Assignee, or Assignee's successors, assigns, designees, nominees or other legal representatives, in a commercially reasonable manner and, at Assignee's sole cost and expense, agreements and instruments to evidence, record, and perfect the assignment of the Assigned Intellectual Property contemplated hereby.
4. Assignor on behalf of itself and its successors and assigns hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, the Register of Copyrights and any other governmental organization whose duty it is to issue, certify, or assign registrations or applications for service marks, trademarks, patents, copyrights, or other evidence or forms of intellectual property protection, to issue,
