GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of August 26, 2009 is made by (i) The Reader's Digest Association, Inc., a Delaware corporation, located at 1 Reader's Digest Road, Pleasantville, NY 10570 (the "Grantor"), in favor of JPMorgan Chase Bank, N.A, a national banking association located at 1111 Fannin, 10th Floor Houston, Texas 77002, Attention: Alice Telles, as Administrative Agent (the "Agent") for the banks and other financial institutions or entities (the "Lenders") parties to the Credit and Guarantee Agreement, dated as of August 26, 2009 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among RDA Holding Co., The Reader's Digest Association, Inc., each of the direct and indirect domestic Subsidiaries signatory thereto, the Lenders, and JPMorgan Chase Bank, N.A. as Administrative Agent and (ii) the other Secured Parties (as defined in the Security Agreement).

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a Security Agreement, dated as of August 26, 2009, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Agent for the benefit of the Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks of such Grantor; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Borrower pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement, as applicable.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges and grants to the Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Grantor's right, title and interest in the Trademarks of such Grantor (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"); provided, however, that this Agreement shall not constitute a grant of a security interest in any property to the extent that such grant of a security interest is (i) prohibited by any Requirements of Law of a Governmental Authority, requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law or is prohibited by, or constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any contract, license, agreement, instrument or other document evidencing or giving rise to such property, except to the extent that such Requirement of Law or the terms in such contract, license, agreement, instrument or other document providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable law, or (ii) the grant of a security interest would result in the

invalidity, unenforceability, voiding or cancellation of any Collateral (including, without limitation, any Trademark application filed on an intent to use basis).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 6. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.

THE READER'S DIGEST ASSOCIATION, INC.
